Sanitary Notice

Township of Esqueping
 Notice is hereby given that all residents of the Township of Esqueping are required forthwith to clean their cellars, drains, yards, pig sties, water closets and other buildings and premises and remove all dirt, filth, manure or substance which may endanger the public health and to have same completed by the 1st of June next on which day the Sanitary Inspector will commence a general inspection.
 All residents are earnestly requested to keep their premises constantly clean and in thoroughly sanitary condition.
 NOTE—No pig sty is to be erected within 60 feet of any dwelling house, road, street or lane.
 J. SANFORD,
 Sanitary Inspector
 Esqueping, May 10, 1944.

Public Health Notice

Municipality of Georgetown
 To comply with schedule B of the Public Health Act.
 Notice is hereby given that all residents of Georgetown are required to clean their cellars, yards and privies, and other premises and to remove therefrom all substances which may endanger the public health, and to have the same completed by the 1st day of June next, on which day the Sanitary Inspector will commence a general inspection.
 All citizens are urged to keep their premises constantly clean and free from nuisances.
 O. V. WILLIAMS
 Medical Officer of Health
 for Georgetown
 May 10th, 1944

Local Council of Women Held Interesting Meeting

The Local Council of Women held its regular meeting on Friday afternoon, April 21st at 3 o'clock in the Municipal Building at which sixteen members were present. The President Mrs. Ralph Ross was in the chair.
 The meeting opened with silent prayer and the President suggested the members pray for H.R.H. Princess Elizabeth who this day was celebrating her eighteenth birthday.
 The treasurer reported that all accounts had been paid, leaving a bank balance.
 Ditty bags which have been taken by members of the L.C.W. are to be filled and returned at the June meeting.
 The curfew law which has been sponsored by the L.C.W. was referred to.
 The Sixth Victory Loan was commended to all persons as a necessity for the success of the war.
 The President read a most interesting report on the work accomplished by the Ottawa Local Council organized fifty years ago by Lady Aberdeen.
 Papers were read by Mrs. Ballantine, Citizenship; Miss Ryan, Organization of International and National Councils; Mrs. Neilson, Education, an address given by Dr. Cody at the Federation of teachers convention; Mrs. Nodwell, Health Insurance for Canada. The report of the 50th Anniversary, Ottawa Local Council was as follows:
 50th Anniversary Ottawa Local Council on January 17, 1944. Early in 1894 Lady Aberdeen organized this Ottawa Council of Women. Some of the aims achieved are:
 1.—Women Inspectors in factories and shops where women and girls are employed.
 2.—A Free Public Library.
 3.—A Woman Inspector of Prisons and Refugees.
 4.—Manual Training in Schools.
 5.—First place where Victorian Order of Nurses was established in Canada. Council furnished the house.
 6.—After years of pressure, women on Public and Collegiate Boards.
 7.—Urging of Curfew—finally in 1942, law was ordered enforced.
 8.—It took 12 years to have Domestic Science in Schools.
 9.—Shelters other than jails for insane.
 10.—Supervised playgrounds in parks and school grounds.
 11.—Separate quarters for juvenile offenders.
 12.—A visiting nurse for tubercular patients in the houses.
 13.—Prohibition of expropriation in public places.
 14.—Wrapped bread and milk tested.
 15.—Beggings on streets.
 16.—Special women constables.
 17.—Fly swatting a public duty.
 18.—Women on Censor Board for Moving Pictures.
 19.—Psychiatric survey of schools.
 20.—Civic Hospital.
 21.—Mother's Allowance Act passed 1921 after years of pressure.
 22.—First Parent Teachers Association was formed by Convenor of Education.
 23.—Passing of law that a widow receive as large a share in her husband's property as she would have done had he died without a will.
 24.—Better work conditions, inspection of bake shops.
 25.—Pres. of Council was nominated for the Board of Control (1923)—first entering of a woman into field of civic politics.
 26.—Medical inspection of schools. Classes for subnormal children.
 27.—Purer water supply.
 28.—Grading of beef endorsed.
 29.—Opposed higher milk price—now pegged.
 30.—Canteen for war workers.

ACTON
 A resident of Acton for 35 years, James Daniel Smith passed away in Christie Street Hospital. He served overseas in the last war with the 4th Battalion.
 Velma Blair, daughter of Mr. and the late Mrs. Wm. Blair, and Rae West of Rockwood, were married in the United Church parsonage.
 Nelson Hepburn had his right hand so badly lacerated in a carding machine at the Wool Combing plant that it was necessary to amputate the hand.
 Lt. Nursing Sister Nora Kenney, recently returned from Newfoundland was presented with a travelling portfolio by the members of Duke of Devonshire Chapter, I.O.D.E.
 Acton School Board is examining the possibilities of opening a kindergarten class in the school next Fall.—Free Press.

BRAMPTON
 Three telegrams brought good news to Brampton homes. F. O. Robert Lagerquist and Pte. Sgt. J. M. Newman are now officially listed as prisoners of war, and Pilot Officer Bob Charters, who was reported interned in a neutral country has arrived safely in the United Kingdom.
 Brampton - Mimico Combines expect to enter senior lacrosse competition again this year. Other entrants may include Lakeshore, Burlington, St. Catharines and the Navy.
 Armstrong Bros. Construction Co. are building a \$20,000 garage on Queen Street.
 M. F. Lockridge, employee of Brampton rural hydro, died in Toronto General Hospital after a brief illness.—Gazette and Conservator.

 Pte. J. Brown of Norval has been transferred to Ottawa on laboratory work.

A REQUEST FOR YOUR COOPERATION IN RESPECT TO
Your Coal Supply for Next Winter
FIRSTLY—In every one of our Customers buying 40% of their Class A coal or coke before September 30.
SECONDLY—In buying the required 20% of the Class C coal or coke before September 30.
 Normally only about 50% of our customers buy coal in the summer months and we are restricted to a maximum delivery of 40% of the Class A coal or coke to any one customer up to September 30. If our customers order as customary the possibility could be that only 25% of the coal would be delivered in the first 6 months of the coal year, leaving 75% to be delivered from October 1 to March 31. That would make a very difficult storage and delivery problem with our available manpower and equipment and would probably result in our not being able to deliver coal or coke as needed in the winter.
 Everyone is required by the government order to use 20% of their fuel requirements in Class C fuel which consists of smoky soft coal or coke in pea or buckwheat sizes. Neither of these is entirely satisfactory as household fuel but the safest is pea or buckwheat coke. The greater proportion of small coke available will be reclaimed coke which can be better screened in the summer months.
 We recommend that you keep the Class C separate and use as much as possible of your Class C coal or coke now and in the fall months and save the Class A coal or coke for the colder weather.
 Last winter was milder than usual and every coal economy should be practiced now as a precaution against a more severe winter.
J. B. Mackenzie & Son
 Georgetown, Ontario
