

Legion Notes

Very well done Comrades, is what can be said to the forty-seven Legion members who turned out to pay their respects to the late Comrade Fred Yeates last Friday. Comrade Yeates was a popular member of the local branch and all members, through this column, extend their deep sympathy to the bereaved family.

Comrade Tennant, in charge of bingos, wishes through this column to extend his sincere thanks to the Comrades for the wonderful cooperation they have given him since he was appointed to the office of Chairman of Entertainment.

Comrade Day, Harley assisted the Brampton Fire Brigade on Monday evening by giving a demonstration of his fire escape from one of the large buildings on Main St. and also at the Morrison apartments. There was a large crowd on hand for the demonstration and many fine remarks were made about the fire escape. Fire Chief Donald Latimer, Firemen Harold Burrows and Harry Savings, and Chairman of Waterworks G. McGillivray also attended the demonstration.

"Chuck" Laws was a guest of the Legion on Saturday, and said that while overseas he and other Georgetown boys got a great kick in reading over the Legion notes in the Herald. He complimented "J.B."—your correspondent—on his work in keeping the latest doings of the local Branch before the public. (Thanks for the flowers "Chuck"). His sincere thanks was offered to the Ladies' Auxiliary of the Legion, the Lorne Scots Auxiliary and the Canadian Legion for all the gifts he received while overseas.

Discussion on the growing of gladiolus by members Saturday resulted in an argument being settled by Comrade Wm. Roney. "Glads" being grown by members are doing as well as can be expected, but when Comrade Roney mentioned that some of his "glads" were in bloom, the argument terminated when Bill went to his home, accompanied by several comrades, who witnessed his display of "glads." They returned to the clubroom with one stalk comprising 14 spikes of a beautiful white, tinged with pink. This variety is known as the "Polar Ice" and certainly is very pretty for this time of the year.

It's a funny world! When, for some reason or other, the Legion Notes are omitted in an issue, all comrades immediately ask "Where are the Legion Notes?" They all say they read them; if so, how about that appeal made last week for singers and entertainers? Or possibly you don't know Comrades Gashy, Day or Henney. These three comrades are still on the job and would appreciate hearing from you if interested. Give in your name now, so arrangements can be made to procure the necessary material for this Fall.

A true incident happened last week in the Legion rooms which might cause some hardship for Comrades Roy Wiggins and "Dutch" McCartney by our local dentists if they deem it necessary to take action. Neither of the above comrades have any licence to perform dental work, but on the complaint of Comrade Charlie Day that he had a sore tooth, Roy and Dutch volunteered to extract the offending molar. Comrade McCartney immediately paid a visit to his car and returned with hammer, screw driver, pliers, etc. etc. The weapon chosen by Charlie Day was a pair of light pliers and before he could say "ouch" Roy Wiggins had the tooth pulled. From the after effects Comrade Day advises to patronise our local dentists. Both Dutch and Roy are still trying to collect the \$1.00 for their services.

Remember Comrades "one for all and all for one" is the motto to be used to put over our Victory E Jam-boree on Civic Holiday. Every member is a helper. So do your duty to Branch 120.—J. B.

CARD OF THANKS

Mrs. Fred Yeates and son James wish to extend their sincere thanks to their neighbours, The Canadian Legion members, and the many friends who sent mass cards and floral offerings during their recent sad bereavement.

LEGION FUNERAL FOR FRED YEATES

The funeral of the late Fred Yeates was held from his residence, College View, last Friday to Holy Cross Church for requiem mass sung by Rev. Fr. V. J. Morgan, who also officiated at the graveside.

Some fifty members of the Canadian Legion gathered at the residence of their late Comrade and acted as flowerbearers, forming a guard of honour, with each member carrying the beautiful floral offerings. The casket passed through the two lines to the hearse and the flowers were then deposited with the body. On arrival at Holy Cross Church the Legion members again formed a guard of honour through whose ranks the bereaved family and friends entered the church.

