

Get the C.C.F.

CARLYLE C. BROWNE
C.C.F. Federal Candidate in Halton

To the Voters of Halton:

Unable to buy their way into the C.C.F. Party or control it, it is abundantly clear to all thinking men and women that the order has gone out from the Manufacturers and Bankers Associations to GET THE C.C.F. Working through the Conservative and Liberal Parties which they control and finance, the biggest booby trap in the political history of Canada is being rigged with which to blow the people of this country into another and worse depression. In a last desperate effort to hold fast to the power and privilege to exploit the worker and farmer the bankers and industrialists at the top are spending millions of dollars which they chiselled out of the people at the bottom in a Dominion-wide campaign of falsehood, distortion and misrepresentation of the policies of the only peoples party in Canada THE CO-OPERATIVE COMMONWEALTH FEDERATION.

These hundred men at the top are the same men who have fattened off the people during two wars and the ten long years of the "hungry thirties". These are the men who R. B. Bennett, the last Conservative leader and Prime Minister of Canada denounced in his Security Broadcasts in the elections of 1935. "There are, said Mr. Bennett, men in this world and Canada has her share, men without souls or virtue, who think more of their mounting bank of the people, without whom they could not exist." And said Mr. Bennett "THIS DEMANDS GOVERNMENT CONTROL AND INTERVENTION. THEY (THE MEN WITH OUT SOULS OR VIRTUE) WILL CALL US SOCIALISTS AND RADICALS, BUT I NAME MY FLAG TO THE MAST". In 1939 when Mr. Bennett was the defender of Big Business and the Banks he received their fullest support, in 1935 disgusted and angered by their ruthless treatment of the people, Mr. Bennett took up their cause and the orders went out from the Manufacturers and Bankers Association: "GET BENNETT". Despite his prestige as Prime Minister, his great qualities of leadership and his great personal wealth, R. B. Bennett went down to defeat before the hundred men who control the welfare and the destiny of the eleven million people of Canada. They booted the Conservatives and threw their support behind Canada's old professional politician, the shrewd, crafty and cunning Mr. King.

It was these men and their kind who financed and raised to power Adolf Hitler, and who now seek to lay upon the doorstep of the Socialist Movement the terrible result of their own criminal acts. These are the men who deny our youth the right to earn a living in time of peace and slaughter them in time of war. These are the men who are responsible for the most appalling destruction of property in all history. These are the men who support a system which reaps its greatest profits from wars and depressions. These are the men who are using every means fair or foul to turn the people against the C.C.F. because it is the only party they cannot control.

Let us face the facts by looking at the record. The National Socialist Party of Germany led by Hitler rose to power by and through the support of the Bankers and Industrialists of Germany and elsewhere.

The C.C.F. arose from the people, is supported by the people and financed by the people.

When Hitler came to power the first thing he did was to smash the people's party, the Social Democrats. Those who did not escape from Germany or fled to go underground in time camps, the torture chambers and were murdered by the thousands.

Let us compare the Hitler record with the first C.C.F. government of the Province of Saskatchewan.

One of Hitler's first acts was to smash the Labour Unions and then the Farmers' Organizations and Co-operatives.

The C.C.F. Farmer Government of Saskatchewan in its first session enacted into law the finest Labour Act on the North American continent for protection of the workers. This C.C.F. government has created the first Department of Co-operatives in the world for the encouragement and financing of co-operatives. Its premier, The Hon. T. O. Douglas has just returned from Europe where he has secured from the nations of Europe agreements for the co-operative of the world and the C.C.F. government of Saskatchewan.

Hitler made of war a religion and the Bankers and Industrialists over-

for in wars they saw their greatest profit. The C.C.F. have always denounced wars as the greatest crime against humanity and stand firm in their support of an international organization for co-operation among nations and the outlawing of war and warmongers.

As an example of the falsehood and distortion which the old parties are spreading among the people of Halton, I have before me a folder issued by the Oakville Liberal Association which attacks the C.C.F. for stating they will take over the control of the Banking System. The whole purpose of this folder is to create in the minds of the people through their government control the issue of currency and credit then they (the people) will take away their own bank accounts. To show how utterly false this propaganda is let me quote not from any member of the C.C.F. but from the statement of the very respectable and Right Hon. William Lyon Mackenzie King, the leader of their own party, in a nation-wide broadcast during the elections of 1935, I quote: "Until the control of the issue of currency and credit is restored to the government as its most conspicuous and sacred responsibility, all talk of THE SOVEREIGNTY OF PARLIAMENT AND DEMOCRACY IS IDLE AND FUTILE."

In the year 1793, Amosel Meyer Rothschild said the same thing in different words, I quote "Permit me to issue and control the money of a nation, and I care not who makes its laws." Thomas Jefferson, third President of the United States said: "I believe that the banking institutions are more dangerous to our liberties than standing armies. Already they have raised up a government at defiance. The issuing power should be taken from the banks and restored to the people to whom it properly belongs."

Abraham Lincoln addressing the United States Senate in 1863 said: "We have two enemies, the Southern armies in front and the financial institutions in the rear, of the two I fear the one in the rear the most."

