**FALL FAIR NOTES**

Each week the date of Georgetown Fair draws closer—Sept. 7 - 8.

The Directors of the Esqueping Agricultural Society held a very enthusiastic meeting on Saturday evening. Much business was done pertaining to the prize list, and when the donations and special prizes are all in, the list will be printed, and will be very attractive.

It is hoped that the ladies will take a keener interest in the fair this year, and for this reason special attention has been given the lists for domestic science and fancy work. Not only will the ladies help the fair by exhibiting, but it has been found profitable by those who do. The Robin Hood Flour Co. is offering special prizes for the best Homemade Bread of \$3.00; sponge cake \$2.00; apple pie \$2.00; oat cookies \$1.50 and tea biscuits \$1.50. These of course to be baked with their flour.

The Directors engaged the Modern Aires Orchestra for the annual fair night dance, and the Girls' Pipe Band to supply music on fair day.

Tory Gregg, of Wingham, outstanding announcer for such occasions, will again be master-of-ceremonies at the fair.

Georgetown fair-goers have waited a long time for a Road Race (or buggy race) at the fair, and it will be a reality this year. \$50.00 in prizes are being offered for this event. The prize money for the harness horses has also been increased to tempt even more and better sulky racers to come to Georgetown fair.

Last week we mentioned that the Halton Farmers' Mutual Fire Insurance Co. were offering cash prizes to the boy or girl writing the best essay on fire prevention for the fair. Not only are these prizes being offered to Georgetown Fair, but also to Acton, Milton and Streetsville fairs.

Streetsville fair is also making a bid to go places this year, and we understand that "Ollie Brownridge" has set an objective of 100 special prizes as his contribution to the list. Last week he was well over the 80 mark.

Georgetown canvassers made a start last week and will be around to call on you any day now. Let's put the fair over the top this year.

A rather decided change was made in the cattle section of the prize list, when a Dual-Purpose Shorthorn section replaces the beef type Shorthorn section. It was felt that more exhibitors might take advantage of this section.

At the Saturday meeting judges were appointed, as were directors responsible for the various classes. They are as follows:

- Heavy Horses—Harding Price and Herb Cleave.
- Light Horses—James Fisher, Norm Brown, W. C. Cunningham.
- CATTLE—John Bird, Nelson Robinson, R. Alexander.

Returning to the garage business after an absence of three years is A. O. We are pleased to have Mr. Patterson back in the neighbourhood and wish him success in his return to the business.

**STRANGE ANGLES ON THE DOPE PROBLEM**

Panicky drug addicts, confronted by a shortage of opium and other narcotics finding their way into this country, are employing desperate means to obtain the stuff. They are holding up doctors and resorting to other extremes to get dope. You may read about it in The American Weekly with this Sunday's (July 22) issue of The Detroit Sunday Times.
