VICTORY BONDS

VICTORY LOAN

April 23 - May 12

The entire County of Halton is looking to Georgetown

• IN THE LAST Victory Loan Campaign Georgetown and District led the entire county in the purchase of Victory Bonds. Since Halton county was first in the entire Dominion, in the per-capita purchase of Bonds, this was no mean feat on the part of our town and township. But, considering Georgetown's splendid war effort for the past six years we did only what was expected of us. However, being a leader has its responsibilities. Georgetown is being held as an example by every municipality in the county. Our duty is two-fold then—and we must not shirk it.

"Argentina and Turkey have gotten of the fence -- How about your Bank Savings?"

• "INVEST IN THE BEST." That's the slogan for Canada's 8th Victory Loan Campaign. After six years of war and seven Victory Loans it seems that there are still some people who are not fully convinced that Victory Bonds are the finest investment in the country today. With these idle dollars we can send this Loan over the top, as we did the other seven. Those powerful seven that changed the war picture from fearful doubt to confidence in complete Victory!
