BLAIN'S BRAMPTON

AN EXAMPLE OF WHAT THIS GREAT COMMUNITY CAN DO

Georgetown and District have scored mother triumph, not only leading every other district in one of Canada's most flourishing counties, actually reaching 145% of a high objective, in the Seventh Victory Loan, Had the entire country carried through in the same manner, the to-

for Canada would be \$1.885,000,000. As joint chairmen we are more than gratified, not in our personal efforts particularly, but chiefly in the pleasure of having been associated with in unbeatable lot of fine people; committee men, canvassers and subscribers. Every meeting was satisfactory. The attendance was an inspiration and from the very start everyone was optimistic and determined. We had our eye on the Half Million Star and over it we went.

Dale and MacCormack were at their best. Their cheerful enthusiasm and constant support to our able salesmen never agged. The advertising Gilvray was perfect. As usual we and Kincardine hold such fairs, with addressed Many thanks Walter and staff. Bob fine horses and ponies has attended members of the Women's Progressive Foulis again took on the painstaking these fairs and reports a grand time, 4 won, 6 lost; H. King and J. Ellen--Mothers, read this message to must be sincerely thanked for handling the rear, and nearby stabling for

> the grand total to such heights. The salesmen Messrs, Brown, Clegg, Deans, Kersey, May and Wilson are most grateful to you. Mrs. Duncan kept the daily figures in ship-shape so that overlapping and unnecessary re-

petitions were eliminated. Georgetown and District can do great things. No doubt the Town Council, Township Council and Board of Trade will be happy over the dazzling figures;

Sincerely yours,

L. E. FLECK,

W. F. BRADLEY, Joint Chairmen, Seventh Victory Loan Committee.

dancing to the Modern Aires every Society, so that the awards can be other Wednesday evening in the Rose made. Room commencing Wednesday, November 22nd, Watch ads for dance

-It has been brought to our attention that a number of Boy Scouts on their way to the Scout Hut, helped to put out a bonfire on Wesleyan St. which was out of control and threatening Nixon's Harness Shop, The Scouts noticed the fire and used their overcoats to help extinguish the blaze. The boys who did their day's good deed in this practical way were: Allen Bailey, Bob McCill, Bob Rogers and Jack Davidson.

These are some of the books which the publishers inform us may be procured for Christmas. Book stocks, of course. 7,000 copies of "Forever Amber" are being released but several times that number have already been ordered through the retailers. It is almost impossible to guarantee delivery but the above books, with the exception of "The Building of Jalna," which will be sold out in early December, will probably be available.

We will be happy to handle any of your orders for books. If the book is not available we will give you a Gift Certificate or refund your money.

WE ASK YOU TO ORDER EARLY AND AVOID DISAPPOINTMENT

Send money orders to "Phoenix House," Box 411, Georgetown, and your order will reach you through the mail.

### ESQUESING AGRICULTURAL SOCIETY FALL FAIR NOTES

While Georgetown Fall Fair is now but a memory, its success has been old over many microphones throughcut Western Ontario at least, cublicity was unsolicited and way through the keen interest the official announcer, to our show, our town and our people. "Tory" says Georgetown has one, of the best show grounds in Onwe had a good show . . and ne broadcast the fact over the many microphones through which he spoke as announcer at others fairs,

taken it for granted that the fall fair season ended with Thanksgiving, but it is far from the case. A few miles west a number of towns hold winter fairs, which are run along the same lines as others fairs, only they are work of Sid Silver and Garfield Mc- held indoors. Walkerton, Wingham had the generous co-operation of the Walkerton winding-up the season next publishers of the Georgetown Herald. Wednesday. Ken McMillan, with his work of payroll subscriptions with a Georgetown could possibly run a simi- ton, 4 won, 6 lost; A. Collins and A. Lintock, Ceace Dobie and bank staff arena had a practical entrance from junning now, Spider?

