

IT'S LOVE LOVE LOVE-OR MAYBE THE MOON

It's crazy what love does. One ardent swain rubbed his sweetie-pie's face with poison ivy—and won her. Putting on a dog collar, a luckless chap pitched a tent outside his beloved's house—and lost her. Read about the odd things love does, in The American Weekly with this Sunday's (Nov. 26) issue of The Detroit Sunday Times.

SISTER OF MRS. BERT TUCK AND MRS. REG. HOARE DIES IN ACTON

A sailor's home in Acton was saddened last week when his wife and mother, Charlotte Waterhouse, wife of Seaman Herbert V. Dron, passed away. She had been in failing health for some few months. Her husband, who was on the east coast, was able to be home prior to her death. She was thirty-nine years of age.

Born in London, England, Charlotte Waterhouse was a daughter of the late James and Mrs. Waterhouse. The family resided in Bracebridge for six years after coming to Canada, but for past thirty years have been residents of Acton.

Besides her husband, Seaman Herbert Dron, she leaves two sons, Herbert and William, both at home. Her mother, Mrs. James Waterhouse and six brothers and three sisters also remain to mourn her passing. They are: James with the Canadian Army overseas; Harry and Charles in Acton; John in Toronto; Fred in Kitchener and William in Acton; Mrs. Bert Tuck, Georgetown; Mrs. H. J. Anderson, Toronto, and Mrs. Reg. Hoare, Acton. To all of the bereaved sympathy of many friends goes at this time.

The funeral was held on Thursday afternoon with service at the Johnstone & Rumley Funeral Home, conducted by Rev. Mr. Pulker, rector of St. Alban's Church, which Mrs. Dron attended. Here many friends gathered in tribute to her life and in sympathy with the husband, sons and family.

The pallbearers were Messrs. O. Stapleton, Cameron Leishman, Arlo White, Robt. Winton, W. Marchmont and Fred Stuckey. Interment was in Fairview Cemetery—Free Press.

WALTER CARPENTER AGAIN PRESIDENT OF ANGLICAN S. S. ASSOCIATION

The annual meeting of Halton Deanery (Anglican) Sunday School Association was held last Thursday at Grace Church, Milton. Mr. Walter Carpenter was re-elected president of the Association and Dan Wilson, of Bronte is secretary-treasurer.

Those from Georgetown who attended the meeting were: Ven. W. G. O. Thompson, Mr. Carpenter, Pauline Norton, Doryne Mulholland and Harvey Dewhurst.

