### LIONS CLUB HOST TO LADIES AT ANNUAL AFFAIR

Georgetown Lions Club entertained their ladies at the annual Ladies' Night held Monday evening in the McGibbon House. The ladies were welcomed by Lion Chief LeRoy Dale, and during the dinner hour the gathering enjoyed the music of Bill McDonald's Rhythm Band.

Lion W. F. Bradley proposed a toast to the ladies, and this was responded to by Mrs. C. C. Cochrane. Lion Harold McClure was master-of-ceremonies for an excellent program of entertainment provided by three young ladies from Toronto, Misses Owen, McMillan, and McDonald. Jean Hunt, also from Toronto, was the evening's emcee. The evening was closed in memory of the late Mrs. J. H. Hunt.

You need only 2 tablespoonsful two times a day. Often within 48 hours—sometimes overnight—splendid results are obtained. If the pains are not quickly relieved and if you do not feel better, Ru-ex Prescription will cost you nothing to try. Your money refunded if it does not help you. Ru-ex Prescription is for sale and recommended by McOrrison's Drug Store and other leading druggists.

### High School Will have Two New Teachers Next Term

At the regular monthly meeting of the High School Board on Monday, April 9th, it was decided to advertise for two new high school teachers to replace Miss Ahoie Fairbairn and Mr. Matthews, who are leaving at the end of this term.

Business included the passing of accounts totaling \$79.39, the ordering of 80 tons of coal, and a motion to pay \$20 towards the transportation of contestants in the Music Festival to be held at Port Credit.

It was moved and carried that the new enlarged coverage as outlined in the Employers' Liability Prospectus covering students who might be injured on track meets or while in training for the same whether at home school or elsewhere, be accepted.

### REV. RUSSELL SELF, ORDAINED LAST WEEK, PREACHED AT NORVAL

A large congregation attended Norval Presbyterian Church last Sunday morning to hear the minister's brother, Rev. Russell Thos. Self, preach his first service as an ordained minister. A graduate of the University of Western Ontario, Mr. Self graduated from Knox College last Tuesday, and it was his brother's privilege to take part in the ordination service in St. John's Presbyterian Church the following Thursday evening. Son of Mr. and Mrs. James H. Self, of Toronto, he will go for a year to work in the mission field at Vernon, B.C.

A unique feature of the Sunday service at Norval was the baptism of Penelope Louise, daughter of Rev. and Mrs. J. L. Self by the baby's uncle.

## A Message from GEORGE DREW to all with Relatives and Friends Overseas

ARRANGEMENTS have been made by the Ontario Government for members of all the Armed Services overseas to vote in the coming Ontario election by placing a ballot in a ballot box for the candidate of their own choice. The arrangements which have been completed for the Ontario vote are the best which have yet been made for any Active Service vote. The Government, however, can only make the arrangements for taking the vote. What is equally important is that those who are overseas know the name of the candidates, the party they are supporting and have a sufficiently clear picture of the issues to decide how they should vote. That can only be done if those at home supply them with information. May I strongly urge every wife, mother, father, sister, brother or friend of those overseas to write and tell them all they can about the coming Ontario election. By clippings from newspapers, by editorial comment, and by personal explanation, a clear understanding can be given of what is really at stake in this Ontario election.

One of the things which will cause the greatest difficulty in the minds of those overseas, particularly those who live in large cities, is to determine which Riding they live in. Maps will be available, but even the best map sometimes leaves doubt when the voter has been away from home for a long time, or as is true in so many cases has never voted before. This difficulty will be increased because of the difference between the boundaries of Dominion and Provincial Ridings.

I would suggest that you write *immediately, by airmail*, to all with whom you are in communication and tell them the Riding in which they live and give them what information you can about the party and the candidate in the Riding where they are entitled to vote.

I should mention that every member of the Armed Forces overseas of any age is entitled to vote. They, above all others have the right to vote. They have preserved for us that free system of Government which depends upon the choice of our own representatives. Our job here at home is not only to make sure that they have the chance to vote but also to do everything possible to make sure that they are able to vote with knowledge of the real issues in the election.

For the sake of convenience, I am suggesting that you simply cut out this message and address it to someone overseas giving the information required. Each one of us here at home has a responsibility to help them to choose the Government which will have so much to do with their future in the years of peace. May I again urge you to write at once, by airmail, not only to those closest to you but to as many as you know in any of the services outside of Canada. Tell them what Provincial Riding they reside in at home—then the name of the candidate and any further information you can supply.

Yours sincerely,

Your Provincial Riding is

Your Candidate is
