—Included in the recent shipment of cattle purchased recently by a representative of Colombia, South America, was a 10-month-old dual-purpose Shorthorn bull from the herd of Miller Bros., and also one from the herd of J. B. Miller.

—Miss Helen Blackburn will resume her classes in piano on Monday, September 10th.

—St. George's Penny Bag Night, Thursday, Sept. 13th, at 8 p.m. in the basement. Good program. All welcome.

THE WEATHER

By H. L. Hutt
 With all the figures available for the month of August we find it was not far from normal, in fact the average daily temperature for the month was one degree above normal, and the rainfall for the month was 2.26 inches, about one-third of an inch less than normal. The shortage of heat this summer was in June and July, and we have not caught up on it yet, but may do in September.

Could we possibly have had anything finer than what we had for the Labor day holiday?

Here are the records for the past week:

Date	H. and L. Temp.	Rain-fall
Tues., Aug. 28	76 62	.88"
Wed., Aug. 29	85 69	
Thurs., Aug. 30	80 69	
Fri., Aug. 31	76 64	
Sat., Sept. 1	76 64	.54"
Sun., Sept. 2	69 60	
Mon., Sept. 3	71 46
