

JOE'S AN OLD TIMER

• JOE is one of the many thousands we think of when we talk of old timers in this industry. Pulp and paper is right in his blood. Years ago, Joe was a woodsman; now he is in the mill where "big fellas," such as he used to topple, are converted into pulp:

HALF A MILLION CANADIANS

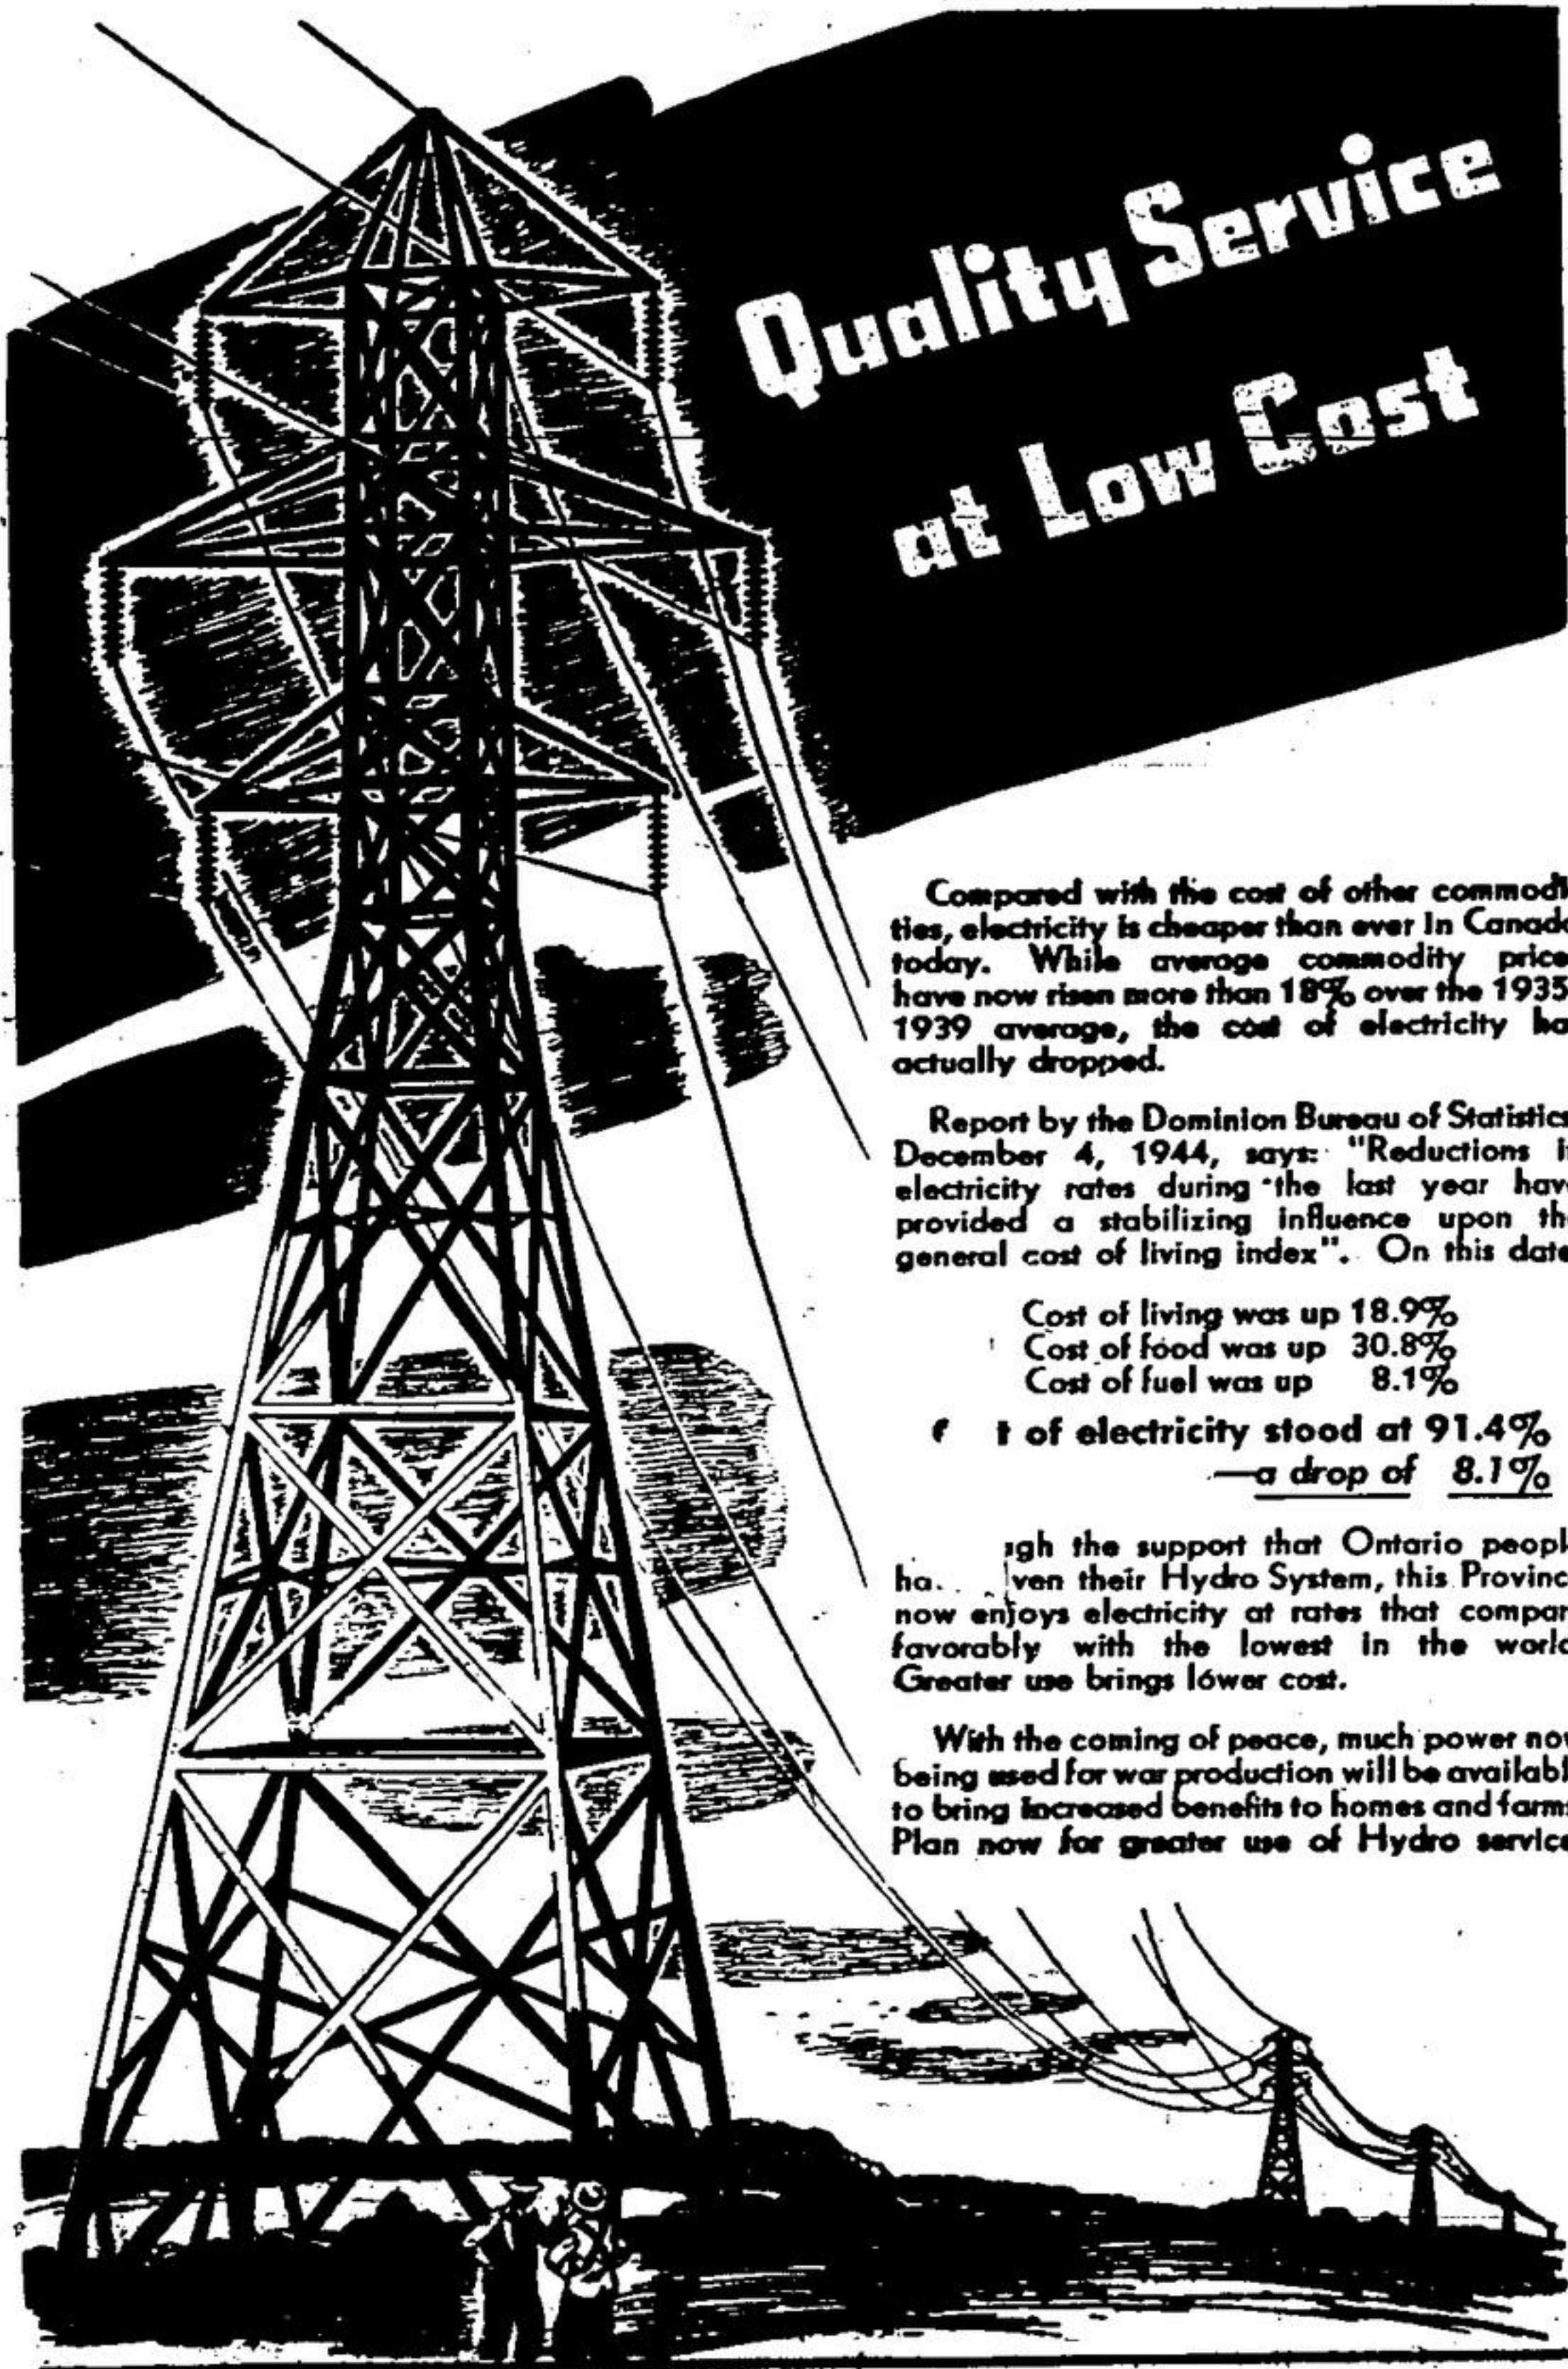

PULP AND PAPER is a mainstay of Canadian life. Including woods operations, pulp and paper gives direct livelihood to over half a million Canadians. Of all our peacetime manufacturing industries, it stands first in wages paid and first in export trade.

Joe is typical of thousands in our mills. He enjoys steady work and security for his family. We're proud of his long service with this industry and proud of the job he has done through this war.

***THE PULP AND PAPER
INDUSTRY OF CANADA**

* 80 companies, small and large, with 105 mills from coast to coast.

"A Good Industry to be with"

**Quality Service
at Low Cost**

Compared with the cost of other commodities, electricity is cheaper than ever in Canada today. While average commodity prices have now risen more than 18% over the 1935-1939 average, the cost of electricity has actually dropped.

