

THE fight against V.D.
is a family affair . . .

A laughing couple, dodging showers of rice . . . fireside . . . garden . . . chubby babies . . .

These are scenes we know and like, because they're part of our lives . . . because they spell happiness . . . contentment.

But we know that these things don't "just happen." They have to be worked for, lived for. Protected, too, because of ever-present dangers which may spoil them.

Veneral Disease is a spoiler. In a cold, relentless way it can kill infants, rob the home of its breadwinner, cripple, destroy. These are not mere possibilities. THEY HAPPEN . . . RIGHT HERE IN CANADA!

But, these things should never happen. They can be prevented.

Young men and women can safeguard their future happiness together by making sure before marriage that V.D. will not blight their plans. A medical examination, including a blood test for syphilis, is a protection no couple can afford to pass up.

The expectant mother, too, may know for sure that her baby will be all she dreamed of. Syphilis in the expectant mother rarely shows outward signs, and it is no respecter of persons. An early check-up by her doctor, including a blood test, is a most essential, yet simple, first step in protecting her baby's health.

Nor must the breadwinner neglect his part. The security of the home depends upon his ability to work regularly and efficiently. Unsuspected syphilis, striking in middle life, may make the head of the home unable to provide for his family. It is wise to KNOW FOR SURE in time. Industrial medical examinations should include a routine confidential blood test.

A blood test should not be looked upon as something unusual. It should be regarded for what it is . . . a normal safeguard of health, security and happiness.

YOUNG PEOPLE'S RALLY FOR HALTON HELD IN MILTON

Two Hundred from All Parts of Presbytery Hear Rev. A. E. Graham of India

"Juvenile delinquency is due to the fact that in the crisis of life, we have nothing to hold us," declared Rev. A. Russell Graham, a missionary on furlough from India, at a Joint Halton Presbytery Rally of Young People and adults in St. Paul's United Church, Milton. "Education is not enough," he added. "We must have Christ; and most of us Christians haven't enough backbone to let Him become luminous in our experience."

Mr. Graham emphasized the fact that it was costly to be a Christian in India to-day. In fact, new converts were being persecuted in a fashion similar to that of the Early Christians. One couple was deprived of seventy-five acres of land and had their crops destroyed by the landlord and neighbors; but when the missionaries offered sympathy, the timid little wife pointed to her heart and said: "I've got something here that they will never take." Challenging his audience to make sure that they have that same something, the speaker said: "If we have come into living contact with Jesus Christ, then in the crisis of life we shall stand."

Among those from Georgetown who attended the rally were: Rev. and Mrs. R. C. Todd, Miss Alice Fairbairn, president of the Halton Y.P.U., Kathleen Lyons, Frances Deans, Marjorie Evans, Anna Bird, Dorothy Sanderson, John Bird, Jack Lawson, Ken Harrison and Bud Test.

NASSAGAWEYA 'BUSY BEES CLUB

The October meeting of the Busy Bees Club was held at the home of Mrs. Leslie Miller with ten members attending and 13 quilt blocks handed in in answer to roll call. The meeting opened in the usual way by all repeating the Lord's Prayer in unison.

In reading the correspondence, a letter from Sgt. James Wallace gave thanks for cigarettes and chocolates and one from Ft. Officer Reg. Finney for parcel and cigarettes sent in February.

Mr. Stan Robinson and Mr. W. Kennedy were chosen as clerks for the sale. A quilt piece by Mrs. D. Talbot was to be put up for auction. Dances were discussed for a few minutes and CKCR cowboys are to be contacted for an engagement.

Mrs. Alf. Allen read a poem entitled "A Parcel from Home" that showed the boys' appreciation of a parcel when received and their disappointment when none arrives for them.

The ladies are to consider at the next meeting the forming of an Institute Branch after the war. Other plans were made for the auction sale at Brookville Hall and quilts arranged for quiltings. After singing God Save the King, the ladies did justice to a lovely lunch served in the kitchen. Mrs. Lawrence King motioned a vote of thanks to Mrs. Miller for the use of her home and friendly hospitality.

Sale and Euchre

The Club held an auction sale and progressive euchre in Brookville Hall on October 4th, also a draw on a chicken donated by Mrs. W. Kennedy which netted \$10.64. Euchre proceeds were \$7.90 and \$50.17 was counted from sale of articles. The following donations for sale were received: Mrs. Alf. Allen \$1.00 and one war savings stamp; Mrs. Chris. Frank \$2.00 and Mrs. Walter Freeman \$1.00. \$9.86 was taken in from sale of pie, cake, hot dogs, coffee and pop in the booth. A dance sponsored by the Club on Halloween night was unsuccessful.

Overseas Boxes

Eleven boxes for Christmas for boys overseas were packed by the Club and sent on their way. A package of 300 cigarettes are sent each boy twice one month and once the next.

Twenty-five dollars was donated to Action Vicinity War Service League for packing their boxes. A donation of \$5.00 by Mrs. George Finney to the Club was very much appreciated.

The following members held quilting for the club during the month: Mrs. Joseph Frank, two; Mrs. Jennie Howard, one; Mrs. J. J. Kennedy, two.

SALE! Dollars at Half Price!

Sounds like a sure-thing bargain. But how many of us realize that in Canada we're getting dollars at less than half the price of other years . . . at a fraction the price in many other countries to day. Here's what we mean. A dollar is worth as much as it will buy. And to day your dollar buys at least twice as much as it did in the last war . . . For instance, your 5c buys a bar of laundry soap that cost 15c in those days. To day, you can buy the same quality felt fedora for 13.50 that set you back 26.50 then. Truly your dollar is half price since it buys twice as much. Price ceilings and other anti-inflationary measures have kept its value HIGH! And you protect your dollars worth every time you buy a bond . . . pay off a debt . . . refuse to hoard goods or frequent black markets. That's how to make dollars count MORE!

Make This Pledge Today!

I promise to give my support to keeping the cost of living down. I will buy only what I need. I will observe the ceiling whether buying or selling goods or services. I will pay off old debts, save for the future, invest in Victory Bonds and War Savings Certificates. And I will support laws which help lower the cost of living.

Keep Your Dollar Value High!

So for this year, Long Distance calling is almost 10 per cent heavier than in 1943, when toll calls set an all-time high.

So it is obvious why we must all continue to avoid needless Long Distance calls. Otherwise, pressing war business may be seriously delayed. And such delays can cost lives!

Please make only necessary calls.

the best home-bred calf goes to David Falsetto, of Milton. The Nelson Robinson Specials of three club members showing the top calf in each of the three breeds were awarded as follows: Guernsey calf—Clayton Dick, Georgetown; Jersey calf—Sam Harrop, Milton; Holstein calf—David Falsetto, Milton.

the MacKendrick Trophy emblematic of the top club member in the Jersey Calf Club. The display staged by the members of these two clubs was in the opinion of many the highlight of the outstanding show of dairy cattle at the Milton Fair, and therefore all of the club members who participated we extend hearty congratulations.
