SMITH & STONE NEWS

(Intended for last week)
A letter was received from Jim Emerson in the RCAF overseas, and Christmas cards from Carman Copeland and Russ Valey, both on the Western Front. All the boys express their appreciation for the parcels and cigarettes received and send good wishes to the management and employees for Christmas and the New Year. The verse on Russ' Christmas card well expressed the thoughts from all the boys so we take pleasure in printing it.
The long dark night is fading fast, the dawn is not afar,
And freemen's eyes in hope look up towards the Christmas star
With gladness now I send this wish, eternal, good and true
A merry, merry Christmas and a glad New Year to you.

Jack Harlow will be starting to work next Monday on the Automatic Clay Press in the Pottery until he is able to use his injured arm. Glad to know that he is able to make a start anyway.

Three S & S boys were out shooting last week-end at Limehouse. One of them broke out a fox but though another of the boys took five shots at it the fox got away. Next they scared up a rabbit, but even with two shots at it, they had to finish it off by chopping its neck. Better improve your shooting, boys, ammunition is scarce these days.

Quite a few congratulations are in order this week. First to Cecil Walker and his wife on the birth of a baby daughter; second to Mary and Charlie Hoare who also have a baby daughter, and next to Ellen and Dave Saxe on the birth of a son. Cecil, Mary and Ellen are all former employees of S & S.

Christmas shopping is the main topic these days. Most employees received a cheque last week-end which will solve a few Christmas problems. This was for retroactive pay, covering an agreement made between S & S and the U.E. W Local 528.

Guess Josephine figures she owns the Assembly Room. A stray cat wandered in there Monday morning and the girls were treated to a cat fight, with the stray coming off second best.

We hear that one of the Shipping Room boys has been exhibiting the fox he caught. Wish he would tell us how he caught it, it should be an interesting story.

Chris Dickinson in the office received a diamond from Norman Cooper of Brampton last week end. Congratulations!

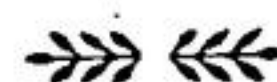

On Earth Peace to Men of Good Will

With the advent of Christmas this year, these words hold for us an added significance:
"Peace to men of good will!"

WE Canadians, whether we fight in the factory or on the farm—in industry or in the armed services, wish peace on earth to men of good will the world

over. We are fighting that the spirit of Christmas shall endure. And we rejoice that this Christmas brings with it the definite promise of freedom for all mankind.

GEORGETOWN

All employees are asked to keep Friday, Dec. 22nd, open for the first S & S Christmas Party to be held in the Rose Room. The Joint Entertainment Committee are busy with arrangements for the evening and hope for your support. A silver collection will be made in aid of the S & S Active Service Fund.

The employees who made it to work yesterday morning through the storm and heavy snow drifts are to be congratulated. Surprisingly few were absent considering the depth of the drifts, which managed to block the way in every direction. As can be well imagined, a great variety of clothing was in evidence and everyone was busy scrambling around making arrangements to collect enough lunch to stay for the day. There certainly was plenty of snow piled up outside the building—a perfect paradise for skiers. Good thing it doesn't happen every day!

Joke Box

He: "Can you see all right?"
She: "Yes."
He: "Is there a draft on you?"
She: "No."
He: "Is your seat comfortable?"
She: "Yes."
He: "Let's trade seats."

Officer: "Did you pick my new OW AO stenographer on the basis of her grammar?"
Private: "Grammar, Sir? Migoah, I thought you said glamour."

HORNBY

The W.A. of St. Stephen's Church held their annual meeting recently at the home of Mrs. Arthur Brain. Reports showed that the organization had experienced another successful year. Two boxes of quilts and clothing were sent, one to the Bishop Hornden Indian School and the other to the W.A. rooms in Hamilton. A generous contribution was made to the Apportionment Fund of the Church. All the officers were re-elected as fol-

lows:
President—Mrs. W. Thompson; 1st Vice-president, Mrs. F. Weller; 2nd Vice-president, Mrs. F. Chisholm; Secretary-treasurer, Mrs. M. Bussell; Dorcas-Secretary—Mrs. H. Bradley; Educational secretary, Mrs. F. Brain; Living Message secretary, Mrs. E. Price.

STEWARTTOWN

The Junior W.A. annual meeting was held last week. Reports show 12 members, 36 meetings held, average attendance 9. Meetings were held Monday afternoons when school was held. Seven hymns were memorized. Three baby's quilts were made, 3 layette outfits and 12 scrap books were the activities for the year. \$1.50 was sent to the Sunday school by Post (This organization sends Sunday school lessons and literature to children too far out to attend Sunday school). Officers for

1945 are: Secretary, Lois Thompson; assistant, Evalonne Smith; treasurer, Lois Bessey; assistant, Betty Humphreys; Dorcas secretary, June Thompson; assistant, Jeannine Humphreys; pages, Lois Milham; assistants, Betty Henderson, Betty Barrow and Pat Barrow; supt., Mrs. Mary Bally.

St. John's Woman's Auxiliary held their annual meeting at Mrs. John Bird's home. Reports show a very good year. All pledges were met and a balance on hand. A bale of quilts and clothing was sent away in June. All officers were re-elected: President, Mrs. S. R. Colebrook; vice-president, Mrs. S. Hunt; secretary, Mrs. Jos. Standish; treasurer, Mrs. J. H. Smith; Junior Supt., Mrs. Mary Bally; Little Helpers Secretary, Mrs. Johnston, who is honorary president is also literature secretary. The Branch will continue to send the Living Message to Mrs. Tracy, who is honorary secretary. Stewarttown was in darkness Fri-

day morning from 1.30 a.m. till 9 o'clock. The Hydro was off.

The women's Institute monthly meeting was held Friday evening when a quilt was finished and bound. A letter from Norman Bally to his mother was on the sale arrival of the parcel from the W.I. This was welcome news, as the members had feared that the W.I. parcels were in the disastrous fire at Halifax when so many overseas Christmas parcels were destroyed.

Stewarttown was pretty well blocked up with the snow storm last Tuesday morning.

A happy New Year and a speedy return home in Peace, to all our boys and girls overseas. You are all remembered constantly boys and girls.

The snow plow is making a fine job on the streets. It is owned and operated by Art Scott.
