BRAY CHICKS

ORDER HERE!

Shortage of early-hatched chicks... extra-heavy demand for eggs and poultry for both home and export markets... a sharply increased price for fall fresh eggs for shipment overseas... it all "adds up" to unusual opportunity.

Will you be cashing in, or just wishing you were, this coming fall and winter? It's still not too late, if you act promptly — start good fast-growing, early-maturing chicks, and raise them right.

The Bray Chicks of this year of poultry opportunity are living and growing "like sixty". That means high vitality and vigor — just what you want in your chicks.

Day-Old chicks in many breeds and hybrids... started Leghorn pullets for prompt shipment... started heavy pullets for a little later if you book them now. Act right away!

FLOWER SERVICE AT UNITED CHURCH

A profusion of colorful flowers banking the whole front of the interior of the United Church, featured the Flower Service Sunday morning. In the midst of a solid bank of irises of many colors, peonies and other blooms, stood a large cross. In front of all, written in large letters were the words "God is Love."

For a professional the Junior Choir and the entire Sunday School used the hymn "Praise Him all ye Little Children." Each carried a flower which was handed to the Sunday School Superintendent and the Minister who used them to form the words "God is Love."

Musical numbers included an anthem by the Junior Choir, "The Lord is My Shepherd," a solo by Miss Shirley Thompson, "God is Love," and the hymn "All Things Bright and Beautiful" rendered by the entire Sunday School. For the sermon, the Minister chose a very fitting text: "God so loved the world that He gave His only-begotten Son, that whosoever believeth in Him should not perish but have everlasting life."

JACK BARBER PROMOTED OVERSEAS TO LIEUT.-COLONEL

Word has been received of the promotion overseas of John R. Barber, well-known Georgetown soldier, to the rank of Lieut.-Colonel.

Interested in army affairs since his graduation from the University of Toronto, where he took the C.O.T.C. training course, Col. Barber has been a member of the Lorne Scots Regiment since 1927. At war's outbreak in 1939, he held the rank of major and was Officer Commanding the local "C" Company. When the regiment went active in the spring of 1941, Col. Barber was appointed a company commander and went overseas with the regiment in June, 1941, one of four officer members of the Barber family. Latterly he has been Second-in-Command of No. 1 C.I.R.C. in England.