Horace Greeley, the great newspaper editor wrote as follows: "While boasting of our noble deeds, we are careful to cover up the ugly fact that by our unique money system we have created a system of oppression, which though more refined, IS NOT LESS CRUEL THAN THE OLD SYSTEM OF CHattel SLAVERY."

In 1916 President Wilson said: "Our great industrial nation is controlled by its system of credit. Our system of credit is concentrated. The growth of the nation, therefore, and all our activities are in the hands of a few men. We have become one of the most completely controlled and dominated governments in the civilized world no longer a government by free opinion, no longer a government by conviction, but a government by the opinion and duress of small groups of dominant men."

While Mr. Heppburn was telling his audience at the Liberal Rally at Oakville on Monday, May 21st, that, and quote: "Under the Liberal Government, money will be the servant of the people, and not their master, knowing full well that can only be accomplished by government ownership, the Bankers of Oakville in the name of the Liberal Association were passing out literature blasting the C.C.F. and warning the people against the C.C.F. and warning the people against the C.C.F. It is not what the Bankers Association tell you that is important, BUT WHAT THEY DON'T TELL YOU. AS AN EXAMPLE, "WHAT THE FUTURE MEANS" says "They (the C.C.F.) know that there are 5,852,707 depositor accounts in our Canadian banks." "They (the C.C.F.) know that total deposits are \$4,859,473,732."

But they the Bankers of Oakville do not tell you that the greatest part of that huge sum is not actual dollar deposits of the people, but BANK LOANS ISSUED BY THE BANKS AND ENTERED IN THEIR BOOKS AND THE BORROWER'S PASS-BOOK AS A DEPOSIT. THIS IS CREDIT MONEY AND IS CREATED BY THE BANKS OUT OF NOTHING. CREDIT MONEY DOES NOT INCREASE THE NATION'S WEALTH AND OF THE NATIONS BUSINESS AND THE BANKS CONTROL IT. By making loans, by refusing to make loans or calling in loans the banks make or break the people.

Before the British MacMillan Bank Commission of 1933, Sir Reginald McKenna, former Chancellor of the Exchequer and then President of the Midlands Bank, the largest bank in the British Empire when asked if the banks could create money out of nothing replied: "CERTAINLY, AND THOSE WHO HAVE THAT POWER HOLD THE FATE OF THE NATION IN THE PALM OF THEIR HAND."

The Bankers do not tell you that currency or the bank notes and coins of the country does only 5 per cent of our business and THAT IF THE PEOPLE OF CANADA WENT TO THE BANK IN A BODY THERE IS CENTIS CENTS NOT PAY THEM IS CENTIS ON THE DOLLAR IF THEY DEMANDED THEIR MONEY. IT SIMPLY IS NOT THERE.

Neither the Bankers of the C. C. F. are interested in the actual dollar deposits of the people. THE ISSUE IS WHETHER A FEW MEN SHALL CONTROL THE LIFE BLOOD OF A NATION OR WHETHER THAT CONTROL SHALL BE RESTORED TO THE PEOPLE IN ORDER THAT THE FREE FLOW OF CREDIT MAY ALWAYS BE AVAILABLE FOR THE DISTRIBUTION OF THE GOODS AND SERVICES THEY NEED.

During the depression tens of thousands of our people lost their homes, their farms and the savings of a lifetime; unemployment and poverty in the land of plenty became the rule. THE C.C.F. government of Saskatchewan has taken steps to insure CREDIT MONEY IN TERMS OF PUBLIC NEED.

NORVAL JUNIOR FARMERS

The regular monthly meeting of the Norval Junior Institute and Junior Farmers was held at the home of Frank Dolson on Tuesday evening, May 8th.

The speaker at the Junior Institute meeting was Mrs. J. E. Whitelock of Milton. She gave many ideas for a successful institute and invaluable hints to the those holding office. Mrs. Whitelock conducted an election of officers as follows:

Hon. President—Marian Hunter.
President—Betty Ruddell.
Vice-President—Janey Keon.
Secretary—Margaret Currie.
District Director—Marian Hunter.
Board of Directors—Elsie Bird, Isabel Currie, Doris Brownridge.
Auditors—Marjorie Evans and Doris Brownridge.

At the joint meeting, the following officers were elected:

Hon. President—Bruce Reid.
President—Douglas Currie.
Vice-President—Dick McLaughlin.
Secretary—treasurer—Ward Brownridge.

Directors—Frank Dolson, Jim Doane and Bill Alexander.

Mr. J. E. Whitelock, the speaker at the meeting of the Junior Farmers, spoke on the timely subject: "Post-War Reconstruction."

The guest speaker at the joint meeting, Mr. George Elliott, of Milton gave a very fine talk on the kind of estate we as good citizens should leave so that friends will benefit greatly from our friendship and that the world will be a better place for our having lived in it.

Harold McClure moved a vote of thanks to Mr. and Mrs. Dolson and Frank for opening their home for the evening. Delicious refreshments were served by the lunch committee.

