Smith & Stone Employees Held Social Evening

About 250 employees of Smith & Stone, Ltd. and their friends held an enjoyable social evening in the Legion Hall last Friday.

The first part of the evening was in the form of an entertainment. Mr. Harry Hale acted as a very capable master-of-ceremonies. It opened with a few selections by the Rhythm Rubes, followed by some community singing, and the following entertainers: Helen Meredith, Len Vary, Harvey Dewhurst, Jimmy Valentine, Harry Hale and Andy Dewhurst.

At the conclusion of the entertainment, a delicious lunch was served, and the remainder of the evening was spent in dancing with Joe Scott as floor manager, and the Rhythm Rubes supplying the music. The evening drew to a close with God Save the King.

Many thanks are due to all the entertainers who were responsible for the success of the evening. The joint entertainment committee hope that more of these social get-togethers will soon follow.

OPL. G. HARLEY AND PTE. G. JAMES ARRIVED IN TORONTO LAST WEDNESDAY

Two wounded Georgetown soldiers returned to Canada and were reunited with their families last Wednesday morning at the Union Station, Toronto. Opl. Gordon Harley, who sustained a broken leg in a motorcycle accident in England, and Pte. Gordon James, who received head injuries while serving in Italy, were the men aboard the troop train.

The welcoming party in Toronto included Mr. and Mrs. Dean Harley, Mrs. Ray Harley, Mr. and Mrs. Art Scott and Mrs. Emily James. Opl. Harley was not able to return to his home here for awhile, but is at Chorley Military Hospital, Toronto.

His parents report that Gordon looks fine and is very cheerful, after a fine passage. They were treated to the best of everything on the train, and after three and a half years in England, the food really was appreciated. Opl. Harley was in charge of a motorcycle depot in England. He has a very high opinion of the English people and the way in which they often surprised themselves to make our boys comfortable and happy. Gord saw and heard plenty of buzz bombs. There's one sight in particular he'll never forget, however, and that was on D Day when wave after wave of Allied aircraft passing over to France, hid the sun, and darkened the sky as if before a

storm. Gord said he'd never have believed there were so many planes in the world.

It is expected that Opl. Harley will be in Chorley Park Hospital for a couple of months. He has three brothers in the army, Ray at Camp Borden, Bruce in Italy, and Brock in France.

Pte. Gordon James is feeling fairly well, except for his ear injuries, which he received in action in Italy on Apr. 3rd of this year. He has been overseas since June, 1943; and will be home on a 30-day leave before reporting to M.D. 2, when he will undergo an ear operation. While in Italy, he saw Chuck Laws, Frank Lorusso and Johnnie Graham. Gord was wounded just before the drive on Cassino. He was in hospital from April to June in Italy and then evacuated to England where he was in hospital for another three months.

Thrift... IS PRACTICAL PATRIOTISM

How many ways can you save
... to LEND TO CANADA?

In the homes, all over Canada, loyal, patriotic women are discovering new ways to economize... new ways to save money to lend to their country. A little saved here and a little saved there provides money to lend to Canada to help pay for the war. Small sums from millions of Canadians mount to billions when totalled up.

The amount that you may lend to your country may seem a small sum to you, but pennies make dimes and dimes make dollars, and Canada needs every single dollar that every Canadian can save and lend. Canada's need for borrowing is greater now than ever before. Every Canadian must lend, and lend more than before.

Money you save and invest in Victory Bonds will benefit you in a personal way, too. You will have cash, when the war is over, to buy things you want for your home... things you are doing without now... cash to pay on a new home... to pay on a new car.

LOCAL LAWN BOWLERS HOSTS TO STREETSVILLE AND BRAMPTON ON SEPTEMBER 21st

It was Georgetown's turn to hold the Mixed Rinks Jitney with the ladies and men from Brampton and Streetsville competing, as well as members of the local club. In all, 58 players were on the green for the evening, renewing acquaintances and vying their skill. Everyone also enjoyed the excellent lunch provided by the local ladies.

Competition in the play was keen and in the Ladies' Section three were tied for first place. After the draw off, prizes were distributed as follows: Ladies—1st, Mrs. Rundle, Streetsville; 2nd, Mrs. Jack Arnold, Georgetown; 3rd, Mrs. T. B. Jones, Streetsville; 4th, Miss Bunt, Streetsville.
