—On Friday morning, the fish and chip fryer in Penson's Fish and Chip Store caught fire as one of the burners was being lit. It had been leaking a bit and immediately went up in flames. The Fire Brigade was called but until they arrived, Mr. and Mrs. Penson prevented it from spreading further by slapping it with water with wet towels. They were unable to throw water on it due to the fat on the stove catching fire. Mr. Penson was slightly burned. The motor on the fryer was destroyed, but a new one obtained right away enabled them to carry on business as usual.