Women's Part in Post-War World Convention Theme

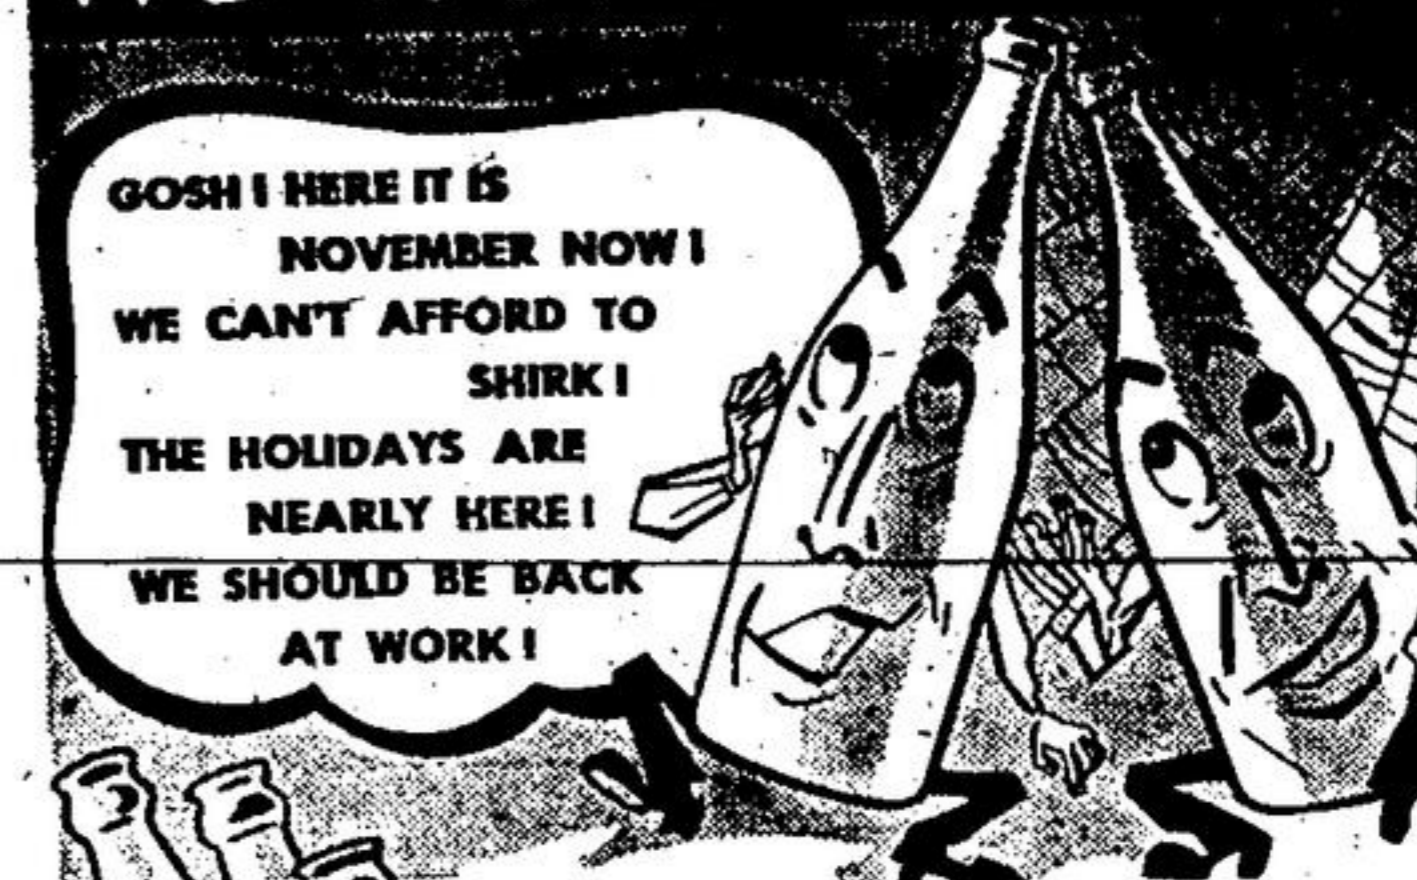

Mrs. W. A. Watt, president of the Associated Country Women's Institute of the World, and first woman to introduce the Women's Institute into England, was the guest speaker at the recent afternoon session of the Women's Institute Convention, held in Norfolk Street Church, Guelph. Mrs. Watt spoke on post-war planning by women and expressed the opinion that the role of the country woman will be a tremendous one in post war work. "Without the farm woman there can be no progress or stability; without the farm home, no neighborhood life."

Stressing the importance of the local women's institute in the community, and pointing out its tremendous asset in any society, she told of the large part the women's institutes play in the world. Its friendliness, member to member, community to community, province to province, made it such that "there is no other international society like it."

"Country women should be included on administrative bodies and policy making bodies," she stated, and added that the organization should put pressure to bear to ensure their inclusion in settling world problems. "No reminder is needed today as to the acute need for development of the food supply. The country cannot be fed without the farm women, and they should be consulted regarding the feeding of the postwar world."

Mrs. Watt feels that the use of the land should be planned, that the rich agricultural land should be protected. She feels that the country woman knows the right use of the land and that it is up to her to show its right use. She urged the women to make their views and feelings known, to

IT'S NOVEMBER!!

Yes! There's a SHORTAGE!

In November, especially, there's a seasonal shortage of bottles and cartons! Naturally this tends to slow up deliveries from plant to store during the holiday season. So... please, return your empties promptly to your nearest Brewers' Retail Store... they can be used over and over again.

Thank you!

The highest or any tender not necessarily accepted. Parties interested are invited to communicate with the said C. F. Leatherland, Solicitor for the Estate and obtain further particulars and inspect the farms.

The Executors of this estate desire to wind up the estate on December 13th, 1944

MEN WHO THINK OF TOMORROW

plan handi-talkies for your use!

TOMORROW'S PRIVATE HANDI-TALKIE... Kneedeep in your favorite fishing waters, you can call the camp on your private radio-telephone to let the boys know what the trout are taking. From your car, you can call home to say you're on the way. The handi-talkie will be a marvel of everyday life not only in sports but in every type of business and industry—planned for you by men who think of tomorrow.

