## LIMEHOUSE

(Intended for last week)  
 One of the largest crowds seen in the Limehouse schoolhouse gathered there on Tuesday evening last week to bid farewell to the Given family, prior to their removal to their new home near Rockwood. In a lull between dances, A. W. Benton called the honoured guests forward, and while Sam Gisy read an address, Mr. and Mrs. Given were presented with two occasional arm chairs by Sid Kirkpatrick and Fred Brooks. Mr. Given thanked their neighbours and friends for their gifts and good wishes. Margaret Kirkpatrick read an ad-

dress to Olive and Jean, when Loren Sanford presented each with a cup and saucer. Olive replied fittingly. The music for dancing was supplied by Garnet Kay, Bill Summers and Bill Bennett, with Jos. McDonald as floor manager. The W.M.S. meeting was held at Mrs. Ellerby's on Thursday evening with text word "pray" used in the roll call. Mrs. Ellerby attended the funeral of her brother-in-law, the late Mr. Monroe, in Niagara Falls, N.Y., on Monday. We extend sympathy on behalf of the community to Mr. and Mrs. Jas. Jamieson and family who received the sad news that their son had given his life overseas.

## BALLINAFAD

Mr. and Mrs. F. McLeish and Mary McEnaney, of Caledon, spent Sunday at F. W. Shortill's.  
 Tuesday V-E Day was celebrated quietly in this community. A very impressive service was held in the church in the evening which was well attended.

The Mission Circle held the May meeting at the home of Ruth Smith. Betty MacOskill, who was in charge of the topic, read an interesting paper on "Influence of character on the ones we come in contact with." Plans were made to hold a social evening in June, proceeds for the expense fund.  
 Miss P. Foreman spent the week end with her brother, Sherlock, in Louisville, U.S.A.

**NATURE PROVIDES THEM WITH CAREFREE TRANSPORTATION**

**YOUR CAR OR TRUCK requires an EXPERT MECHANIC**

Unlike Wild Geese, which are always ready to travel, your car or truck needs the periodic service of expert mechanics. Our up-to-date Service Department stands ready to keep your vehicle rolling. But because heavy pressure of war-time work often fills our schedule early in the day, we suggest you phone us for an appointment for a time when we can give your car or truck prompt and thorough attention.

Our check-up includes oil change; adjustment of such vital parts as engine, brakes, steering, starting and lighting equipment; wheel packing, lubrication of rear end and transmission.

We watch those "little things" as well... those squeaks, rattles, and strange noises which may not be serious now, but could mean serious difficulty later on.

We use ONLY genuine factory-approved parts in repairing your Dodge or DeSoto motor car or Dodge truck. Parts are easily available either in our own Parts Department or from the nearest Factory Parts Depot.
