

RENEWAL OF UNEMPLOYMENT INSURANCE BOOKS

To All Employers:

All Unemployment Insurance Books for the year ending March 31st, 1945, must be exchanged for new books.

Kindly communicate immediately with the nearest Employment and Selective Service Office if you have not already exchanged your employees' books.

There are severe penalties for failing to make Unemployment Insurance Contributions for your insured employees and for failure to renew the Insurance Books as required.

To All Employees:

If you are an insured person protect your benefit rights by seeing that your Insurance Book has been exchanged.

—The Daughters of the Church will hold a sale of home-made baking, aprons, and knitted babies' clothing on Saturday, April 28th in the McCubbin Store. Particulars later.

—Keep Thursday evening, April 12, open for a euhre in the Legion Hall, under auspices of the Legion W.A.

—The M.O.H. reports that there were no communicable diseases for the month of March in Georgetown.

—The weatherman favoured the Easter Board Walk on Sunday, with a balm spring day.

—Mrs. D. Fraser, Market St. reports that they enjoyed a new rhubarb pie on Sunday, made with rhubarb from their garden.

—And then we heard of a lady who picked daffodils from her garden last week.

—Due to the Good Friday holiday, it is possible to print only a four-page Herald this week, and several important news items and features have had to be held over till next week's issue.

—8th Victory Loan organization meeting will be held in the Municipal Building, Friday, April 6th at 8 o'clock, to choose the executive for the coming Loan drive. All interested citizens are urged to attend.

—The I.O.D.E. Service Libraries fund acknowledges with thanks two further donations: Miss A. Staunton, and Union Members of Provincial Paper Ltd.

—The Norval Junior Institute and Junior Farmers will hold their annual church service next Sunday evening, April 8th, in Norval Presbyterian Church, at 8:15 p.m. Rev. John Riddell of Milton will be guest speaker. Special music will be rendered by Misses Mary Moyer and Molly Hopburn of Georgetown.

Ft. Lieut. James Evans, RCAP Overseas, paid a surprise, and literally "flying" visit to his wife and parents last week end. Ft. Lieut. Evans was in Canada for only a very short time.

STEWARTTOWN

Tentative plans for a Soldiers' Reception Committee for the Stewarttown district were formed at a meeting held in the Council Chamber last Wednesday evening.

The purpose of the organization, which includes all the residents of the community is to be a means of welcoming the men as they return, and later, as circumstances allow to provide an opportunity of honouring them through the medium of some social function.

Mr. John Murray was appointed to head a welcoming committee, and Mrs. W. Hulls appointed for a decorating committee.

A further meeting was called for April 6th, when it is hoped more definite arrangements will be made.

CLIMB AWAY FROM THAT TOOTHACHE

Because aviators with supposedly sound teeth often have toothaches flying in the stratosphere, dentists may now be able to spot decay a year before trouble begins. Robert D. Potter, science editor, writes about it in The American Weekly with this Sunday's (April 8) issue of The Detroit Sunday Times.

C.G.I.T. NEWS

The C.G.I.T. met in the United Church Sunday School on Tuesday, March 27th at 7:30. The meeting was called to order and the worship service was taken by Virginia Chapman. The secretary read the minutes of the last meeting. The rest of the evening was an informal discussion. The meeting closed with "Tape."

NOW AN OIL THAT'S 'ALLOYED'... KEEPS ENGINES CLEAN!

HIGH VACUUM Distillation... Catalytic Process... M.E.K. Solvent... Catalytic Clay (part of this plant is shown above) these are each important steps in the famous Clarkson 5-point-process which makes the purest, most efficient lubricating oil known. Then comes the unique 5th step—the step that "alloys" the oil against oxidation; just as iron is alloyed against rust to make stainless steel. This step means that Peerless Motor Oil will stay on the job longer, keep engines cleaner, cut the repair cost.

This Spring switch to B-A's sensational new 5-point-process PEERLESS MOTOR OIL

This year don't delay! Get your spring change-over early, before that dirty worn-out oil in your car causes serious damage! And when you change, switch to Peerless, B-A's new, Canadian-made, 5-point-process oil that's "alloyed" to prevent its fouling your car's engine... to help keep your repair costs down!

THIS YEAR IS CRUCIAL

It is particularly important, when most of us are driving cars which have already given abnormal service, that we give the engine every possible chance. Only by so doing can we hope to get through the driving season without trouble. That's why it's so important to know how Peerless Motor Oil does a better job.

Here in a nutshell is the reason: From selected lubricating crude oils, B-A eliminates everything except the purest, "oiliest" lubricating fractions. Then, by a special process, Peerless Motor Oil is "alloyed" against decomposition under the heat and pressure it meets in the engine of your car! For longer, safer car life switch to B-A Peerless Motor Oil!

FARM TRACTORS need proper lubricating oil even more than cars and trucks. Because "it's alloyed" Peerless Motor Oil keeps tractor engines in better shape!

THE NOW TO replace old, worn-out winter grade oil with B-A Peerless Motor Oil. Delay may be disastrous! Drive in tomorrow to the sign of the big B-A!

FOR BETTER SERVICE and better products—products like Peerless—change now to your British American Oil Dealer.

YOU ALWAYS BUY WITH CONFIDENCE AT THE SIGN OF THE BIG B-A
