Special Black and White Day sponsored by the Holstein Friesian Association on Saturday, Sept. 8th

**SERGEANT J. SCHOFIELD
MISS J. I. FROST WED**

In the presence of a large gathering of well-wishers, the marriage took place recently at All Saints' Church, Patcham, of Miss Joyce Olive Frost, daughter of Mr. and Mrs. Wilfred Frost of Denehurst, Sunnydale-avenue, Patcham, and Sergeant Jas. Schofield of the Saskatchewan Light Infantry, at present stationed in Holland, son of Mr. and Mrs. Ellis Schofield, of Georgetown, Ontario, Canada.

The bride's father is a well-known Brighton artist, and the bridegroom came to England with the Canadian Forces in 1941. He has since served in Sicily, Italy, France, Germany, Belgium and Holland.

The Rev. Stephen H. P. Ensor (vicar) officiated at the marriage ceremony, and the organist was Mr. Pratt.

The bride was charmingly attired in a white figured Elizabethan dress, with a long veil and a coronet of orange blossom. She wore silver shoes, and carried a shower bouquet of tea roses, maidenhair fern, and smilax. She was given away by her father.

In attendance as chief bridesmaid was Miss Barbara Phyllis Frost, sister of the bride, and the other bridesmaids were Miss Phyllis Poundsbery, aunt of the bride, and little Miss Eileen Dawson, friend of the bride. Master Robin Tulley, godchild of the bride, was page boy.

The bridesmaids wore ankle-length dresses of pale apple green, with pale pink sashes tipped with green. Their headresses were pink coronets backed with pale green, and they wore silver

shoes, and carried bouquets of pale pink carnations, maidenhair fern, and smilax. The page boy was in long trousers of a pale shade of green crepe de chine.

Private Charles Gould, of the Pioneer Corps, was best man.

Your Support
IS VITAL TO RATIONING
Mr. and Mrs. Farmer

With other groups, you play a part so that everyone gets a fair share

The FARMER

Under the rationing regulations, you are asked to collect and turn in the coupons you acquire against the use and sale of butter and, when meat rationing is introduced again, of meat, and the coupons you get from the sale of honey and rationed maple products. So that you may buy other meats from your butcher, no more than one-half of the valid coupons in your ration book and in those of your household need be surrendered. To make it easy to send in coupons, you are provided with RB-61 envelopes which should be forwarded once a month to your Local Ration Board. No postage is required.

The RETAILER

The retailer also plays a part. He must obtain coupons or other valid ration documents against every sale he makes of rationed foods—butter, sugar, preserves and, when meat rationing becomes effective again, meat. Otherwise, he cannot replenish his stocks. He must paste all coupons on gummed sheets and endorse each sheet with his name and address. If his monthly food sales total \$2,500 or more, he is required to operate a ration coupon bank account. He must also give valid ration documents or a ration cheque to his supplier for every purchase he makes of a rationed food.

The HOUSEWIFE

The housewife, too, has rationing work to do. She must know the validity and expiry dates of butter, sugar, preserves and, later, meat coupons so that she can make supplies of these foods last. She must know the coupon values of all rationed preserves and meats. She has to understand the sugar alternative of the preserves coupon in order to do as much home canning as possible and still have coupons for honey, syrups and other preserves. She must guard family ration books carefully and give up coupons for every purchase she makes of a rationed food.

RATIONING is your assurance of a fair share. It is a protection against waste . . . shortage . . . inflation.

That is why farmers are asked to continue to collect and turn in coupons to their Local Ration Boards - once a month - in the RB-61 envelope.