ANNUAL MEETING OF COMFORTS COMMITTEE

The annual meeting of the Georgetown Soldiers' Comforts Committee was held in the Municipal Building on Wednesday, May 23rd, at 8 p.m., with the members of the committee in attendance.

Reviewing the past year's work and receipts, it was found to be the most successful yet recorded. This was due largely to unsolicited donations of a generous public, which certainly made the work of the committee much easier and was greatly appreciated by the men and women in the Services from Georgetown and vicinity. They, so often, say in their acknowledgments of parcels, that they would like to thank those who make this wonderful work possible so this word is passed on to you, now.

The following officers were re-elected for the duration: President, Mrs. A. Rege; secretary, Mrs. W. V. Grant; Treasurer, Mrs. S. C. MacKenzie.

The Committee is again very grateful to Mr. G. W. McLintock and his assistant for auditing their books and to the Georgetown Herald for sponsoring the fund in their columns.

The Committee is preparing a list of those still overseas and will be sending cigarettes to them in the very near future. They believe the boys are more in need of a reminder of home than when they were in the thick of the battle. As one letter just received says: "It is not so much the receiving of the gift, as it is in knowing that we are still in the minds and thoughts of those at home." The Committee hopes that the public will still remember those who are left behind to guard the peace so dearly bought.

CARD OF THANKS

On behalf of my husband and myself, I wish to thank friends and neighbours of Glen Williams for the kindness shown us and especially Mrs. George Preston, Mrs. Robert McMaster and Mrs. Wagstaffe whose work made the reception such a success.—(Mrs.) Mina Crawford.

—Mr. and Mrs. Stan Finlay have purchased a lot on Durham Street beside the home of Mr. and Mrs. Will Ford, and will erect a new home there this summer.

the BANKERS existence as well as the peoples was at stake they properly fulfilled the duty which they refused during the depression.

THE INSURANCE COMPANIES

The insurance companies are equally guilty with the banks in the exploitation of the people, let their own words speak for the system which they support and I quote this advertisement published by a well known insurance company noted for its reliability, it reads:

"THE FUTURE"

"What happens to 100 average men of 25 upon reaching the age of 65? Only one will be wealthy; four will be well-to-do and able to enjoy comfort and recreation; five will be working for a living with no prospect of relief from drudgery; 35 will have died leaving families enduring hardship; 55 will be dependent upon friends or upon relatives or upon charity."

AFTER FREE ENTERPRISE has had free sway for centuries could there be penned by any critic of Capitalism an indictment more damning than that.

Canadian Citizens do not be fooled by the propaganda of the Bankers and Manufacturers Associations and the two old parties they control. When the Hydro Electric Commission took over from free enterprise the distribution of light, heat and power, did they come to your home and strip it of all wiring and fixtures or refuse to give you power. No. They gave the cheaper power and plenty of it. The C.C.F. when elected to office will nationalize the banking system of Canada so that cheap money and plenty of it is available in terms of public need. The great Labour Party of England which will be the government after July 5th, is going to nationalize the banking system of Great Britain. Under a C.C.F. Government the people of Canada will have more money in the banks, more and cheaper insurance expressed in terms of public need and not private profit, both backed by the wealth and resources of the nation.

This evil system with its appalling record of two world wars and a world wide depression of ten years duration in one generation, is dying, but dying a viciously rending and tearing to the last gasp. Let us not seek to prolong its life but hasten its death. The issue before the Canadian people is not one of candidate against candidate; it is party against party, but a war between the forces of greed and avarice on one side and the welfare of our people on the other.

Let us as a united people have faith in ourselves and profit by the words of the immortal Lincoln by electing to office "A GOVERNMENT OF THE PEOPLE, BY THE PEOPLE, AND FOR THE PEOPLE" for which the C.C.F. is fighting.

The nation dwells in the home and unless your government can make the light of its statesmanship to shine there, then it has yet to learn the duties of responsible government.

I challenge all of the candidates of the other parties to debate these great issues upon the public platforms of Halton County.

CARD OF THANKS

We wish to thank the friends and organizations for kind words and deeds and floral tributes during our sad bereavement. The words of sympathy spoken by our minister, Rev. J. E. O'Brien, have helped to ease the sorrow of parting with a loving wife and mother.—Mrs. Houghton and family.

LADY EDITH FASSES

Mrs. Mabel Duncan, editor and publisher of the *Warton Echo* and known for her chatty column "As a Woman See It", died suddenly May 17 in Hamilton General Hospital. She was 84. Mrs. Duncan took sick while visiting her daughter, Miss Barbara Duncan, at the Spectator editorial office.

The former Mabel Morrow, Mrs. Duncan had taken an active part in publishing the *Echo* since 1933 due to illness suffered by her late husband, Edward A. Duncan, who died in 1934.

Mrs. Duncan built up quite a reader following through her column which she signed "Mabel D.". She resided in Colborne and Toronto prior to going to *Warton* 23 years ago.

Mrs. Duncan was closely associated with community work and literary work.

Provincial Elections, Monday, June 11th. — *Warton Echo*, Monday, June 11th.
