- Legion Notes -

What should prove to be one of the most interesting meetings of Branch 120, will be that to be held in the Legion Hall on April 27th. Among the items of interest are the report of the delegates appointed to attend the Provincial Convention to be held in Toronto April 23rd to 26th.

The delegates appointed for this Convention are Past President Fred McCartney, President Harold Stafford and Treasurer William Roney.

Another interesting item on the program will be the report of the "Betterment and Rehabilitation Committee" with Col. Cousins as chairman. This committee held a meeting last Monday evening and the writer invited to attend but is not in a position to mention here what transpired as the recommendations and suggestions must first be brought to the general meeting before anything may be published. We can mention that this committee will present excellent suggestions which should make the regular meeting an item of great interest to all comrades.

Along with the above coming before the meeting we expect that an election to fill the post of Publicity and Transportation will be held. Comrade Jack Fry, we understand since his appointment has found that due to pressure of business he was not in a position to handle this office and has sent in his resignation to the executive.

We understand that more than one comrade is to stand for nomination for this office. Comrade Boley who has held this post for the past year has been asked by the executive to carry on "pro-tem" until the meeting and due to a request from many comrades has decided to let his name stand for this office. We are not aware of who may let his name go before the meeting to contest the election but when nominations are closed it will be left entirely in the hands of the comrades to elect a comrade to fill the important office of Transportation and Publicity.

One of the most important matters for the next meeting is the attendance. You, comrades have elected to the high office of president Comrade Stafford to carry the full responsibility of the branch for the forthcoming term and to show our cooperation that we are determined to back-up this officer and other newly elected officers it is our duty to make the attendance at this meeting 100 per cent.

Comrade President Stafford in an interview stated that the next regular meeting of the branch will be held on April 27th and will start promptly at 8:30 p.m. sharp. The canteen will open from 7:30 to 8:00 and will be closed until after the meeting.

By starting sharply on the dot stated Comrade Stafford the meeting should be over in ample time to allow the comrades to have a friendly chat before returning home. In the past comrades attending the meetings had to be excused before the meeting was over, due to the lateness of the hour.

There is no necessity for this stated Comrade Stafford. I will call the meeting to order on time and allow liberal time for discussions but will see that the meeting will not drag on. So comrades, be on time for the meeting.

IMPERIAL SECTION

The Imperial Section of the Canadian Legion held their regular meeting in the Legion Hall last Sunday afternoon with a large attendance of comrades from this branch.

Comrade Chairman Chas. Parton conducted the affairs of this Section in a most efficient manner and after the reading of the minutes and the Financial report moved the meeting on to the General Business.

The next item was the appointment of delegates to attend the Imperial Convention which is held in conjunction with the Legion Provincial Convention in Toronto on April 23rd. It is the intention of all Imperial Section attending the Convention to join the Canadian Legion in their Church parade which will open the Convention.

Delegates appointed to attend were Comrades Parton, Roberts, Taylor, Yates, Carney and Clarke. Comrade Clarke volunteered the use of his car so by next Sunday no doubt the delegates will number 10 or 12. Those wishing to attend are requested to meet at the Legion Hall at 12 noon on Sunday next so as to reach Toronto in time to attend the Church parade.

Chairman Parton then called upon Comrade President Stafford attending the meeting to say a few words. (Due to the length of the Legion Notes we only print in part what Comrade Stafford mentioned). He complimented the Imperial Section for the efficient manner in which the meeting was conducted and also the support given by members of the Section to the newly elected officers.

Today stated Comrade Stafford is the opportune time for the Imperials to obtain from the British Government the claims that they are duly entitled to. In these war times with our Canadian soldiers returning to Canada accompanied by their English brides, more than ever the Imperials will be called up to assist and co-operate with these men and help if possible to the re-establishment of our Canadian Soldiers and make their brides feel at home in Canada.

In his closing remarks President Stafford stated that as head of the Legion he will at all times cooperate with the Imperial Section and make it his duty to attend all their meetings.

On behalf of the Imperial comrades Chairman Parton expressed his thanks and took this opportunity to extend to President Stafford an invitation to attend the Imperial Convention in Toronto next Sunday.

Before closing the meeting it was moved and passed that a guest speaker be invited to attend the next Imperial meeting and that this meeting would be an open one for any member of the Canadian Legion to attend. This joint gathering will be held in the Legion Hall on Sunday, May 21st at 2:30 p.m. The meeting then adjourned.

NOTES

A new Union Jack now flies from the Legion flag pole.

Comrade Tim Stacey of the Veteran Guards stationed at Windsor spent last week end at his home in town.

Comrade Jack Whitney of the Veteran Guards from Lindsay, Ont., was a guest at the Legion last Saturday.

L.A.C. George Gilmer son of Comrade and Mrs. Fred Gilmer spent the week end at home.

Word has been received from L. S. Roy Preston, son of Comrade and Mrs. H. Preston that he is safe and sound somewhere overseas.

"Ken" Beerman, son of Comrade and Mrs. Ed. Beerman, spent last week end on leave at his home.

"Bud" Oliver, son of Comrade and Mrs. Johnny Oliver was home from Camp Borden for the week end.

In the Globe and Mail, issue of Saturday last appeared the picture of Leading Officers' Cook Jack Kemshead of Georgetown. He is stationed at Halifax, N.S. and the son of Comrade and Mrs. Jack Kemshead and is shown demonstrating a large birthday cake made for the 1st Anniversary of the

Navy Well-Baby Clinic.
Comrade Thos. "Pappy" Allen has been absent from work for a few days due to injuries to his shoulder while at work at the Lower Paper Mill. In unloading baled paper from a truck the bale slipped and pinned his shoulder to the wall.

Comrade Johnny Oliver received a letter from "Chuck" O. L. Laws, from Italy, in which he states that he has met other Georgetown boys including Bob Royner, Gordie James, Keith Spence, Walker Cleave, Pete and Fred Tost and Jerry Watson. Comrade Oliver received his training with "Chuck" in Brantford and Niagara and separated when Johnny was transferred to the West Coast and "Chuck" to the East.

So comrades, before closing remember two important engagements you should attend, the regular meeting of the branch on the 27th and the mixed party for Legion members and their wives and the members of the Ladies Auxiliary on Friday April 28th. So until next week I will keep on practicing to sing "Malriz Doates and Dozy Doates and Little Lamsey Drive" - Joe. B.

MAIL TO REINFORCEMENT UNITS A CHALLENGE TO US ALL ...

THIS is a war of movement. Never before have troops been moved such incredible distances, in so many theatres of war, so quickly. Night and day, thousands of men are in motion, by sea transport, motor truck and air... edging into enemy territory, shifting to keep the element of surprise. Did you ever stop to think what it means, under these trying conditions, to find your friend or relative, and put your letter into his hands?

Yet in spite of the tremendous task involved, tracing men who are moving from reinforcement units in England to group depots in Italy... or from one location to another... or through hospitalization or while on leave... in the face of every sort of war hazard... 31,500,000 letters in addition to parcels and other items, reached our men in 1943.
