Smith & Stone News

Pte. Frederick Kidd, of the Lorne Scots Regiment was killed in France on Oct. 6th, according to a recent notification received by his wife. Previous to his enlistment in February 1942 he was employed at Smith & Stone, Ltd. The sympathy of the management and all employees is extended to Mrs. Kidd and her daughter, and to Pte. Kidd's family. Pte. Kidd is the first from Smith & Stone to pay the supreme sacrifice.

Congratulations to Muriel Webster of the Assembly Dept. on her recent engagement to Everett Wilson.

We were happy to hear the news of Pte. Fred Harrison being awarded the Military Medal recently in Italy. Fred is the husband of Bess Harrison of the Assembly Dept.

Three Smith & Stone boys were with the latest arrivals overseas. They are Ray Harley, "Chubby" Stapleton and Dave Woods.

Congratulations to Gordie James on his engagement to Kay Loutit, of Acton. Gordie, an employee of Smith & Stone, was recently invalided home from Italy. After spending a leave with his family Gordie reports to Chorley Park for an ear operation. Best of luck, Gordie, and a speedy recovery.

The U.E. Local 526 entertained the employees and friends of Smith & Stone at a social evening and masquerade in the Rose Room on Friday, October 26th. The evening opened with a sing-song, with Jerry McCullum acting as a capable master-of-ceremonies. The remainder of the evening was spent in dancing, music supplied by the Rhythm Rubes. A delicious lunch was served by members of the committee, after which the judges Mrs. S. Magwood, Berny Armstrong and W. B. Ford chose the following prize winners: Lucky spot,

Astrid Christensen and Marg. Ritchie; best dressed man, B. Hiltz; best dressed lady, Audrey Sharpe; funniest man, Harvey Dewhurst; funniest woman, Teresa Harrison; best couple, Ethel Anthony and Bess Harrison. A very pleasant evening came to a close with the singing of God Save the King.

Friends of Barry Clarke were sorry to hear that he was wounded while serving in Belgium. We all hope that his wife, a former employee of Smith & Stone, will soon have good news from him. Barry's brother, Cyril, was recently discharged from the Army for medical reasons after serving in Italy. His wife, Edith, is employed in the Assembly Dept.

A cribbage tournament was held last week between the Clay Pressmen and the Toolmakers. The boys from the presses were the winners, Harvey King and Jack Ellington having the highest score.

On Monday evening, Oct. 16th, 19 employees attended a very interesting lecture given by Mr. T. Wold of the Engineering Dept., and Mr. W. B. Ford of the office, on Smith & Stone products and their relation to the war effort. About fifty employees are expected to attend when this lecture is repeated.

One item in the Reflector, the Duplate Co.'s new paper, was of interest to several Smith & Stone employees. It concerned Ed. Hoare, a former employee of Smith & Stone. Some of his former fellow-employees are surprised at him apologizing for his marksmanship, as they claim he never could shoot anyway.

Bob Connelly and Gordie King, of the Bakelite Dept. are the latest boys to don the khaki. Their enlistment brings the total of Smith & Stone's employees on Active Service to 74. Thirty-five are serving overseas, one is a prisoner-of-war, and the remainder, comprising 35 men and three girls, are on duty in Canada.

The end of the first week of the 7th Victory Loan Campaign saw Smith & Stone well over their objective of \$18,000. The Labour Committee handled the sale of bonds amongst the employees, and the total to date of \$20,800, is ample proof of their good work.

What's this we hear about Josephine again?

BOY SCOUT TROOP ORGANIZED IN GLEN

Under the leadership of Mr. Ewart Madden, student minister at Glen Williams United Church, a Boy Scout Troop was organized a few weeks ago. Some 14 boys have joined the troop and meetings are held on Saturday afternoons. At the last meeting, Bob Heaton and Gilbert Preston were chosen leaders of the two patrols. Boxing and games were held and the boys started out to learn the Morse Code.

CARD OF THANKS
Mr. James Inglis and family wish to thank all the kind friends, neighbours, pallbearers, and those who so kindly provided cars, for their many acts of kindness, expressions of sympathy and condolence, and for their beautiful floral remembrances shown them in their sad loss of a dear wife and mother.

ONE TEAM One Purpose

Nearly a million Canadian men and women in the armed services of the Dominion, more than a million in war industry, and all the others on the home front — have one goal in sight, a complete and speedy victory. Teamwork counts as never before, for now the game is in its final, crucial stages. We must all put forth extra effort, use even more of our resources, to make the finish swift and sure. It is urgent that in this Seventh Victory Loan we each buy at least one more bond than we bought before. It is our duty to our teammates; our duty to our children who will enjoy the fruits of victory. Let us do our duty gladly, that we may earn our place on our winning team.

**CANADA'S VETERANS
Their Post-War Opportunities**

This is the fourth in a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get full details, save and read every advertisement.

For complete information, write for the booklet, "Back to Civil Life."

**Home and Farm Ownership —
The Man Who Wants His Own Business**

There are two ways in which Canada's service people can have homes of their own. One measure, the Veterans' Land Act, provides assistance in financing homes on small acreages of land outside the high taxation area, while the re-establishment credit may be used for purchase or building of a home in town or city. Low cost financing is available under the National Housing Act. Under the Veterans' Land Act, assistance is given in financing up to a maximum of \$4800 for land and buildings. The veteran must be prepared to pay down 10 per cent of the cost of land and buildings and the property is then sold to him for this down payment plus two-thirds of the cost. This balance may be financed, if necessary, over 25 years, with interest at 3 1/2 per cent. A further grant may be made for purchase of equipment.

The veteran is given title to the property, including the grant of 23 1/2 per cent of the cost of land and buildings and the money for equipment, after he has lived up to his agreement for ten years.

If the re-establishment credit is used for a home, the veteran must be prepared to put up one dollar for every two dollars used from it. This type of assistance may be applied for at any time within 10 years of discharge.

FARMERS AND COMMERCIAL FISHERMEN

Veterans qualified for full time farming and for commercial fishing may receive assistance in purchasing a farm or home under the Veterans' Land Act in the same way as the veteran wanting a home on a small acreage, outside the high taxation area. In the case of full time farming, an additional grant of \$1200 is available for purchase of stock and equipment, and in commercial fishing the commercial fisherman may receive up to \$1200 to buy needed fishing equipment. To benefit under any of the three provisions of the Veterans' Land Act, the ex-service man or woman must have overseas service or at least 12 months' service in Canada.

TO ASSIST BUSINESSMEN

One purpose for which the re-establishment credit may be used is to buy a business or to provide working capital for a business. Here again application may be made at any time in the 10 years after discharge.

In addition to using the re-establishment credit in this way, people who start their own businesses, or farmers, may draw maintenance grants, during the period they are awaiting returns from the business or the farm. These grants may be paid in the first 18 months after discharge, for the period of service, and up to a maximum of one year.

VETERANS' WELFARE OFFICERS ARE STATIONED IN KEY CENTRES THROUGHOUT CANADA. THEY ADVISE AND ASSIST EX-SERVICE PERSONNEL, AND SHOULD BE CONSULTED ON ALL PROBLEMS.

PENSIONS AND NATIONAL HEALTH

We sit at home!

We sit at home where it's nice and safe while our young men face death hourly. They fight with their blood, their lives, for every inch they gain in occupied countries. Not very fair, is it? So how about squaring up the score a bit? How about doing without and making do with what we have to back them with every last dollar. Let's turn our savings into Victory Bonds today; then buy an extra bond and pay for it by instalments every pay day. It's little enough to do — as we sit at home!
