Georgetown Lions Club Celebrate Monarch Night

Old Monarch Night was fittingly celebrated by the Lions Club Georgetown on Monday evening at their regular dinner meeting in the McCabbon House, by the introduction of the Monarchs with song and story ion Col. Jim Ballantine was the hairman for this part of the meeting ofter he was introduced, each Moarch made a suitable reply.

Two minutes silence fittingly paid tribute to our late Monarchs Lions W. H. Long and W. V. Grant, and Lions Charlie Burnside and Harry Mimms.

Lion Ballantine then read the fol-"During the past twenty months or so three of our Charter members have been taken from us to that undiscovered country from whose bourne no traveller returns. These were Bill Grant the First President of the Club, Bill Long a past President and also a Deputy District Governor and Charlle Burnside who though he held no office was a Key member and a very enthusiastic worker, especially on the Christmas Tree Celebrations. In our hearts we cherish the kindest sentiments of these three members, and in our memories the recollection of foundation work and general construction, unselfishly done that the Georgetown Lions Club might prosper and continue as a force for good in the Community".

Lo! some we loved the loveliest and Lellan, Mrs. Evelyn Rue, Mrs. Leilla

Have drunk their cup a round or two before. And one by one crept silently to rest.

Lion Gordon McLintock contributed the following beautiful sentiment with reference to those taken from us.

"They are not dead who live In hearts they leave behind; In those whom they have blessed They live a life again; And shall live through the years Eternal life, and grow

Each day more beautiful, As time declares their good, Forgets the rest, and proves Their Immortality".

Lion Harold McClure acted as tailtwister.

Guests were present from Hamilton: Lion Jack Hind, Billy Mann, Archie McDougall, Percy Higgs, James H. Chimningham; Mr. Joseph Gibbot! If Georgetown was also a guest and made some fitting remarks when called upon to speak.

The Monarchs introduced, and the P. Thompson.

as follows: Monarch Art Besumont-The first Monarch on our alphabetical list is Arthur Beaumont, a Charter Member and one of the founders of the Georgetown Lions Club. He is a Past President of the club, and a Lion whose services to the Club and Community are remembered with gratitude and sincere appreciation. The Musical introduction in this case is a historical reference to an oasis in Olen Williams, and has no application whatever to the habits or interests of Lion Art. Musical Introduction "There is a Tavern in was the only local bakery, and due to our town". Introduced by Lion Tom Elson.

Monarch Bill Bradley-The second Monarch on our honour list is Bill Bradley. A Lion's club may be compared to a Cathedral, which is supported from within by the Arches and lumns which symbolize the more tive members. There are however he buttresses which take the thrust I the building from without, without which supports the edifice would crumble and collapse. Bill has been a buttress to this club since its inception and whenever the storms and stress were the greatest, we all felt the support and kindly interest of Monarch Bill. The Musical introduction, is not a Classic, but is used for this introduction in deference to Bill's request for it at different times. Musical introduction: "Polly Wolly Doodle all the Day"

.Introduced by Lion Clarence Benham. Monarch Dave Brill-The third Monarch is Dave Brill. Charter Member Past President and one of the founders Dave has always exemplified the Lions Code of ethics, and has been "careful wh his criticism, and generous with praise". We have always felt his influence at the meetings, and put a high value on his sound business judgment, and his fine sense of fair play. Though a very busy man, he has diverted much energy into the work of the Club and has never defaulted when given a diffoult assignment. Musical Introduction: "We'll never let the old flag fall." Introduced by Lion Dick Licata.
