**TERRA COTTA**  
Mr. George Fuchering, and John Fuchering of Toronto, called on Terra Cotta friends last week.  
We are sorry to learn that Mr. James Mackie is quite ill at present. His many friends here hope soon to hear of his complete recovery.  
Mrs. F. C. Lyons has arrived from her trip to Alberta. Mr. George Lyons of Alberta, Mr. Fred Lyons brother, came back with her. George notes quite a few changes as it is a number of years since he visited here, and we are glad to see George's smiling face in our Hamlet once more. George looks as though the western climate agrees with him. Mrs. Lyons also looks fine after her western trip, but we regret to learn that her sister passed away very suddenly while she was out there with a heart attack. All kindly accept our tenderest sympathy.  
Reforestation seems to be the order of the day here this Spring. Mr. Norrie of the Mountain has set out a number of Walnut Trees and a number of other trees. Success to you will.  
Seeding operations are badly retarded in this section on account of the wet weather, but the pastures are doing well.  
Mr. J. Edge made a business trip to Toronto last week.  
Mrs. Petch of Toronto spent a few days with Terra Cotta friends.  
As we said before that real estate is still booming in Terra Cotta. The first transfer we have to report this week is that of Mr. Davidge of Toronto, who sold his cottage and a lot of his River View farm here, last week to a Toronto gentleman who expects to move out here shortly and expects to sell some more lots soon for cottages. The consideration we understood was \$1500. "Watch Terra Cotta grow."  
Why go to Muskoka Lakes to fish? The latest fish story is that Mr. A. Dufort, one of our local anglers, recently caught a speckled beauty, a brown trout in the River Credit here

**ASHGROVE**  
A large congregation attended the church service last Sunday morning when a Mother's Day Service was held. The theme of the service was "Home-Make a Nation". The story "A Christian Home and a New China" portrayed the home life of Generalissimo and Madame Chiang Kai-shek and the inspiration of these two great leaders. Viola Bridgen, Doris Brownridge, Jessie and Mae Wingfield presented "An act of appreciation—Mothers of Canada". A beautiful vocal solo was given by Joy Ruddell and a girls' quartette, Viola Bridgen, Doris Brownridge, Betty and Joy Ruddell sang very acceptably. The sacrament of baptism was administered at this service to Catherine Margaret, infant daughter of L.A.C. John Hunter and Mrs. Hunter. The baby wore her grandmother's christening robe, which is fifty years old. Relatives of the family who were present for this service included Mrs. Horn and Mrs. Adamson of Streetsville, Mr. and Mrs. Chas. Dick, Cleveland, Ohio, Mr. and Mrs. Geo. Kennedy, Hornby, Mr. and Mrs. Kenneth Hunter, Georgetown and Mrs. Westfall of Brampton. Mrs. John Dick and Mrs. Feller Cameron of Thamesville were recent visitors at the home of Mr. and Mrs. C. B. Dick.

**MILTON**  
The Princess Theatre was filled to capacity last Thursday evening, the occasion being a Victory Loan Rally staged by the Teachers and Scholars of Milton Public School. A program of short plays, songs and choruses was rendered in a manner which was a credit to the young performers.  
Pte. Hugh Erwin Gastle, R.C.A.M.C. son of Mr. and Mrs. Geo. Gastle of Lowville, has passed his final degree of Doctor of Medicine and Master of Surgery at Convocation Hall, Queen's University, Kingston, on Thursday, May 4th.

**HORNBY**  
Mother's Day services were well attended last Sunday. Large congregations were present in the three United Churches on the Hornby charge. Seven children were presented for baptism, one at Ashgrove, three at Bethel and three at Hornby.  
Next Sunday evening at 8 o'clock a special Young People's Service will be held in Hornby United Church.  
Young People from the three congregations on the charge will take part in the service. The Minister's sermon subject will be "The Importance of Little Things in Character Building". A cordial invitation is extended to all to attend.  
Now we know Spring is surely here. Not only have all the migratory birds returned from the sunny South, but last of all we are pleased to welcome back Mr. John King who has spent the last four months in the home of his son, Dr. Leslie King of Galt. Mr. King seems to have wintered well.  
About five years ago the dangerous corner at the junction of the base line and the seventh concession of Trafalgar was rounded off and paved. This made motoring on this busy county road more safe, but it left a triangular piece of ground to grow up with grass and weeds which made it very unsightly.  
This Spring the Hornby Women's Institute decided to do something to improve this condition. They have arranged to have this strip of land plowed up and cultivated. In the autumn grass seed will be sown, and next Spring several trees and shrubs will be set out. We heartily commend the Institute for this fine piece of community improvement.  
Hornby Public School is sponsoring a salvage collection to be made on May 25th. Anyone having something to contribute is asked to take it to the school on or before that date.  
measuring 17 inches in length and it tipped the scales at one pound and a half.  
Mrs. K. Ican reports doing a rushing trade in her ice cream parlor at present.  
The Sunday School services have been changed to 10:30 instead of 2:30 p.m. A good attendance is hoped for.  
Mr. and Mrs. J. L. Craine of Toronto, called on Terra Cotta friends for the week end.  
Mr. and Mrs. George Edge also of Toronto called on Terra Cotta friends last week.  
Mrs. R. Fuchering of Toronto spent the week end at her old home here. The summer tourists are flocking here from Toronto all the cottages have been leased and many more are in demand. Terra Cotta is sure getting to be the tourist paradise.

**GEORGETOWN GETS PUBLICITY IN AMERICAN MAGAZINE**

The Town of Georgetown, and K. C. McMillan in particular, got considerable publicity in a recent American publication through Mr. McMillan's interest in horses.  
Mr. McMillan has been a subscriber to "The Saddle and Bridle" for some time and corresponds regularly with one of its editors, Bill Thompson. The magazine has a wide circulation in Canada, England, Mexico and the U.S.A., and is published in St. Louis. Mr. Thompson is now on active service in New Guinea with the U. S. Army, and Ken had forwarded a snap of himself and horse and buggy which was taken at Milton Park last fall, to him there, and he was more than surprised when opening his May copy of the magazine to find the picture with a short write-up. The picture had gone to New Guinea and back to St. Louis. The Canadian page also carried a story regarding the Ontario Hackney Club and mentioned a number of the well-known horse owners.  
Looks as though Ken was one step ahead of the Board of Trade in publicizing Georgetown.

**MOTHER'S DAY SERVICES AT THE UNITED CHURCH**

At ten o'clock on Sunday morning, parents of the Sunday School scholars gathered to take part in the Special Mother's Day Service. The theme of service was "Home-Make a Nation".  
A Mother's Day story was related by Miss Mable Campbell on the Christian lives of Generalissimo and Madame Chiang Kai-shek; Mr. Norman Burns gave the lesson, and the newly-organized Sunday School Orchestra, assisted in the program. Superintendent Howard C. Wrigglesworth welcomed the parents to this service.  
At the morning Church Service, Rev. R. C. Todd delivered a Mother's Day Sermon to a large congregation. The Sacrament of Baptism was also administered, when Doris Irene Pickett, daughter of Mr. and Mrs. C. V. Pickett, and Sharon Ann, daughter of Pte. and Mrs. Horace Blyth, were christened.
