

# We can do *so little* ...and yet *so much!*

**E**ACH DAY the war takes its toll of Canadian youth. Yet hope and longing cannot reduce enemy strongpoints. We cannot restore lost lives. There is little we can do to ease the sufferings of the wounded.

How, then, can we ever start to pay the debt we owe to our fighting men?

For most of us there is only one way. It is to buy Victory Bonds to help those still fighting to advance at the least possible cost... to help pile up munitions so that they can crush the enemy with fire and steel... to outmatch his weapons until his last spark of hope is dead.

So buy Victory Bonds to your utmost limit... and do it today.
