TERRA COTTA

We wish to make a correction to an item appearing in the Terra Cotta news last week stating that on Sunday, June 24th Anniversary Services would be held in the Church. Instead Anniversary Services will be held Sunday, June 4th at 10.30 and 7 p.m. Rev. Lorne Honderick, Toronto, director of Bible Truth Crusade for children will be the guest speaker. Miss Pearl Kennedy, of Georgetown is in charge of the school.

We are sorry to learn of the sudden passing of the late James Marchment, in Christie Street Hospital, Toronto, on Friday, May 28th, at the age of 58 years. Deceased had been in poor health for some time and had been a highly respected resident of this place for some years and we all join in extending our sincerest sympathy to the bereaved friends and family in the sad loss of a kind and loving father.

Mr. Vanderfleet of Toronto has purchased Mr. Davidge's house and 2 acres of land. We kindly welcome Mr. and Mrs. Vanderfleet and family to our midst. It might also be interesting to know that Mr. Vanderfleet is an artist and draws pictures for the Star Weekly. He also informs us that he intends giving us some scenes of Terra Cotta in the Star Weekly. He also proposes erecting an up-to-date studio in connection with his artistic work here. We wish him continued success.

We understand that we are going to have a building boom in Terra Cotta this summer then watch Terra Cotta grow.

Mr. Jas. Mackie who went to Christie Street Hospital recently we are pleased to learn had a very successful operation and his many friends here hope that he will soon be able to return home much improved in health.

Mrs. H. Puckering and family of Toronto, spent the week end with Mr. and Mrs. O. Loan and family.

Armstrong Bros. of Brampton have a large gang of men with trucks grading the 2nd line and as we said before that all good roads still lead to Terra Cotta.

A number from here attended the Anniversary Services at Union last Sunday.

Quite a number of tourists are arriving here from Toronto and nearby all the available space will be taken.

We are pleased to note that Georgetown's Board of Trade are getting some good industries. How about Terra Cotta getting some. We have some good locations here so let's boost Terra Cotta.

Our quiet little village we are sorry to report was visited recently by "muggers". Some person or persons broke into the residence of the late James McLeod one evening and stole a radio and left two empty beer bottles on the table in exchange for this booty. We understand that the Provincial Police are on the trail and we hope that the guilty parties will be brought to justice.

Mr. B. Messenger of Port Credit was a pleasant caller here last Sunday. We understand that Mr. Messenger expects to return to his old home here in the near future. We wish him every success in his new venture.

O.G.I.T. MOTHERS AND DAUGHTERS BANQUET

The year's work of the Georgetown Group of the Canadian Girls in Training was climaxed last week when the girls entertained their mothers at their annual Mother's and Daughter's Banquet. This was held in the school room of the United Church.

About forty guests and girls enjoyed a delicious meal served at beautifully decorated tables. The banquet was both prepared and served by the girls under the capable supervision of the Assistant Group Leaders, Miss Frances Deans and Miss Marjorie Evans.

Following the banquet the usual toasts were proposed with Miss Margaret Evans, Group Leader, acting as toastmaster. After the King was toasted in the usual manner, June Clark, Group President, proposed the toast to the Church. This was responded to by Mrs. R. C. Todd. Nan Brown then proposed a toast to the Mothers, to which Mrs. H. Clark replied. The toast to the Canadian Girls in Training was proposed by Mrs. W. T. Evans and the girls replied to it by repeating their "Purpose" in unison.

The girls entertained their mothers with a brief programme. They depicted a typical camp fire scene which included songs games and skits. The main feature was a little three act play entitled "The Awakening Church".

The evening was closed in the regular O.G.I.T. manner when mothers and daughters linked arms and sang "Taps".
