**NEWS FROM THE PUBLIC SCHOOL**

Once again we have reached the half-way mark in our school year. The attendance at our school this year has been above the average. The percentage has not been below 91% for any one month. The pupils are to be congratulated on their effort to be present during the heavy snow and severe weather.

**G P S**

We are sorry to have Miss Langan absent from our staff on sick leave, but hope to have her back with us very soon. At present Miss Margaret McKinstry, of Norval, is taking charge of Miss Langan's work.

**G P S**

As usual, the pupils have enjoyed their winter sport on the hill behind the school, and for the past six weeks tobogganing, skiing, sleigh-riding, and just plain sliding have all come in for their share. We have also enjoyed six different periods of hockey and skating at the local rink. These outings took place from 4 to 5 p.m.

Two weeks ago the Junior Red Cross held its regular meeting with George Rogers the vice-president in charge. At this meeting, Miss Chant, our new Public Health Nurse, spoke briefly on the principles of good health. Prior to this meeting the Junior Red Cross completed another successful paper drive, collecting over four tons of paper, to the value of \$44.00. From this, \$10.00 was donated to the I.O. D.E. Book Fund, and \$25 to the special Junior Red Cross War Drive.

**G P S**

The pupils are keeping up their purchases of War Savings Stamps. The pupils from our school purchased stamps to the value of \$851 during the fall term, leading all other schools in the county. To date, this term, they have purchased over \$300 worth.

**G P S**

For the past few weeks, the pupils have been enjoying two radio programmes each week, which are specially arranged by the Department of Education. On Tuesday, music programmes under the direction of Mr. Fenwick, Provincial Supervisor of Music are broadcast. These programs aim to develop in the pupils an appreciation of good music. On Friday, the senior pupils have been enjoying special programs in art. Each week the life story of some outstanding Canadian artist is presented in a most interesting manner. These programs will do much to stir up a more lively interest in art in general and Canadian art and artists in particular. We are indebted to our local I.O.D.E. Chapter who so generously presented our school with the combination radio and victrola some three years ago, and which enables the school as a whole to enjoy these programs which are being broadcast.

**ASHGROVE**

The regular meeting of Ashgrove Y.P.U. was held Sunday evening, Feb. 11th, at the home of Elsie and John Bird. The worship service was conducted by the president, Ward Brownridge, during the course of which Ismay Kean and Betty Ruddell contributed a pleasing vocal duet. Rev. J. O. Totton addressed the young people, taking as his theme, "Pitfalls of Modern Times." At the conclusion of the meeting, the executive met to plan future programs. A skating party will be held Wednesday evening, Feb. 21st, at Georgetown arena.

Several ladies from Ashgrove United Church attended the World's Day of Prayer service held in Hornby United Church last Friday afternoon. The service was conducted by Mrs. Percy Merry, assisted by Mrs. Foster Brain, Mrs. C. B. Dick, Mrs. May and Mrs. Clifton. A beautiful vocal solo was given by Mrs. Murray Hayward. Mrs. Walter Brownridge addressed the meeting, giving a very timely message on the theme "Building for God in a Modern World."

**HORNBY**

The prayer service held in Hornby United Church on Friday afternoon last was well attended, considering the cold weather and unfavourable condition of the roads. Women were present from Ashgrove and Bethel Churches as well as from Hornby. The program was interesting and helpful to all who attended.

Another well-known and highly respected local resident passed away on Thursday last, Feb. 16th, after a lengthy illness in the person of the late William James Chisholm. The funeral service was held in St. Stephen's Anglican Church of which the deceased was a member, conducted by the rector, Rev. S. R. Colbrook and largely attended. Full Masonic rites were administered by officers and members of St. Clair Lodge, Milton, of which the late Mr. Chisholm was a faithful member. Deep sympathy is felt by all for the bereaved relatives in their great sorrow and loss.

**AUTUMN SERVICE NOTES**

**GLEN WILLIAMS**

We are pleased to welcome home this week, Trooper Albert Prosswood, who arrived from overseas on Friday. He was met in Toronto by Mrs. Prosswood and Ruth.

Mrs. Gordon Hiltz, who has been a patient in Guelph General Hospital for the past few weeks, was able to return to her home on Sunday.

Mr. and Mrs. Clayton Allen spent the week end in Toronto.

Mr. and Mrs. E. Robson and children of Guelph were visitors on Sunday at the home of Mrs. S. Norton.

Mrs. M. Allen left on Wednesday for London where she will stay with relatives.

The Ladies' Guild of St. Alban's Church held their annual bazaar on Shrove Tuesday, and despite the inclement weather it was an outstanding success. The sewing table, home-made baking table, the fish pond for the children and the supper tables were well patronized and over \$250.00 was realized. A wheelbarrow, filled with groceries was drawn for during the evening and was won by Mr. E. Tyers, Georgetown. The Guild, with Mrs. Hadley as their president, are to be congratulated on their success.

After being a patient in the Sick Children's Hospital, Toronto, for two weeks, Eddy Norton was able to return to his home on Saturday. Eddy met with a serious accident while sleigh-riding and although his eye is still closed, it is hoped the sight will not be impaired. On Monday evening fourteen of his Sunday school class, with their teacher, Mrs. Herbert Hancock, paid a surprise visit to the little shut-in, and a very happy evening was spent.

