

MILTON

Tpr. Howard Richard Ebeard, 22, was killed while serving in the Gothic Lane, Sept. 1, according to word received by his sister, Mrs. Eddie Wedge, Milton.

Wounded on August 11th and back in action again on October 1st, Pte. Ivan Teeple, of Milton, was killed in action on October 11th, while serving with the Canadian Army in Belgium.

The Board of Trade of the town of Milton were hosts to three hundred and fifty young people, in costume, at a Halloween party, which was held in the town hall.

At the meeting of the Directors in Acton on Monday of the Halton Union Farmers' Mutual Fire Insurance Company it was decided to purchase \$36,000 of bonds in the Seventh Victory Loan. This company has been a large purchaser of bonds in each loan.

On Thursday evening last, about seventy-five neighbors and friends gathered at the home of Mr. and Mrs. P. D. Hartley to honour them on the eve of their departure from the farm, and to extend best wishes and the hope that they would be spared many more years together to enjoy life in their new home in town.—Champion.

ACTON

Total receipts since its inauguration in 1942 of the Acton and Vicinity War Service League have been \$14,500.

Halloween in Acton on Tuesday was like old times when the Acton Citizens' Band used to take the leadership in making fun. A new generation took hold on Friday, when Acton Boys' Band, in costume, varied and grotesque struck up the band for a parade. It was a signal for the youngsters to give the door bells a rest and follow the band. Following the parade, the boys of the band with their friends and parents held a social in the town hall, Gnr. Larry Bridges, wounded on Thanksgiving Day, while serving in Belgium, later died of the wounds sustained.

Life-long resident of Acton and district, Miss Margaret Dora Worden, passed away on Wednesday, Oct. 25th at the General Hospital in Guelph. She was in her seventy-seventh year and had been ill only a short time.

Just as the last forms were going to press the tannery whistle announced the reaching of half way in the objective for Acton and district in the Seventh Victory Loan.—Free Press.

BRAMPTON

Brampton's new bicycle-by-law went into effect yesterday and distribution of licenses has started at the local municipal office. Cost of the license is twenty-five cents. Chief advantage of the licensing system is that it serves as a protection to the bike owner in case of theft. The license plates are locked on the bike and cannot be removed except by breaking. GIRL-GUIDE NEWS

By Doryne Mulholland
The regular weekly meeting of the 1st Georgetown Company was called to order by Patrol Leader Peggy Kelly. There were several absentees and this fact was commented on by Captain Lambert.

After roll call and each girl had recited a good deed done in the past week, the Guides were drilled by Capt. Lambert. This included marching, turning and wheeling.

Everyone was glad to see Lieut. Anderson back again. She being present, the first aid subject was also on the programme for the evening. Some of the Guides have already passed the first aid test and many more hope to do so in the near future. While those who are working for their 2nd Class Badge were learning to make various bandages, the new recruits were lectured by Capt. Lambert on the organization of which they are soon to become a part.

The meeting was brought to a close by the singing of Taps.

INSTITUTE FOR BLIND THANKS LOCAL CITIZENS

The Canadian National Institute for the Blind wishes to acknowledge with thanks the support given by the citizens of Georgetown to their recent campaign to raise funds in aid of the work for the Blind in Halton.

The total returns to date are \$180.00 which comprises tag day receipts, and individual subscriptions. Special mention is here made of the generous contribution from the students of the High School and the Georgetown Lions Club. The Canadian National Institute for the Blind is deeply grateful to all those who contributed so generously to the success of this appeal. The splendid work done in connection with the tag day by all the young ladies who did the tagging so well is deeply appreciated by the blind. Further contributions will be accepted still by Mr. G. W. McIntock of the Canadian Bank of Commerce who is the honorary treasurer for the current campaign.

C.P.R. Car Has First Automatic Door, Wider Windows

IN MODERN MANNER: Rebuilt as part of the Canadian Pacific Railway's program for immediate improvement and refinement of existing cars and radical changes in new rolling stock to be built when peace comes, the sleeping car "Valois" has many new features, with special consideration for the comfort of women and children. The first automatic door opener in a Canadian railway car at left has a pneumatic-electric arrangement, visible at the top of the rear of the door, to do the work at the first touch of the luggage-laden passenger's hand. Top right is one of the wider windows in the car with one large window of the observation car type installed in each section to give an unobscured view of the countryside and replace two smaller windows

which served before. Bottom right is the powder room of this model for modernization where innovations include tubular lighting, which is carried through the whole car, and a powder table and handbag shelf in black plastic. Other departures in the car include improved springs and anti-slosh attachments on the trucks as aids to smoother riding and undisturbed slumber, illuminated car numbers to prevent confusion on dimly lighted station platforms and an interior finish which employs metal trim and pastel paint and upholstery in a pleasing combination. The car, which now is in service, also has outlets for electric razors, two-tone whistles to summon the porter and high-frequency buzzers for wake-up calls, with their installation being standard practice on all cars of this type shipped.

CANADA'S VETERANS Their Post-War Opportunities

This is the fifth in a series of advertisements to inform the people of Canada of plans to re-establish men and women of the armed forces. To get full details, save and read every advertisement.

For complete information, write for the booklet, "Back to Civil Life."

Care for the Wounded and Ill — CANADA'S TREATMENT AND PENSION LEGISLATION

Canada has assumed as a minimum obligation to members of the armed forces that, before their return to civil life, the fullest possible measures shall be taken towards physical fitness, and that pension shall be provided for any permanent disability due to service. Full medical service is provided and permanent hospitals have been established from coast to coast. Equipment for the most modern types of treatment has been installed, and leading specialists in all branches of medicine and surgery have willingly placed their services at the disposal of veterans.

There is free treatment with allowances to every discharged person for the first year after return to civil life and free treatment with allowances for pensioned conditions is available throughout the pensioner's life.

Those discharged from the forces unable to work and in need of continuing treatment may have their pay and allowances of rank continued for one year, if necessary, and for longer when treatment is still required for a pensionable condition.

PENSIONS

- Pension is awardable under three simple and easily understood conditions:
1. When the veteran has served in a theatre of war, death or any permanent disability not due to misconduct is pensionable.
 2. (a) When the veteran has served in Canada only, death or disability caused by service is pensionable. (b) Death or serious disability not due to service may be pensionable if hardship would otherwise result.

JOBS FOR DISABLED

A very wide program of education is being carried on continuously so that veterans who suffer a disability as a result of their war service may have a full and happy future. Many volunteer associations are assisting in this work, while specialized help is available from such organizations as the War Amputations of Canada, the Canadian National Institute for the Blind, and the Canadian Society for the Deaf and Hard of Hearing.

THE COMMUNITY'S RESPONSIBILITY

This series of advertisements has given, in brief form, an outline of the Canadian re-establishment program for ex-service men and women. The responsibility, however, is not entirely that of Parliament. It can provide legislation and funds but in the final analysis it must be the veterans themselves and the people of Canada who make the program work. The public support so far has been unstinted, but successful administration requires further public support. Understanding and effort by the whole people are needed.

VETERANS' WELFARE OFFICERS ARE STATIONED IN KEY CENTRES THROUGHOUT CANADA. THEY ADVISE AND ASSIST EX-SERVICE PERSONNEL, AND SHOULD BE CONSULTED ON ALL PROBLEMS.
