CHURCH NEWS
 "A noise shall come even to the ends of the earth; for the Lord hath a controversy with the nations, he will plead with all flesh; he will give them that are wicked to the sword," saith the Lord." Jer. 25:31.

 Ven. W. G. O. Thompson, Rector
 Fifth Sunday after Easter:
 Holy Communion, 8.00 a.m.; Sunday School, 10 a.m.; Matins, 11 a.m.; Evensong, 7 p.m.
 On Sunday morning, before preaching, the Rector stated that the Church of England, especially in the Diocese of Niagara, was not averse to the contemplated religious instruction in the schools, but welcomed it, only considering that the matter should be carried out carefully. A few years ago the Synod of Niagara definitely petitioned for the very thing we are now receiving. The Church of England does not hold aloof from co-operation with the state, but rather welcomes it, believing the two can be mutually helpful.

 Members of the Lawn Bowling Club met on Monday evening May 8 at the Club House on Edith Street to review last year's activities and plan for the coming season. With a slight majority of members present, the meeting was called to order by the President, Jas. Richardson.
 The minutes of the last year's meeting were read and adopted. The financial report was given by the Secretary-Treasurer, S. P. Chapman, showing a small surplus for the year after paying for several major improvements to the property. There would have been a larger surplus had the Grant Cup play not been interfered with on several occasions by adverse weather. The present holders of this trophy are H. Cleave, J. Williamson. Incidentally Mr. Williamson was part holder of the cup a majority of the time last season.
 It was suggested that arrangements for a "get together" evening to be held if possible, prior to the official opening on May 24th, when members of the Bowling Club and the Curling Club could fraternize. For this purpose W. G. Bell and J. J. Gibbens were specially appointed to convene with the Entertainment Committee.
 Men's fees were confirmed the same figure as last year, namely \$6.00 per season.

Asst. Pianist: Mrs. F. Brownridge. Auditors: Mrs. J. Barnes; Mrs. F. Wrigglesworth. Courtesy Committee: Mrs. C. B. Dick; Mrs. F. Ruddell.

WOMEN SHOPPERS
 Women spend 85c of every dollar in Canada today. It is the grip women

keep on their purse strings that will decide how much those purses contain tomorrow.
FRUIT PRICES
 The Prices Board pointed out recently that retailers are required to display prominently the prices and sizes of oranges, grapefruit and lemons they offer for sale.
RATION BOOKS
 Canada's first ration book was done by six printers, the second by ten, the third by five and the fourth by three. Fewer printers and less paper has brought about a saving of \$50,000 in paper, printing and shipping costs.

THANK YOU CANADA... but there's still a WAR JOB to do!

OFFICE OF THE MINISTER
 DEPARTMENT OF NATIONAL WAR SERVICES

To my fellow Canadians:-
 You the citizens of Canada and members of the Voluntary Salvage Committees and many other Voluntary War Workers have done an excellent war job.
 Canada, in doing her part to help win the war, has been greatly assisted by your voluntary and unselfish devotion to the important duty of saving and turning in the essential war materials. You have backed up the boys overseas and your activities have been a material factor in turning the tide of battle against the enemy. When Canada's stock piles have been dangerously low, you have discovered, saved, and salvaged waste material which has been turned into weapons, ammunition, explosives and containers. Your Salvage Campaigns have been Nation-Wide and of National importance. Your job has been a big one which you have nobly performed.
 When at war the past is the past and we must look to the future. Again I appeal to you!
 There is another National war emergency which must be met and overcome. Experts on the matter have assured me that there is a critical shortage of Waste Paper and that the Forces who will use them against the enemy. War supplies must be safely packed. As we march on nearer to the enemy such safe Waste Paper is wanted now.
 Paperboard mills are working on a day-to-day basis and Waste Paper are critically low. From now on every scrap of waste paper is to be saved and turned in to the Nation through regular Waste Paper channels.
 Fellow Canadians please help!
 Yours sincerely,
 L. R. LaFlèche
 Minister, National War Services.

CANADA NEEDS 20,000 TONS OF WASTE PAPER EVERY MONTH

WHAT IS WANTED: You can remedy this critical paper shortage by saving every scrap of waste paper, namely: wrapping paper—store bags—cardboard—cartons—corrugated board—old magazines and books—envelopes and letters—newspapers. These represent the raw material for making vitally needed paper containers.
HOW TO DO IT: Tie securely in separate bundles. (The little time you take will save thousands of man hours.) Then dispose of it through your local Voluntary Salvage Committee or other War Voluntary Organization, or sell it through any known trade channels, your pedlar or others. The important thing is to get your Waste Paper moving to the mills!
