Hello Homemakers! Skip Thanksgiving? Surely not now, when it takes on new significance as a symbol of all we are fighting to preserve. Make it a festive occasion; but celebrate it, too, as a patriotic rite preserving the ideals of freedom and democracy.

Invite a boy or girl in uniform so they may carry away cherished memories of a happy Thanksgiving at your home.

ROAST TURKEY

Use uncovered roast pan. Add no water. Put butter wrapping paper over the breast of the fowl. Use a preheated electric oven at 300 deg. Allow 30 minutes per pound for 8 to 10 pound turkey. Allow 20 minutes per pound for 10 to 15 pound one; 18 minutes per pound for 15 to 18 pound.

SPECIAL FOWL STUFFING

4 cups diced celery, 2 cups water, 1/2 cup diced onion, 1/2 cup butter, 1/2 cup baking fat, 4 qts. soft bread crumbs, 6 tsp. sage leaves, 1 tsp. salt, 1 tsp. pepper, 1/2 cup chopped peanuts.

Simmer celery in water until tender. Cook onion in fat. Mix ingredients together, along with celery liquid.

GOLDEN PUMPKIN PIE

1 (9") unbaked pie shell, 1 1/2 cups cooked pumpkin, 1/2 cup gra-

nulated sugar, 2 tsp. flour, 1 tsp. cinnamon, 1/4 tsp. nutmeg, 1/4 tsp. ginger, 1/2 tsp. salt, 1/4 cup corn syrup, 1 1/2 cup milk, 2 eggs, beaten.

Heat strained pumpkin in a saucepan over medium heat for 10 minutes, stirring frequently. Meanwhile, combine sugar, flour, spices, and salt. Stir in heated pumpkin and remaining ingredients; then beat with egg beater until smooth. Pour into pie shell, and bake in electric oven of 425 deg. for 40 minutes or until a knife inserted comes out clean.

Note 1: Three pounds raw pumpkin yields about three cups cooked, mashed pumpkin.

Note 2: You may substitute 1 1/2 tsp. mixed cake spice for cinnamon, nutmeg, and ginger in this recipe. Or 1 1/2 tsp. allspice may be substituted for cinnamon and nutmeg.

VARIATIONS:

Orange Pumpkin Pie
Substitute 1/2 cup orange juice for 1/2 cup of milk in the Golden Pumpkin Pie. Add 1 tsp. grated orange rind.

Applesauce Pumpkin Pie
Make Golden Pumpkin Pie. Just before serving, spread with 1/2 cup warm applesauce.

Squash Pie
Make Golden Pumpkin Pie, substituting cooked squash for pumpkin.

ACTON

The 1944 Acton Fair is over and another success can be marked up in its history. Working under wartime handicaps the Fair in some respects made few records. The attendance on Saturday afternoon was the largest on record for the second day.

Acton relatives have received word that Pte. Harry Rigby, Jr., aged 26, of Guelph, native of Acton, was wounded in action on September 8th. He suffered severe burns about the arms and hands as well as shock.

Mr. Anderson gave to Council an idea of the plant necessary for treating sewage and illustrated construction of other plants. It was estimated that a treatment plant for a population of 2600 would cost \$20,000.

Sunday, Sept. 24, marked the 102nd Anniversary of the Baptist Church. Blessed with perfect fall weather, the day was in every way a success, and was one of praise and thanksgiving.

A very enjoyable evening was spent at the home of Mr. and Mrs. Howard Switzer on Thursday evening, Sept. 14th, when the Acton Junior Farmers held a corn and water roast. Free Press.

Peel Ave., Brampton.

Mr. Frank McMillan, Erin, passed away on Sunday in the General Hospital, Guelph. A son of the late John McMillan, he was born and raised in Erin township and lived for many years in Erin village, engaged in the carpentry trade. He was very well and favorably known to a large number.

Officers installed in the Lions Club were: President, F. W. Richardson; first vice-president, Arthur Morrison; second vice-president, Fred McBride; third vice-president, Gordon Vivian; secretary, Cecil Caracadden; treasurer, E. L. Vokes; lion tamer, Ed. Capps; tall twister, Ed. Suddaby; editor, Earl Sanborn.

For a third time thieves, believed to be familiar with Malton district, forced an entrance into W. J. Abell's drug and novelty store at Malton. The first two break-ins met with very little success as the installed-burglary alarm frightened the thieves. But early Monday morning they forced an entrance by breaking the glass of the front door. They looted the fountain pen case, taking every article in it, and also gathered up a number of watches and cigarettes.—Gazette

BRAMPTON

An eleven-year-old girl was killed and four of seven people were injured, when the car in which they were riding crashed into a Hydro pole, a half mile west of Clarkson on the Queen Elizabeth Highway Sunday afternoon.

Lieutenant Donald Stewart, courageous and popular young Brampton boy, was killed in action in French fighting on Sunday, September 17, according to word received by his parents, Major and Mrs. M. L. Stewart,

CARD OF THANKS

The Members of the St. John Ambulance Brigade, Georgetown, No. 97, wish to express their very sincere appreciation of the gift of a tent and table for their work in public service. All join in many thanks to all those gentlemen who donated the above. (Signed)—Dr. C. V. Williams, Div. Surgeon; L. Blanche Grieve, Div. Supt.

MILTON

Word was received on Friday by his parents, Mr. and Mrs. D. T. Galloway, that Pilot Officer Ken Galloway is now a prisoner-of-war in Germany. On July 31st word was received that he was missing. P.O. Galloway was a year ago reported missing over Burma and walked back through enemy territory and made his way back to his own lines. He was later granted leave of absence and spent Christmas at home in Milton.

After a conference with Mr. Davies, Inspector of the Agricultural Dept. of High Schools, the Milton High School Board decided to extend the study of agriculture as planned by the Department of Education. This work will be taken by Mr. Cecil Wood who is a specialist in agriculture and has also practical experience in farming.

The first Milton boy to join the RCAF and the first to go overseas, Flt.-Sgt. Duncan McArthur arrived home on September 10th.

Once again war's casualties have come to a Milton home when Mrs. Lorne Black (the former Evelyn White) received word that her husband, Corp. Lorne Black had been killed in action on September 14th. He was twenty-seven years of age.

It's still spring in the Scotch Block, a peony was found blooming in the garden of Gordon Hume, 3rd Line, Esquesing.—Champion.

ONLY PLACE

Just as the train began to move a very stout gentleman scrambled into a carriage and sat down, breathing hard.

A small boy, perched opposite, gazed at him as if fascinated. After a bit this annoyed the plump party, so he snapped angrily:

"What are you staring at me for?"

"Please sir" said the boy apologetically, "there's nowhere else to look."

Dependable Protection

**Announcement
of change in
Spirits Ration**

EFFECTIVE OCTOBER 2nd, 1944

COMMENCING October 2nd, 1944, and until further notice, every individual permit holder will be permitted to purchase monthly one bottle of spirits (25 or 26 ounces) or two half bottles as available.

As a result of the restrictions imposed by the Dominion Government under the Wartime Alcoholic Beverages Order P.C.11374, it was necessary to reduce the monthly ration of spirits to 13 ounces to assure adequate supplies of spirits until the end of the year. In increasing the ration it should be explained to the public that unless the restrictions imposed by the Dominion Government are removed a similar restriction will be necessary again next year, although the Board, except for the Dominion Restriction, would be able to make available for distribution stocks of spirits in excess of the present ration.

In any event, however, the ration becoming effective on October 2nd can be maintained throughout the winter months, so it is hoped that the public will co-operate by not buying in excess of actual requirements.
