

## Summer Sun Can Bring New Beauty

With the proper care, you can find new beauty in the summer sun. A carefully acquired tan brings a healthy glow and clears up minor skin blemishes. But for safety, always use a lotion or cream with every exposure. We'll be glad to recommend an effective brand that will give you a safe and lovely tan. You'll also need cooling colognes, leg make-up, flattering sun-tan make-up, and deodorants. Let us help you with your hot weather beauty problems.
