## Regular Meeting of Lions Club

The Georgetown Lions Club held their regular meeting in the McMillan House on Monday evening, Lion Chief Ross, presiding.

Following the toast to the King, Lion G. W. McMillan, invested the newly-elected executive in their respective offices, which was followed by each member expressing themselves in a few brief remarks.

The appreciation of the Club for the efforts of the retiring president, and the efficient way in which he has carried on the business of the Club, was extended by Lion G. McMillan.

The Lions went on record as being prepared to give the Public Health Nurse what assistance might be required in supplying, glasses, dental work, etc., to children who might not otherwise be able to take care of these necessities.

Lion Ballantine asked that the Club might be prepared to compile a booklet in which could be placed biographies of both past and present members. This was held over till another meeting.

The Secretary was instructed to write a letter of sympathy to Lion John D. Kelly and family, expressing the Club's regret in the word received that their son has been listed as missing, and the hope that they may yet receive news of his safety.

It was decided to get an estimate on the levelling of the Lions' lot on Water Street, on which some day they hope to provide a park.

Much discussion took place over a meeting place for the Boy Scouts, and as opinions varied the matter was left over for further discussion.

Newly elected Lion Chief LeRoy Dale will take over his duties at the July meeting of the Club.

## STEWARTTOWN

The St. John's W. A. packed their bale to send to Mission last week, 4 new Quilts, 5 Mothers Bags and a quantity of good used clothing. The new articles were valued at \$25.00. A new quilt was sent to the Grenfell Mission bale to be packed in Georgetown. The Junior W. A. also packed their parcel which contained complete baby outfits, 3 children's cot quilts, some

used children's clothing 12 scrap books and some Sunday School lesson books. New articles valued at \$12.00. Both meetings were held at Mrs. Bally's.

The W. I. met Tuesday evening in the Council Chamber, Mrs. Murray presiding. After the opening Ode the Hymn "O God our help in ages past" was sung followed by the W. I. prayer. During the business session it was decided to send cigarettes to the local boys overseas.

Mr. W. F. Lawson of the Bank of Montreal, Windsor, paid a surprise visit to his mother, Mrs. Lawson and the family last Sunday afternoon.

There was no service at St. John's Church Sunday afternoon. Mr. Colebrook was sick and could not obtain a substitute.

Sgt. Major J. C. Murray is on furlough at his home for a couple of weeks.

Following the invasion of Europe, the Service of Intercession that was to have been held a week ago was held Sunday afternoon in St. John's Church.

The Bishop of Niagara is coming to St. Stephen's, Hornby, the first Sunday in July in the morning, consequently the Communion Service at Stewarttown will be held in the afternoon of that day instead of the usual 9.30 a.m.

The W. A. meeting was held at Mrs. John Bird's home last week.

A piano recital was held last Saturday afternoon at Mrs. Bally's home. Parents and friends were present to enjoy the numbers played by the young people. Those taking part were Eleanor and Evalonne Smith; Marjorie and Phyllis Murray; Donald Lawson, Viola Bridgen, Marjory Bailey and Christine Dickenson. Eleanor, Evalonne, Viola and Marjory Bailey favored with vocal solos and several of the class demonstrated their technical work.

Letters have been received recently from A. W. Frances Jenkinson, R.C.A.P., stationed at Newfoundland. She mentions two or three things she had seen in the Georgetown Herald.

## CARD OF THANKS

The Navy League of Canada, Georgetown branch, wishes to thank all those who offered their services, who made donations, who offered their homes and who generally assisted the local executive at the Navy League Tea and Garden Party on Saturday, June the seventeenth.

## Active Service Notes

In one of his letters home, Tpr. Fred Harrison wrote that he had been very pleased to receive a gift of cigarettes from the Soldiers' Comforts Fund. It so happened that at the time he received them, he was in action with an Indian troop, and as these poor fellows hadn't been able to get decent smokes, he divided up his gift with them. He told of their amazement when they learned that people back home had sent them to him. Tpr. Harrison has had many thrilling experiences while with the Indian troops, and not the least of these was the time they had to cross the Rapido river at night.

