-but TRUE
SOFT WATER IS NATURE'S WAY

Clear, clean, pure softened water makes household duties so much easier. Your post-war dreams will come true when you buy VICTORY BONDS to purchase a

DURO WATER SOFTENER

which will bring you all these conveniences—

LAUNDRY—Prolongs the life of washable goods 30%—saves 1/2 on soap—prevents formation of soapy curds which cause fabrics to break when ironed. Linens, blankets, lingerie and silk stockings retain the natural appearance—washed cleaner and softer. Less effort on your part on wash days.

KITCHEN—Cooks faster, retains natural flavors, saving time and work. Prevents greasy film on dishes and cooking utensils—retards lime deposit in tea kettles, etc.

BATHROOM—Clean, pure, soft water handy when needed for shampooing and personal bathing. Prevents redness and chapping—your skin always smooth and soft—healthier complexions. Soft water gives you a fresh, glad-to-be-alive feeling.

The Duro Factory is busy on war production today—but will be manufacturing DURO WATER SOFTENERS for the country's peacetime needs. Buy Victory Bonds today.
