

IT'S A SURE SIGN OF SPRING

100% PURE PAINT VARNISHES & LACQUERS

Thoughts of Spring and paint-minded people everywhere are "suddenly" aware of the familiar Martin-Senour sign (although it's there all the year 'round) because Spring is the usual and accepted time to repaint for fresh beauty and protection!

And this sign is a sure sign of an enduring paint because Martin-Senour is 100% pure!

Whenever you see the sign of Martin-Senour, there will be found the paint of endurance and longer lasting beauty. It is the sign which in one breath welcomes Spring and the chance to beautify as well as to do the patriotic job of protecting property!

ACTON

Saturday was the final day for the payment of the first instalment of taxes in Acton in order to avoid the payment of an additional penalty. Taxes received up to and including that day amounted to approximately one-third of the amount due for the whole year.

While cutting wood on Saturday, Lawrence Webster had the misfortune to have two fingers on his right hand broken and the little finger was so badly mutilated that it had to be amputated. The accident happened on the farm of Mr. Walter Fryer on Highway 25. Friends will be glad to learn that the injury is progressing favourably.

At a meeting of the Acton Public Utilities Commission, Superintendent Wilson of the Waterworks Dept. reported that the installation of the new water meters would start shortly. A good proving ground for army trucks would be a run up the second line between Acton and Milton.—Free Press.

MILTON

The Council, upon motion, let the tender for the collection of rubbish and ashes to A. E. Bush for the sum of \$350 for 1944. This is the same as last year.

Funeral services will be held in Burlington on Friday for Colin Smith 62, who died in the Toronto General hospital Tuesday. He was deputy-revee of Nelson township.

On Saturday night, April 15th, a car driven by John Dixon went out of control on the icy pavement, jumped a four foot ditch, breaking off a hydro pole, and took fire. Considerable damage was done to the car, but the driver escaped uninjured. The Fire Brigade was called to extinguish the flames.

One of the oldest residents of the village of Omagh, Halton County, passed away on Saturday, April 8th in her 86th year after some weeks of failing health.—Champion.

Put Victory First and Buy Victory Bonds.

- Legion Notes -

The regular meeting of Branch 120 was held in the Legion Rooms last Thursday, with Comrade Harold Stafford in the chair.

The following motions were passed: That Past President Fred McCartney receive his Past President badge at a future date as a reward from the branch for his wonderful work accomplished during the past four years as president.

A letter was received from the auditors H. Dickie and John D. Kelly, returning their donations to be applied to the Legion Cigarette Fund. Heartfelt applause followed their action.

A letter of thanks was received from the Navy League for donation was read also a letter from Mr. LeRoy Dale, president of the Red Cross Society, extending thanks to the Legion for the wonderful cooperation shown in allowing the use of the rooms during the past year for the blood donor clinic.

Reports of committees followed and Comrade Robt Muir received hearty applause for his splendid report as chairman of entertainment. Due to a change in the set up of the canteen Chairman Jimmy Roberts was unable to present his report but will do so at the next meeting. Comrade Roberts is doing a fine job of his difficult task and has the full cooperation of all the members.

It was moved that a letter of appreciation be forwarded to the Girls Pipe Band for the part taken in the Toronto Convention Church Parade. A donation from the branch accompanied the letter.

The full support of the Legion is behind the Sixth Victory Loan Drive. Advertising space to boost the loan was taken in the local paper and it was moved that the trustees purchase additional Bonds in this drive.

Comrade Tom Grive has been appointed to conduct the initiation of the new members at the next regular meeting. We understand that a team from Toronto will be present and as this ceremony has not been conducted for some time a large attendance of members is hoped for at the next regular meeting to participate in this great ceremony.

Comrade J. Boley was appointed by acclamation to fill the post of Publicity and Transportation for the forthcoming year.

Comrade President Stafford told the members that due to the late hour that a special meeting would be called during May, to hear the report of delegates to the Convention and arrange to draw up a tentative plan of set of by-laws.

Comrade President Stafford called on Col. Cousens, chairman of the "Special Committee" to give his report. This committee met during April and approved of a "Questionnaire" to be sent to the men on active service. The letter and Questionnaire met with the entire approval of the branch. Col. Cousens stated that the Legion should take the lead regarding the re-habilitation of our men in uniform and by this Questionnaire we are showing our boys that we are behind them and looking forward to their safe return and proper rehabilitation.

We, today, stated Col. Cousens, have to see that the promises made to these men are carried out and that they should receive better treatment than

those Veterans of the last war. The Special Committee has been given full power to act as they see fit.

Before closing the meeting Comrade President Stafford thanked the members for their attendance and their co-operation extended in assisting him to carry on the meeting in proper style.

Congratulations are in order to our newly elected president for the efficient manner in which he conducted the meeting. As a newly elected officer he had to deal with very important discussions and freely expressed his own views and handled the gavel like a Veteran.

Congratulations to Comrade Harry Hale, newly elected Sergeant at Arms for the manner in which he greatly assisted in making the meeting a very successful one.

