LOCAL COUNCIL OF WOMEN
The Local Council of Women met at Odavale School for their closing meeting, on Friday, June 15th at 3 p.m. with 24 ladies present.
The president opened the meeting with silent prayer. The minutes of the last meeting were read and approved, and the treasurer reported a nice balance.
Mrs. Paul introduced Mrs. R. J. Marshall, B.A., Provincial Council President of Toronto, a very charming and forceful speaker, a delight to listen to. She took for her subject the very beginning of the National Council of Women, which was started fifty one years ago, when Lady Aberdeen was the first president. The National Council of Women embraces every conceivable interest, which affects the lives and well-being particularly of the people as a whole.
Mrs. Marshall mentioned some wartime project every Council across Ontario was doing, and they were doing a grand work, contributing to the effort, such as handling child delinquency, health and dental care in schools, pre-natal care, venereal disease, and helping to make life pleasant for the war brides, and helping in the adjustment of the unemployed after their return, and in many other ways.
Mrs. J. B. Mackenzie very graciously thanked Mrs. Marshall for her fine address.
Mrs. A. Reeve thanked Mrs. Houston, the hostess for the use of the school, also the lunch committee for the enjoyable cup of tea. The meeting then adjourned to meet in October with Mrs. Houston as guest speaker.

When is 10 lb. the same as 30 lb.?
When you preserve the Elsley way
SAVE at least two-thirds of your canning sugar by using our Locker Facilities. Bring your fresh picked fruit or vegetables to us in locker cartons, NOT IN GLASS. All food must be sharp frozen before it goes into the locker, so that there will be no danger of other products in the locker being warmed by addition, and also because the fast freezing helps to retain more of the nutritional qualities of the food and does not break down the cell walls of the product frozen. To protect our customers—no food is permitted in lockers without first being fast frozen.
"JUNE FROSTS"—recipe book giving full instructions on how to prepare fruits and vegetables for your locker given free to all desiring same.
LOCKER RENTALS AND PROCESSING CHARGE