Report by the Dominion Bureau of Statistics, December 4, 1944, says: "Reductions in electricity rates during the last year have provided a stabilizing influence upon the general cost of living index". On this date:

Cost of living was up 18.9%
Cost of food was up 30.8%
Cost of fuel was up 8.1%

Cost of electricity stood at 91.4%
—a drop of 8.1%

Through the support that Ontario people have given their Hydro System, this Province now enjoys electricity at rates that compare favorably with the lowest in the world. Greater use brings lower cost.

With the coming of peace, much power now being used for war production will be available to bring increased benefits to homes and farms. Plan now for greater use of Hydro service.

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO

Legion Notes

The annual meeting of Branch 120 was held on Thursday last with an attendance of seventy-five members. Comrade H. Stalford presided. The reports of the year's activities were read by the chairmen of the different committees, and the main financial report of the Branch as audited by Messrs. John D. Kelly and H. Dickie, was presented by Treasurer W. Honey. This auditor's report shows the affairs of the Legion are in a very healthy condition.

It has been the custom of the local Branch to elect its officers at the annual meeting, but due to a resolution presented by Comrade Chapman at the last meeting, asking that the election of officers be carried out as last year—that is by the ballot system of voting, at the meeting on Thursday when the resolution was brought before the meeting, an amendment to the resolution was presented by Comrade Col. G. B. S. Cousens, and when the question was put before the meeting a unanimous vote carried the amendment.

Therefore, Comrades, we will again this year vote by ballot which will be sent to each member after the ten day period expires. The names remaining on the Legion board will be printed on the ballot and each member may deposit his marked ballot on election night or forward it to the secretary to be deposited in the ballot box.

Outside scrutineers will be present on election night to tabulate the votes and inform the meeting of the names of the officers elected for 1945-46 term. Great interest was shown by all members at the meeting and when the nominations opened all comrades took part in nominating one or more members for the different offices.

Looking over the names appearing on the board we noticed nine were nominated for the office of president, and by Saturday night last we are informed that at least seven are determined to stand for this important office. All other offices carry seven to nine names, so election talk for this or that office is the main topic in the club rooms these days. The ten-day period will have elapsed by the end of the week and we will mention in our next Legion notes the names of those remaining on the board and definitely running for office.

Comrade President Stalford very capably handled the meeting which terminated after midnight. Several important decisions were thrashed out for the benefit of all members and with the singing of the National Anthem the annual meeting was brought to a close.

NOTES

The Comrades were informed last Saturday night by Chairman of the Canteen, Comrade Jimmy Roberts, that owing to the changes adopted by the general meeting affecting the canteen that the ration of free meat pies will have to be discontinued on Saturday nights. Jimmy informed the writer that he will have meat pies this Saturday which he will sell at cost price to any comrades wishing to purchase same. So comrades don't leave Jimmy stuck with a lot of extra pies on hand Saturday. He is kind enough to bring these in so help him out disposing of them.

One feature of the elections this year is that four ex-members will be elected from the floor to sit on the executive. Last year all chairmen of the different committees were on the executive, but this year only those elected will be on the executive. Therefore chairmen of the different committees can still hold their office whether they form part of the executive or not.

The fact that elections will not be held until the 26th of April gives the officers of the Legion an extra month to carry on, meaning that all officers elected last year will be serving 13 months, and officers for 1945-46 will be serving for only 11 months.

Comrades please do not erase your own or any other names appearing on the board. The president or secretary are the only authorized officers to remove your name. Please co-operate. So until next week, to all comrades and their families, a happy Easter.—J. B.

SUDDEN DEATH OF GEORGE GORDON CHISHOLM

Life-long resident of Trafalgar township, George Gordon Chisholm passed away suddenly at Hornby on Monday at the age of sixty years. He suffered a heart attack. He was the last member of the family.

Mr. Chisholm was well-known in this district and will be missed by many friends. Born in Trafalgar, he had farmed in that township all his life. He had never married. He was a member of the Orange Order and the Anglican Church.

The funeral was held on Wednesday with Rev. S. R. Oolebrook of Norval in charge. Members of the Orange Order also attended and conducted the burial rites of the Order. Interment was made in Evergreen Cemetery, Milton. The pallbearers were Messrs. W. J. Lindsay, C. McDowell, Russell King, Fred Robinson, Charlie Brooks and Gordon Bridgen.