**ST. GEORGE'S WAR SERVICE LEAGUE GET REPLIES FROM CHRISTMAS GIFTS**

Mrs. Fred Armstrong, Secretary of St. George's War Service Committee, reports that she has received a great many replies from the overseas service men and women of St. George's to whom chocolates and cards were sent at Christmas. Men in Holland, Belgium, England and Italy, have been heard from.

A happy coincidence occurred in the fact that most of the boys in Belgium received their Christmas cards on Christmas Day. The chocolates seemed to be generally appreciated even more than the usual gift of cigarettes, and in many cases the boys shared them with their buddies, or with the people with whom they happened to be staying. WRNRY Margaret Chapman (nee Lealle) wrote that she and her husband had spent a pleasant leave in London together. Although they enjoyed seeing London, Margaret said that the damage wrought there by the VI and V2 bombs had been terrific.

**BRITISH PLAN NEW SCHOOLS**

An experiment in pre-fabricated schools is being made in England, where work will begin shortly on a bungalow type school to accommodate well over 300 children. The school is to be a permanent structure, and is being erected in Kent to deal with over-crowding problems. Once the drainage and foundation are installed, it will be a matter of days to piece together the concrete sections of such a school. The design is the result of an invitation to leading architects to submit plans. House construction will take priority over all

other types of building, so a special committee was set up to explore the possibilities of such pre-fabricated school houses.

Possibilities of such construction in other fields are extremely interesting. Enemy action has caused loss of many public buildings which may be replaced in this way.

**CANADA'S VETERANS Their Post-War Opportunities**

An advertisement explaining to the people of Canada the re-establishment credit available to men and women of the Armed Forces.

**The Re-establishment Credit— AN EXPLANATION OF THE GRANT**

In planning the return to civilian life of men and women in the armed forces, Canada's parliament realized that assistance in re-establishment must cover a wide variety of fields. For many—particularly younger members of the forces—the best method of effecting permanent re-establishment will be through training or through an opportunity to continue an interrupted education. Others can be assisted through training or settlement—either on full time farms or on small holdings operated with some regular form of employment. In many cases a combination of these two things—training and land settlement—will be the solution. Legislation for this type of re-establishment was provided early in the war.

**ANOTHER LARGE GROUP**

There is, however, another very large group who do not need training and who are not suited for land settlement as provided under the Veterans' Land Act. After long months or years in uniform, these veterans will need assistance also. There will be those who normally would have owned their own homes had it not been for their service. There will be those who own homes but who have been unable to carry out needed repairs and alterations. There will be veterans who sold businesses to enlist and who want to resume them, and others who are fitted for a business of their own but who need assistance in financing. The Re-establishment Credit is designed for this latter group, and primarily is an alternative to training and land settlement benefits.

**PAID UNDER WAR SERVICE GRANTS ACT**

The Re-establishment Credit is made available under the same Act of Parliament which provides War Service Gratuities. It is not a loan but an outright grant, paid to an eligible veteran to aid in re-establishment if the veteran decides not to use land settlement or training benefits. It may be used in Canada only at any time in the ten years following discharge for certain specified purposes as outlined in this advertisement. The grant is called a "credit" because it is an amount carried on the ledger to the credit of the veteran for ten years until used by him for a re-establishment purpose.

**HOW TO APPLY FOR RE-ESTABLISHMENT CREDIT**

The re-establishment credit is an amount equal to the basic War Service Gratuity—that is \$7.50 for each 30 days' service in the Western Hemisphere and \$15.00 for each 30 days' service overseas. The amount is computed by the branch of the armed forces with which the veteran served, and for that reason application first must be made for the War Service Gratuity. When a statement showing the amount of the basic gratuity has been received by the veteran, application for the re-establishment credit may be made to the Department of Veterans Affairs on a form which may be secured from

any district office of the department. Application for the war service gratuity is made to the branch of the armed forces with which the veteran served and forms may be secured at any armed forces depot or at any office of the Department of Veterans Affairs.

**STUDY ALL MEASURES BEFORE APPLYING**

It is important that every veteran shall have made a definite decision as to future plans before applying for the re-establishment credit. Payment of the re-establishment credit debars the veteran from educational and training grants and benefits under the Veterans' Land Act, since on application for the credit the veteran elects not to take advantage of these other benefits. Any benefits under the Veterans' Land Act and payments to, or on behalf of the veteran for training or continuation of education already granted are charged against the credit. Do not apply for your re-establishment credit until you have studied all other rehabilitation measures. Advice of department officials is available to assist you.

**PURPOSES FOR WHICH CREDIT MAY BE USED**

- Grant of the credit may be authorized for the following purposes:
- To assist in home owning;
  - To assist in building a home;
  - To assist in home repairing or modernization;
  - To buy household equipment and furniture;
  - To buy tools, instruments, etc., for trade, profession, or business;
  - To provide working capital for profession or business;
  - To buy a business;
  - To pay premiums on Dominion of Canada insurance;
  - To buy special equipment required for educational or vocational training.

In the case of (a), (b), (d) and (g) above, the veteran must put up one dollar for every two dollars used from the re-establishment credit. If experience shows a breaching of these purposes is needed, provision has been made for it.

FOR COMPLETE INFORMATION WRITE TO THE NEAREST OFFICE OF THE DEPARTMENT OF VETERANS AFFAIRS
