Many Activities at Public School as Fall Term Under Way

After lunch, the Clergy met at the rectory, with the Bishop present, Rev. S. A. Kirk, Rural Dean, presided, for the discussion of matters pertaining to the Deanery.

At 2 o'clock the women held their session in the Sunday School room. Mrs. Wray, of Hamilton, Diocesan President, was in the chair. Reports were read from all branches, showing splendid progress in the year's work. Mrs. Baxter, Hamilton, gave an excellent report of the war work being done by the W.A. in that city, such as packing soldiers' boxes, etc. The Diocesan Treasurer, Mrs. Alliston, of Hamilton, gave her report, which also proved very satisfactory.

Mrs. Andrews, returned missionary from China on furlough, gave a splendid talk on missionary work in China. She described the appalling conditions people are living in, over there. She said that although missionaries have been sent back to their own lands the Christian Chinese are carrying on the work of the ministry in their absence.

Junior Red Cross Organized - Field Day Held Recently - Salvage and Milkweed Collection Good.

The Fall term of the Public School has been full of activity. The work of the Junior Red Cross is well under way, and the following executive has been chosen: President, Pauline Herrington; vice-pres., George Rogers; secretary, Joan Buck; treasurer, Patsy Gavine; circulation manager, William Muir. During September the members of the Junior Red Cross made a real contribution towards the milkweed collection drive sponsored by our government. A grand total of 88 bags of pods is now being cured and will later be used in the manufacture of life-saving jackets.

The treasury of the Society has been swelled considerably by the sale of over three tons of newsprint and sixty dozen baskets. The cooperation which the people of the town have given the children in this work is appreciated.

At the present time there is a drive on in the school for a magazine collection for the Navy League and citizens are asked to have their magazines ready for the children when they call.

Exhibit at Fall Fair

The contribution of the pupils of the Public School made toward the local fall fair with their displays of art, writing and drawing—to say nothing of the Victory Garden displays—is outstanding. Not only is the fair board proud to have this display, but fairgoers generally enjoy seeing the work of the boys and girls.

War Savings Stamps

The pupils have made a good beginning for the school year in the purchase of War Savings Stamps. The total sales from Sept. 5th to Oct. 30th were \$345.00.

Active in Sports

The sports side of the school work has not been neglected. Besides regular school games, two boys' softball games have been played with Milton Public School. The first game played in Georgetown ended with a victory for Milton 14 - 10; the play was exciting and exceptionally good sportsmanship was displayed by both teams. The second game played in Milton was also a good one. This time the boys made the game even more close, but lost out 10 - 9.

Annual Field Day

The annual Field Day was held on Tuesday, October 17th. The Junior pupils enjoyed games and a treat at the school, while the senior pupils held their events at the park. THE CHRISTIAN AND THE RACE PROBLEM

LESSON TEXT—Acts 10:15-16, 34, 35; 17:24-29.
GOLDEN TEXT—Of a truth I perceive that God is no respecter of persons; but in every nation he that feareth him, and worketh righteousness, is acceptable to him.—Acts 10:34, 35.

Now is the time to really face the race problem. It must be met, or America will see more of the regrettable hatred and violence which has already showed itself.

The only satisfactory answer—the only right answer—can be found in the Word of God. On its principles we must build in solving any problem, and that is especially true with regard to the vital matter of human relationships.

How to Solve the Race Problem I. Pray (10:9).

So often we struggle and plan and work, and last of all we pray. That should be the first thing, not the last. It was as Peter prayed that he saw clearly the need of a changed attitude toward the Gentiles.

Doubtless some Gentiles would also have a changed attitude toward the Jews, if they really prayed about it. In fact, all of our prejudices based on race, creed, financial or social position would look cheap and untenable if we prayed.

Conferences, efforts toward mutual understanding, education of children (and grown-ups), tolerance, all these are good; but let us not forget to pray, and to do it first.

II. Listen to God's Word (10:10-16).

Peter had a special vision, an unusual revelation from God. We no longer need such a direct communication of God's plan and purpose, for we have the written Word of God, and the Living Word has come in the person of Christ.

What we need now is to read and to hear the truth of that Word—and then to heed it. Everywhere in the Bible we find the declaration of man's equal rights. We learn that God hates discrimination or prejudice, that no nationality is unclean (v. 15) or unworthy of His grace and of our fellowship.

We know these things are in the Book; why do so many of us fail to listen to its message? We are bound by it whether we listen or not, so had we not better listen and obey?

III. Be Governed by God's Principles (10:34, 35).

"God is no respecter of persons." Why are we? The expression literally means "receiving a man's face," that is, judging or evaluating him not by what he has proved himself to be, but by his outward appearance, the look on his face.

God is interested in man's heart and what is in it (I Sam. 16:7). We should do well to follow His leading and not be controlled by the dress, the race, or the position of a man.

Note the basis of acceptance with God (v. 35), namely, a right attitude toward Him. No matter what a man's color or race may be, the grace of God in Christ Jesus can reach him, and bring him into acceptance with God.

IV. Recognize God's Authority (17:24-29).

God made the world. He rules the world and all that is in it. He is above man, and it is He who gives man the very breath of life.

That being the case, we all stand on the same level—we are equal before Him.

Everything God made was (and is), very good (Gen. 1:31). That means that He knows nothing in His nature of one group being despised and persecuted by another group self-designated as a master race.

All men are of one family (v. 28). It is God's Word. Let us believe it, and be thoughtful and kind toward the members of our own "family."

We all know how disgraceful family fights are, and how they hurt. Could it possibly be any different in the family of God? Let's quit the bickering, and together work for God's glory! We can do it—for we may—

V. Count on God's Nearness (17:27, 28).

Sometimes children fight and quarrel because they know father and mother are away and will not hear or punish. Well, God is not far away. He is "nearer to us than breathing, nearer than hands and feet." In Him we (and that means all of us) "live and move and have our being."

He is here; let us not act as though He were far away. But above all, let us recognize His nearness as our life and strength, the One who enables us to live as we should with one another. We need His grasp for that purpose. Let us count on it.

"We are all His offspring," that is, by creation. Then by our sin and rebellion we made ourselves the "children of disobedience" (Eph. 2:3; Titus 2:3). But we may (and many of us have) become the true children of God by faith in Jesus Christ our Lord (John 1:12). As such, we are all brethren beloved, eager for our fellow's good and for God's glory.

BER

● That old saying, so well known to farm folks... "Plow to the end of the furrow"... so aptly makes our duty plain. And the end of the furrow is beyond the horizon.

Our men on the fighting fronts have weary, trying days ahead of them. We, on the home front, must not waver nor falter. Our duty is clear, we must keep faith with our fighters. On Canadian farms we must maintain our efforts to produce the foods our fighters and our allies need. That work will reward us with increased incomes.

And we must save... to have money to lend to our country to pay the increased costs that this war continues to pile up.

Money invested in Victory Bonds will help to buy the tools of war. They don't last long in action. They must be replaced. It's our job... the home front job... to see to it that our fighting men have everything they need.

Victory Bonds yield a double harvest. They provide our country with money to carry on the war. Later, they will provide money to buy things we will want and need, and which we have done without during the war. Victory Bonds will provide cash to pay for improvements for farm and home... new buildings... new machinery... better stock... new car... furnishings and conveniences for the home.
