SPORTLITE

By Joe Stamp

This week we have some lacrosse news to get off our chest—the game between Norval Credits and the Cheltenham lacrosse club. The game was played on Tuesday night, the 17th of July before a real good crowd. It was a lovely night for the game (that is for the spectators) but perhaps a little on the warm side for the players.

It was Cheltenham's game from start to finish. They started fast and ended fast. Cheltenham's one man team—namely: E. Harris, was a treat to watch. How any one man could take so much punishment is beyond me. He was all over the box, time and time again he went through the entire Norval team, with three men pounding at him from all sides, and yet almost every time he was successful in slamming the ball into the twine!

Norval seemed weak. N. Burrows wasn't playing, their key scorer, and a few others were absent. Result: Norval fielded a weak team. Defence was poor and the goal tender, Ree, hadn't much of a chance at any time. The score at the blow of the final whistle was Cheltenham 9, Norval 5. When I say Harris was a one man team, take a look at the summary which follows: What do you think?

First Period

Cheltenham—E. Harris (unassisted)
Cheltenham—E. Harris (unassisted)
Cheltenham—E. Harris (assist Madison)

Norval—L. Vary (unassisted)

Second Period

Cheltenham—E. Harris (assist Madison)
Cheltenham—E. Harris (unassisted)
Cheltenham—Wilkinson (assist Fraser)
Norval—L. Vary (assist W. Raine)

Third Period

Cheltenham—Waudby (unassisted)
Cheltenham—E. Harris (unassisted)
Norval—A. Creighton (unassisted)

Fourth Period

Cheltenham—E. Harris (unassisted)
Norval—O. Burton (unassisted)
Norval—D. Creighton (unassisted)

Only one penalty in the entire game to E. Harris (Cheltenham)

Final score: Cheltenham 9, Norval 5. Harris scoring seven of his team's goals.

Numerous players on the different baseball teams have been complaining about the schedule being too short, and I have been asked to lengthen same. The proposed final game was intended for August 20th, but the players seem to think we could have an extra month's playing after that, and I'm inclined to agree—so here is the new schedule (after Aug. 20th).

Aug. 22nd—Huttonville at Alliance.
Aug. 24th—Smith & Stone at Businessmen.
Aug. 27th—Smith & Stone at Huttonville.
Aug. 30th—Businessmen at Alliance.
Sept. 3rd—Huttonville at Businessmen.
Sept. 5th—Alliance at Smith & Stone.
Sept. 10th—Businessmen at Huttonville.
Sept. 12th—Smith & Stone at Alliance.
Sept. 14th—Huttonville at Smith & Stone.
Sept. 17th—Alliance at Businessmen.
Sept. 19th—Businessmen at Smith & Stone.
Sept. 21st—Alliance at Huttonville.

The softball game which was scheduled for July 19 was postponed to a later date, due to the fact the Businessmen failed to appear. Smith & Stone were very disappointed. They had their team on the field at precisely 7:30, but only two of the Businessmen showed up—namely Robb and Brydon. It looks like our league is going to be spoiled and broken up unless someone can take the Businessmen by the "horns" and get them out for their games on time. Surely it isn't that much trouble?

All the teams have sweaters now (except the Businessmen) and it adds considerably to the appearance of the teams. Smith & Stone's red with white really are classy (so far they have no crest) but I understand they intend to get one soon—a proposed diamond with the S & S trademark and number of their local union below.

Alliance have a classy sweater too, not as bright as S & S, but practical all the same—red stripes with a grey-blue background. "Alliance" on the crest and their local union number below.

Huttonville have a very nice sweater—Green with red shoulders and red sleeve cuffs; "Huttonville Park" on the front, and numbers on the back.

All these sweaters are a real contrast to one another on the field. Now Businessmen get yours—and your team out there to the park and we'll have a really smart softball league.

Our thanks to Child Marshall for getting the new softball. Cheltenham had the old one, and it was a real treat to see the new one in the game. We hope all the other softball teams, one by one, will get their new balls. Now, why couldn't the girls
