

Georgetown Board of Trade News Letter

Georgetown and vicinity comprises a magnificent scenic region. We have only to consider the natural beauties of Glen Williams, Terra Cotta, Norval, Stewarttown, Limehouse and the farms of Esqueping to realize that nature has lavishly favoured this community.

The Board of Trade are interested in any activity which creates community spirit and civic pride and at this time are presenting, to the community, over 200 colorful ornamental trees. Double Flowering Red Leaf Plum (*Prunus Bliriciana*).

A number of sites have been chosen for displays of blossom on Highways and Streets and the Board of Trade are asking citizens to phone their suggestions and requests for trees to A. R. Speight or W. E. Nodwell, by Saturday noon May 20th, when the trees will be allocated.

At this season nature is making its greatest effort to cover up any unsightly spots and the more we assist nature in this work the more favourably known does our community become to prospective citizens and business men who may come here from other parts of Canada and abroad.

Arrangements are being made for the delivery of the trees and directions for planting are as follows.

When planting, make the hole large enough for all roots to spread their full natural way. In digging the hole, place the rich surface soil to one side and use it directly on the roots, tramping each shovelful of soil firmly, with the full weight of your body. If soil is not moist when planting, put in some water after the first few shovelfuls of earth, and when finished see that the soil on the surface is kept thoroughly cultivated, leaving a slight depression around plant or tree to catch and direct moisture to its roots. NEVER put barnyard manure directly on the roots. It will kill the plant. You may, however, spread some about the surface after planting is complete. Planting should be just slightly deeper than it was in the Nursery.

Let us keep the trees alive until we are rewarded with the bloom which will be a matter of satisfaction and civic pride to each of us.

We can be proud of Georgetown and vicinity.

JOHNSON-HILTS WEDDING IN ACTON

A marriage was solemnized at the Presbyterian Manse in Acton, when Jessie Josephine, daughter of Mr. and Mrs. Henry Hiltz was united in marriage to Tpr. George Anson Johnson, eldest son of Mr. and Mrs. Robert Anson Johnson of Acton, on Thursday, May 11th. Rev. R. Forbes Thompson officiated.

The bride was attired in a heaven blue afternoon dress with beige accessories. Her only attendant was Miss Betty Middleton of Georgetown who wore a lime green afternoon dress with brown accessories. The groomsmen was Mr. John Wagstaff of Glen Williams.

The reception was held afterwards at the home of Mr. and Mrs. R. A. Anson, Acton. The bride's mother received, assisted by the groom's mother. After a short honeymoon-trip, the couple returned to St. John N. B., where the groom is stationed with the Army.

GEORGETOWN LIONS CLUB
CELEBRATE MONARCH NIGHT

(Continued from Page One)

welfare of the community, and among his many efforts in that connection is largely responsible for the formation of the School Safety Patrol. Like many others of the club, he has done yeoman service on all the War Drives and has been a front rank worker in all Lion community movements. Having from Prince Edward Island, he has travelled the seven seas before settling in Georgetown, in which he showed his characteristic good judgment, and where his friends are legion, and his efficient services fully appreciated. Musically introduced by "My Wild Irish Rose", introduced by Lion D. Licata.

Monarch Howard Kentner—Howard is also a charter member and one of the founders of the Club. On Committee work his services and counsel have been invaluable and his material assistance in the form of lumber and free transportation as well as the use of trucks, has saved the club many dollars as well as many headaches. However, Howard's support of the club has been more than material, and his deep interest in child welfare and the underprivileged have ever been his lodestar during his long and useful service as well as a source of inspiration to all members of the Club. Musically introduced by "My Darling Clementine", introduced by Lion Ab. Tost.

Monarch Harold McClure—Lion Harold has been active in all departments of Lionism, and has been a Past President and a Deputy District Governor. He is a Charter Member and one of the founders of the Club. He is the first Key Member in the Georgetown branch. When war broke out, his Lionism was of necessity subordinated to his services in the Reserve Army, but in spite of the multifarious duties of commanding a Company in the Lorne Scots, his attention and interest in the below par. His presence at meetings either in uniform or not, has always

added colour and lustre to our gatherings. Lion Harold has given a great deal of time and attention to the Lion's work among young boys, and particularly to the Child Welfare Branch. Musical Introduction by: "Tramp, Tramp, the boys are marching", introduced by Lion Walter Carpenter.

Monarch Gordon McLintock—The subject of this introduction, Gordon McLintock is also one of the founders, a charter member, a Past President, and a past Secretary. Probably no member of the club has had a greater influence, for he is a close student of the Ideals of Lionism and he has translated those Ideals into the service of the club and the community, which he has loyally served. In all matters pertaining to the administration of the business of the Club he has been the Court of Last Resort, and in all movements for Civic Improvement and Child Welfare he has been a standard bearer, and ever on the lookout for new fields of service. Musical Introduction: "The Blue Bells of Scotland", introduced by Lion Col. Jim Ballantine.

Monarch Ed. McWhirter—In the Lions' platform, there are many planks and of these perhaps the most important is Child Welfare, and the care of the underprivileged. Although Lion Ed. has served on many Committees, and has sponsored many causes, including Juvenile Hockey and the Boys' Band, his name in this Club and in the Community itself is more closely associated with Child Welfare. He has been connected with this work since the Club was first organized fourteen years ago. He is one of the founders of the Club, a Past President, and a Charter Member. He will also be remembered for his part in the purchase of the lot on Hill Street. In all these connections, Lion Ed's service to the Club and the Community will be remembered with deep satisfaction and appreciation. Musical Introduction: "Edwards of New York", introduced by Lion Chas. Goehrane.

Another highlight of the evening was the presentation of 100 per cent attendance buttons by Lion G. W. McLintock to Lion President Ralph Ross and Lion Secretary Walter Carpenter.