> the prize-money has been distriouted and Georgetown Fair has once again paid the prize-money in full ruze-money paid this year will be well over the \$1000,00 mark, showing that Georgetown rair is steadily on the up grade. When the books are closed and audited, a small surplus should be on hand, which will be usea to suil further the fair and at-.ract more visitors.

There are still a few donations promised to Georgetown Fair to come in and the Treasurer would appreciate receiving those as soon as possible so ..e can close his books.

carai schools kindly forward to the his pep talk on the York Incentive Secretary of the Esquesing Agricul- Plan. The boys in the stockroom cutai Society, a list of the leading puplis in their schools in the Milkweed kittens are down in the basement, -By popular request there will be rod Competition as sponsored by the

> ers of husking corn, as well as to the social. competitors. The results are not being held back due to any "military secret," but it is understood a banquet is being planned for the near future when the competitors will meet with the members of the Esquesing Agricultural Society Directorate and the Executive of the Halton Crop Improvement Association.

Harvey Nurse has finally got his orn picker into action and is busy these days husking corn for the competitors in the Esquesing Agricultural Competition, and others who grew the corn but did not enter the competition. The picker is something new in farm machinery, made by the Case manufacturing people, and is attracting quite a lot of attention. It is hoped by this competition to prove tnat husking corn tused by the makwestern part of Ontario.

So many enquiries have been made as to whether the Esquesing Agricultural Society are holding another sorial this winter, that we must answer in the affirmative, but it will not be held until after Christmas.

they may be able to work amicably together for a bigger and better poultr show at Georgetown Pair.

. . .

No doubt there will be a good attendance of Directors at the District Annual meeting in Brampton next week, as the local secretary has been sked to give a paper on "Fair Manage ment From the Secretary's Viewpoint," He'll certainly need a lot of moral support. The District Director, Mr. E. M. Readhead, of Milton, will be in charge of the meeting, when the ten or twelve fairs in the district will be reported by their officers.

The Labour representatives of the Joint Committee and assistants are to be congratulated on having canvassed buffet, 4 chairs, square extension for another very successful Victory Loan. Those who worked hard on the canvassing were Bessie Harrison, Nov. 15p Helen Ritchie, Andy Ritchie, Elmer Hill, Jim Emmerson, Bert Hurley, John Holden, Albert Henney, and Bernard Armstrong. They went to work on the first Monday of the campaign immediately after noon, and by the next noon had reached and passed the objective of \$18,000,00. The Loan closed with a total of \$22,500.00 which is 125% of the objective, and an improved showing over the last loan, each successive loan being more fully subscribed to than the previous one Most people in this district have Keep up the good work, canvassers and employees

On Monday night, a number members of the staff viewed a display ers of corn syrup, etc) can be grown of Smith & Stone war products, the successfully in Halton County. This use of which was explained by Mr. T. type of corn is usually grown in the Wold and Mr. Wilf. Ford, Bakelite Essex-Norfolk counties in the south- parts for rayon machinery, electroarmament parts for the air force, light switches, parts for army walky-talky equipment are only a few of the hundreds of products manuactured in Georgetown which go directly into war materials from the bakelite department Porcelain products, though mostly

confined to civilian products such as lighting fixtures and electric plates, are none the less important to the The Society offers good wishes to war effort, as the armed services use the newly-formed Halton County large quantities of these for kitchen Poultry Association, and hopes that and hospital installations, Mr. Ford estimated that 55% of the Company's total production goes directly into war products, 5% into products which in turn produce war products, and the remaining 40% into essential civilian products for Canada and abroad. Smith & Stone products are shipped to many parts of the world, both in Europe and South America. To cite only one example of the work which the firm can justly be proud of, Smith & Stone developed a bakelite moulded process for certain products which up to the blits had been machined in England. Another bakelite part was developed for equipment so secret at the time, that the engineering department had no information as to the use to which it would be put, One can't always tell by outward appearances how essential a certain order may be, Mr. Ford quoted an amusing incident of an order for 38 cigar lighters, which he thought

ation proved that the lighters were