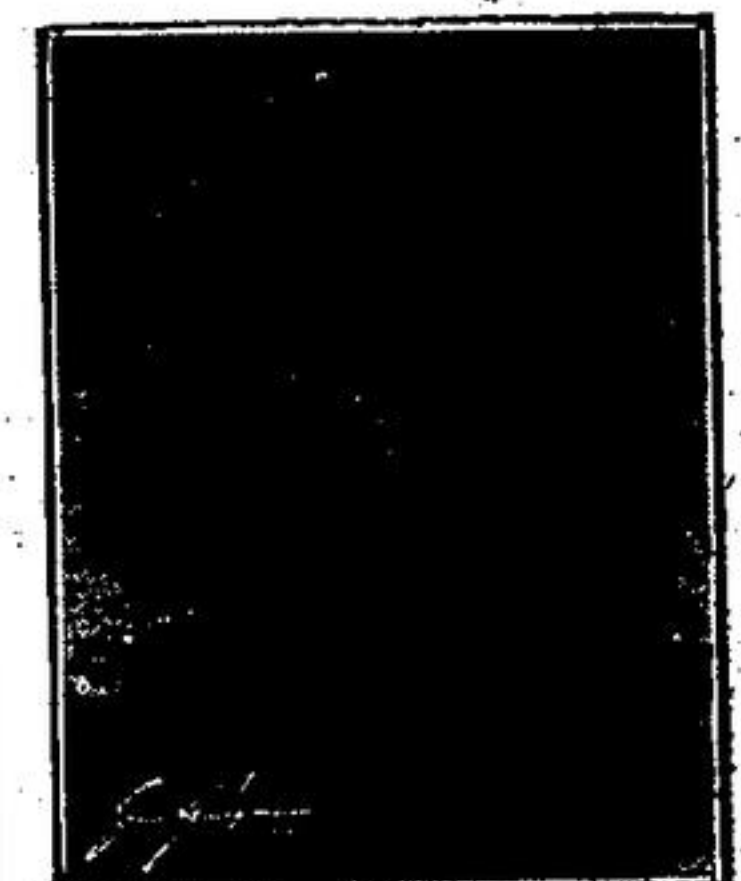

Sgt. Noel Hearder, son of Mrs. A. Hearder, R. R. 3, Orangeville, and who is well known in the Georgetown-Glen Williams district, graduated recently from Fingal as a flight engineer. Sgt. Hearder was with the Canadian Army for two years and while in England transferred to the R.C.A.F. He returned to Canada in August last year for air crew training.

## HORNBY

Several Hornby people motored to Millon on Sunday morning last to attend service in St. Paul's United Church. They heard an inspiring sermon by Squadron Leader Rev. Gordon W. Porter, R.C.A.F., who has recently returned home from England where he served for two and a half years as a District Chaplain in Great Britain. The church was filled to capacity in spite of the heavy storm.

Last Sunday will be remembered as a day of unusually heavy rain and thunder storms in this locality, one coming between ten and eleven o'clock in the morning, and the other about nine-thirty at night. This latter was by far the heavier and lasted for hours. The heavy rain flattened some of the hay and fall wheat crops, but did no further damage. The hydro service was disrupted for a considerable length of time, but so far we have heard of no buildings having been struck by lightning.

In the Bethel United Church last Sunday during the morning service an honor roll containing the names of those belonging to Bethel and community who are in the various war services was unveiled. Mr. John F.

## CAPTURED

Cupid brought this lovely lady to Canada and the Canadian airwaves. Until recently Ada Warren's voice and personal beauty shone for night club habitués and opera lovers in New York. Now, married to a Canadian and making her home in Montreal, the young star is heard Mondays, at 7.30 p.m. E.D.T. Her audience is nationwide and at least two nations deep.

Ford assisted the minister in the service.

By far the oldest member of Bethel Church, Mrs. David Festherstone of Onagh, passed away at her home on Saturday last. She was in her 98th year, and had been a life-long resident of Trafalgar Township. The funeral service was held in Bethel Church on Tuesday afternoon at 3 o'clock. Four sons and one daughter survive to mourn the loss of their dear mother.
