FOR "THE LADIES"
Godfrey Ridout, one of the best known of Canadian composers, has written the music for CBC's special St. Andrew's Day program, "Ladies from Hell," a tribute to Canada's eighteen Scottish regiments. The program was heard over the CBC trans-Canada network last Thursday, Nov. 30.

"IN OUR MAIL BAG"

Dear Editor:

May I, through the kindness of your paper, be permitted to express a word of commendation on the recent Commencement Exercises of our local High School. The good order which prevailed, the ease and dignity with which each student performed his or her part so capably, gave those of us who were fortunate enough to be part of the audience, a most pleasant evening's entertainment. But, not so, for the disappointed number of people, perhaps parents, who were unable to gain admittance. . . .
