The Second Quebec Conference is over. The UNRA Conference is now sitting and a Canadian has been chosen as its head. During the present war Canada as a nation has grown in prestige to proportions never before achieved. Not a small amount of our war organization planning has been copied by other nations.

Under our war leader MacKenzie King, Canada has achieved a feat of which every Canadian should be proud. We have built and maintained a Navy which is admired and respected abroad, though much criticized by some at home. We have trained and equipped an Airforce which is not excelled by any other nation of our size and Canada's army in both Italy and France has been assigned to some of the most difficult tasks. In addition to our own armed forces Canada is giving in Mutual Aid, 1000 million dollars worth annually of food and war equipment, planes, tanks, guns, ships, etc.

Notwithstanding the fact that we are fighting the costliest of wars, and that every dollar of the cost of our war effort is being financed in Canada everyone is enjoying a decent standard of living and no one is wanting.

The proof of LEADERSHIP is results, and not what a partisan, vote seeking, Opposition press prints on the eve of an election.

Our district was well represented at Georgetown Fair last Saturday. Visitors with Mr. and Mrs. E. L. Miller during the week end included: Mr. and Mrs. Hosker and Barbara, LAC and Mrs. Gordon Duke and Sylvia of Galt, and Mr. Brock Miller, of Swastika.

BALLINAFAD

A large crowd gathered in the hall Thursday evening and presented Mrs. Adamson, a recent bride, with a miscellaneous shower. Rev. A. O. W. Foreman occupied the chair and a short program, consisting of solos and recitations was enjoyed by all. The community was shocked to learn of the sudden passing of Wm. Gray. Much sympathy is extended to the bereaved wife and family.

The W. A. held an open meeting Tuesday afternoon at the home of Mrs. D. McLean. Considerable business was transacted and a short program enjoyed by all. The Roll call was answered by a joke or riddle and this created much hilarity after which a social time was enjoyed and a Red Cross tea served by the committee in charge.

Mrs. Peter Cole is spending some time in Toronto with the Glendenning girls in their bereavement.

Acton, Mr. and Mrs. Howard McArthur and Mabel, of Erin; Mr. and Mrs. Harvey Peavoy, Evelyn and Gordon, of Coningsby, and a number from here were Sunday visitors at the home of Mr. and Mrs. Arthur Griffin.

Norton led in "prayer in war time," and Mrs. Gladys read a synopsis from the study book, "Our India Story." Mrs. J. R. Scott, supply secretary, had the articles for the bazaar on display. The secretary was asked to invite Mrs. Edgar Robertson to speak at the October "Thank-offering" meeting. The hostess served a dainty lunch at the close.