WHO, indeed, doesn't look forward to the good things of tomorrow—when peace comes again? Yet we cannot for an instant relax our vigilance—not so long as there is a single armed enemy soldier at large—Nazi or Jap!

• We must fight to the end the battle against waste; we must keep production at its highest pitch; we must salvage fats and waste paper and metals; we must conserve gasoline and rubber; and, above all, we

must continue buying and keeping Victory Bonds and War Savings Certificates.

• Does a soldier lay his rifle down when enemy resistance slackens for a moment? *No! And no more may we at home withdraw our help by cashing in our Victory Bonds.* They represent a pledge to our government and our fighting forces that we will back them to the last. *This we must do.*

• Let us all be men who think of tomorrow... by holding our home front battle lines today!

THE HOUSE OF SEAGRAM

All Seagram plants in Canada and the United States are engaged in the production of high-proof Alcohol. High-proof Alcohol for War is used in the manufacture of Smokeless Powder, Synthetic Rubber, Photographic Film, Plastics, Navigation Instruments and many other wartime products.

make others believe in what they believe in. She told them they must be courageous; must have faith in themselves and in their movement, and equip themselves to meet post-war problems.

The conference, which combined the districts of North Wellington, Centre Wellington, South Wellington, North and South Bruce, East Bruce, North Perth, East Huron, Halton, North and South Waterloo, opened at 9 a.m. with registration at Norfolk Street United Church. At ten o'clock the National Anthem and opening ode were sung, after which an address of welcome was given by the Rev. C. E. Kenny, of Norfolk Street Church.

The chairman, Mrs. J. Harold Spier, R. R. No. 3, Brussels, gave an address, after which the girls' session, in charge of Miss Florence P. Eadie, Women's Institute Branch, Toronto, took place. This interesting part of the program, of which Miss Elizabeth Reist, was chairman, included: "The Milk Bar," by Miss Marjorie McCready, Halton County, leader and member, provincial honour girl, and who has been selected to attend the Chicago International 4-H Club Congress in December. Miss Cleo Schnurr, Bruce County, one of the 2,100 Ontario farm girls who were members of the Girls' Garden Brigades this year, spoke on "Vegetable Storage." Miss Francis Cripps, Halton County, gave an excellent address on "The Well-planned summer wardrobe." Miss Jean Ballantyne, Perth County, also a provincial honor member, also spoke.

A very interesting tour of the city preceded the afternoon session which began in Norfolk Street Church at three o'clock.

Mrs. J. Harold Spier read the resolution that the Women's Institute petition the government to abolish all ladies' beverage rooms in Ontario. Mrs. Spier stated that she would not ask for a vote at the moment but asked the women give the point consideration over night and a vote would be taken on Friday. Mrs. Spier suggested that the Federated representatives be the nominating committee, and its chairman, Mrs. P. W. Merry, Hornby. This motion was moved by Mrs. T. H. Cowan, Galt, and seconded by Miss McPherson. Arrangements were made for this committee to meet after the afternoon session.

Reports were heard from the various committees and all proved most satisfactory. Mrs. Walker, of Stoney Creek, former Provincial and Dominion Federation president of the W.I., was guest speaker. Several instrumental and elocutionary numbers were also enjoyed.

At 8:30, Miss Mary Clarke, superintendent, W.I. Branch, was chairman at the banquet at which Mayor Robson gave an address of welcome. A fine musical program was enjoyed. Dr. Christie, of the Ontario Agricultural College, greeted the ladies, and lauded the Women's Institute for the fine work it is accomplishing. Mrs. Spier introduced Colonel the Honourable Thomas L. Kennedy, Minister of Agriculture for Ontario.

Colonel Kennedy gave an inspiring address to the assembly. He stated that he believes that women should be consulted in the world program. Stating that food would, as in past times, win this war, he lauded the part the farm women are playing in its production. He remarked that it was the women's duty to improve farming conditions, that they had earned the right to get what they

want, and urged the Women's Institutes, "the backbone of the country," to go after improvements for the rural dweller.

Mr. S. Ford Sudden thanked Colonel Kennedy for his excellent address. The evening session ended with a clever play by the Downey Women's Institute which was thoroughly enjoyed by the audience.
