Fruct and vegetable prices subject to market fluctuations.

**Coupons to use April 27th**

SUGAR — 14 to 31	PRESERVES — 1 to 18
TEA or Coffee 14 to 31, E1-6	BUTTER — 54 to 59

## LIMEHOUSE

Miss Doris Mitchell spent the week end in Peterborough.

Members of Limehouse Young People have proven that their practice evenings were well spent, as Limehouse Church was filled to capacity on Friday evening, when the Young People, directed by Rev. O.C. Cochrane, presented their three act comedy "Uncle St Hits a New High", by Fred Caldwell. Miss Mollie Hepburn entertained at the piano between acts, and Master Jim Gordon recited "The Parson's Wedding Reception".

Mrs. Cooper and son Harley of Toronto spent the week-end with the Glsby's.

Miss W. Ivans of Toronto and Mrs. W. I. Newton of Barrie visited the Newton's during the week end.

Mr. S. M. Wright opened the gardening season in Limehouse this week by planting early potatoes and other vegetables.

Mr. and Mrs. K. Hamilton and family visited relatives at Kilbride on Sunday.

Mrs. Leslie Campbell of Hamilton spent the week end with Mr. and Mrs. A. W. Norton.

Mrs. Tull, formerly of the China Inland Mission was guest speaker at the Easter Thank Offering meeting of Limehouse W. M. S. Thursday afternoon. She told of some of the problems of race religion which missionaries must try to overcome, in spite of hardships and opposition. She urged her listeners to remember the Chinese in their prayers. She said that this war is a partial blessing in disguise to them when they receive religious instruction from Christians of their own race, and that we must pray that the Chinese Christians may preach unto death to their fellow men. Eighteen ladies attended the meeting which was held at Mrs. W. Mitchell's. Mrs. S. Glsby led in prayer on behalf of the Chinese and the Missionaries following the Scripture reading alternately. Mrs. A. W. Norton accompanied by Mrs. H. Norton at the piano rendered two lovely solos during the program. Following the National Anthem and the Benediction a pleasant social half hour was spent.

## EASTER EXAMS AT HIGH SCHOOL

The winners and the runners-up in the recent Easter Examination at the Georgetown High School were as follows:

- XIII—1. Dick Orlinton; 2. Norah Cleave and Bernice Hughes, (eq.)
- XII—1. Mary McClure; 2. Jean Lindsay.
- XI—1. Doris Brownridge; 2. Brenda Robinson.
- X—1. Ken Harrison; 2. Robert Brown.
- IX—1. Douglas Latimer; 2. Ingeborg Hauptmann.

Every Canadian wants this war over—and the sooner the better. Every Canadian wants to see the fight taken to the enemy's very door, to see war wiped off the map of the world forever.

It's good, ordinary horse sense that this won't be accomplished until *everyone* on the home front does his full part.

Canadian soldiers are fighting with courage and self-sacrifice, but this alone will not win the war. War demands the support of us at home. What are you doing about it?

Put some of that horse sense we Canadians talk about to work. Be smart. Buy Victory Bonds.

## Rural Service Extensions in Wartime

War demands come first. Many of the materials needed in providing Hydro rural service, that are plentiful in peacetime, are now required in the manufacture of war weapons. Likewise, many trained Hydro men have taken up war duties in the Army, Navy and Air Force. This results in a shortage of manpower, materials and equipment.

Although working under great difficulties, created by these wartime conditions, Hydro will continue to provide essential rural services as rapidly as possible. However, it can be readily realized that with smaller construction crews, coupled with the scarcity of supplies, it is not possible for Hydro to effect extensions of power lines and services to farms as promptly or on the same scale as in peacetime.

Hydro will make every effort to provide service to the more essential farm and other rural users connected with the production and processing of food. Those farmers and other users requiring electricity to assist in the production of food and for the replacement of labour will be given preference. Farmers located along existing lines will be given priority over those in areas where lines must be constructed. In any case, only extensions of limited length can be considered. All other rural residents on new or existing lines will be supplied with Hydro service as and when conditions permit.

Hydro trusts that this, along with the previous messages, will enable rural rates and the influence of wartime shortages of manpower and materials on power extensions. Upon your request, further information on these matters will be gladly supplied by any Hydro Rural District Superintendent.

## THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO

This completes a series of messages explaining the new Rural Rates and the problems of electric supply to farm and hamlet consumers served direct by The Hydro-Electric Power Commission of Ontario. We suggest you clip and keep these explanations.