At the graveside the same procedure was followed by the Legion members, who later deposited the flowers on the grave. Following the closing ceremony by Fr. Morgan, President S. P. Chapman, assisted by Deputy Zone Commander Fred McCartney, proceeded with the Legion burial service, followed by each member depositing on the casket of the late Comrade a poppy worn during the funeral. A minute silence was observed by all attending. The pallbearers were James Roberts, Albert Henney, James Murphy, Richard Ditchfield, Sydney Hulme, J. Smith.

Those from out of town attending the funeral included: Mrs. Fred Brown, Windsor, Mrs. Fielding, Toronto, Mr. and Mrs. J. Smith, Mrs. Knivton, Guelph.

GERM INVADERS STOPPED BY UNCLE SAM

Japs can't invade America, and neither can germs, reports Dr. Morris Fishbein, Editor of the Journal of The American Medical Association, in The American Weekly with this Sunday's (July 29) issue of The Detroit Sunday Times, reporting how army doctors are preventing diseases spreading to the United States. Get Sunday's Detroit Times.

CARD OF THANKS

I wish to thank the Beumont Employees, Smith & Stone, Lorne Scots W.A. and many others who so kindly sent me parcels and cigarettes during my four years' service overseas.—F. E. A. Hill.

BRAMPTON

It was announced last week that the property and other assets of the Brampton Preece Brick Company have been purchased outright by a new company.

To have lived in Brampton and Snelgrove for ninety-eight years and only away from home for a few days when a small girl is a rare record. Such was the case of Miss Agnes Clifton who died at her home, William Street, Tuesday afternoon, following an illness of three weeks, caused by a fall when she fractured her hip.

Constable Telfer Wilson is investigating a break-in which occurred at Leaver Brothers factory, 3 Queen St. East, Monday night.

More than 20 Brampton Air-Cadets caught the early train Thursday morning for Camp Borden where they will take intensive training for the coming two weeks.—Conservator.

MILTON

WFO: Ken Galloway returned home this week after being a prisoner in Germany for ten months.

Previous to her marriage on July 7th, Miss Frances Wrigglesworth was honored at a "kitchen shower" on Saturday evening held at the home of her grandparents, Mr. and Mrs. Peter D. Hartley, and arranged by Mrs. Tom Housfield and Mrs. E. M. Readhead.

On Tuesday morning a team of horses owned by Mrs. Noah Hamilton, of Esqueping, and driven by William Coleman, were in collision with a car driven by Andrew Nelson at Bell's Service Station. The horses ran away and were stopped at the C.N.R. tracks. One horse was badly injured and the driver suffered slight injuries to his face and leg, while the occupants of the slightly damaged car escaped injury.

In police court here yesterday, two local youths charged with peering on Main Street were let off on suspended sentence after serving a week in jail, Champlain.

ACTIVE SERVICE NOTES

LAC Fred Johnston from Debert, N.S., has returned to his station after spending two weeks' furlough in town with his wife and baby daughter.

Mod. L. Bill Kelly, a recent graduate from O.T.O. at Brockville, has been posted to Camp Borden.

YOUR VICTORY BONDS ARE JOB INSURANCE

MEN FOR HOME BUILDING MUST BE SECURED

Home building is highly essential to overcome pressing housing shortages, and to provide dwellings for the Forces as discharged.

Shortages of workers for building homes and for producing the building materials are threatening to impede Canada's program for the construction of 50,000 homes as soon as possible.

All men experienced in home building or in producing building materials, who are not now working in either of these industries, are urged to apply to the nearest office of the National Employment Service immediately.

Men experienced at home building or producing supplies, if now in other essential work, will be given permits to work at jobs which will assist the house building program.

All men, not now at home building nor producing supplies, who can fill a job in this program, are urged to answer this call.

Apply at once at the nearest office of the National Employment Service.