The meeting was brought to a close with all comrades singing the National Anthem.

NOTES

Col. Cousens attended the Annual Meeting of the Imperial Officers' Association held in the Military Institute, Toronto, last Friday night. Col. Cousens was re-appointed as a member of the Officer's Committee for 1944. Congratulations on your appointment Col. Cousens.

While we are on the subject of congratulations Comrade Johnny Oliver, Chairman of the Property deserves his share. Johnny has done a good job of keeping the Legion property in "apt and span" condition and all comrades are in accord that his efforts are appreciated by all.

Due to the report on the Banquet we are forced to leave out many other items of interest which will be published in some future edition.

LIMEHOUSE

Mrs. R. M. McVey and Mr. Jos Scott held highest scores when ten tables of euchre were played at Mr. and Mrs. Kirkpatrick's on Friday evening. Consolation went to Marion Norrie and Allan Ellerby. Following sandwiches and coffee, Mr. Jos McDonald was floor manager for an enjoyable time dancing to the music provided by Messrs Garnet Kay, Ritchie Benton and Burt Watson.

Mr. and Mrs. A. Hill and family spent Sunday in Hamilton. Mr. and Mrs. S. M. Wright and Miss Shirley visited Mr. and Mrs. Will Wright and sons in Erin Twp.

Mr. and Mrs. Garnet Kay and family have moved into the house owned by Mrs. Jno. Meredith. We welcome them to the village.

Mrs. Jos Meredith and her daughter, Mrs. Davey held a private sale of the former's belongings at her house on Tuesday last.

Pte. and Mrs. Langley spent the week end with Mr. Milno.

Mrs. Scott and Miss Inez visited in Toronto on Sunday.

Miss Bertha Shelbourne spent the week end in Toronto.

Mrs. A. Norton visited in Hamilton last week.

Ronald Davies of the R.C.A.F. called in the Village this week while on leave.

We smell smoke quite often lately as the lawns and vacant lots are having their Spring clean up.

Mr. and Mrs. Jas. Noble and Mr. and Mrs. C. E. Meredith and Miss Heler spent Sunday with Mr. and Mrs. S. Jones at Cheltenham.

GLEN WILLIAMS

Mr. and Mrs. Robert McMenemy spent the week end with relatives in Guelph.

Mr. and Mrs. Stanley Goddard of Alton were week end visitors at the home of Mr. and Mrs. Leslie Robinson.

Mrs. John Ferguson and daughter Margaret have returned to their home in Kyle, Sask., after spending the winter months at the home of Mrs.

"Owing to Poor Overseas Reception . . ."

Most shortwave programs arrive in Canada after being reflected from a mysterious layer of rarefied gas surrounding the earth at a height of from 70 to 150 miles. Just as a beam of light shoots off in a new direction when it strikes a mirror, so the short waves, striking the "ionosphere", as this layer of gas is called, are reflected back down to a different part of the globe.

In the illustration, this ionosphere is shown at two different heights (A and B) with the dotted lines representing shortwaves coming from the B.C. in England. In actual practice, of course, there would be many more dotted lines and the ionosphere would be very irregular in shape, some shortwaves going much higher than others. It is this variation in the height and density of the ionosphere that helps to cause fading and irregular reception at different times of the day and season.

The distance between the place where the shortwaves are transmitted and the place where they finally come down to earth again is called the "skip distance". Between these points, nounce that "owing to poor overseas reception, we are unable to bring you the BBC news or other scheduled the CBC must from time to time announce. But the illustration above shows why

Dependable Protection

FOR nearly 40 years Brantford Roofing has watched over thousands of Canadian homes—its fine materials, skilled workmanship and protective qualities providing dependable protection against the damaging entry of sun, rain, wind, snow and sleet.

All Brantford Roofs are inherently long-lived, easy to apply and fire-resistant. More than this, their colour-

ings are very lovely, with a natural softness and warmth which add a new note of beauty to your home . . . at most reasonable cost.

For truly aristocratic dignity and charm, have Brantford Asphalt Slates applied over your old roof. They are distinguished, durable, and help to lower your fire insurance premium.

Mr. Lindley Beaumont who is lay delegate for St. Alban's Church is in Hamilton for three days attending Synod.
During the suspension of meat rationing, a farmer may sell fresh pork in any form he chooses.

reception is not good, and because the skip distance varies according to the height of the ionosphere, some parts of the country get better reception than others from one day, or hour, or minute, to the next. Of course, other factors influence reception also, such as local interference, the presence of magnetic waves which absorb short waves, and the wave length of the transmitting shortwave station.
With the opening this month of its new diversity receiving station at Dartmouth, CBC hopes that overseas reception will show a marked improvement. Canada will now have three useful diversity receiving stations—the original one at Britannia Heights, established in 1934, the Hornby Ontario receiving station, established in 1942, and the new Maritimes receiver decided upon following test measurements made in 1941.
