THAT IN SPORT

By G. "Mac" McOlivray

Just a few brief shots on the local sport front, owing to the absence this week of the "Sportlite" column by J. Stamp.

There are probably still some who are not quite clear as to who won the softball championship between Smith & Stone and the Businessmen. The final game two weeks ago saw the revamped Businessmen's outfit take the league honours by a 15-12 score. This win was a surprise to both the other teams who were contenders for the title, and the fans who doubted whether the Businessmen could make a comeback after their reverses early in the season. However, the story has been told and credit must go where credit is due. The team finished strong in face of strong opposition, and was well supported by the capable management given by Howard Lillie and Sid Silver. We believe crests will be presented to the winners—through the generosity of the local merchants. Players on the winning team included:

Gord Fricker, Merv. Robb, Trevor Williams, George McNally, Steve Halpin, Melly Beaumont, Jack Kemshead, Harry Shortall, Walt Richardson, Jim Coffell, Don Campbell, Ken Richardson, Norm Long and Chuck Crawford.
Sorry we haven't a group photograph of the winners, but a picture of the Smith & Stone team appears elsewhere in the paper.

Now is your chance to back a worthwhile sports organization for the younger set. Get behind the movement now mooted to organize the local juveniles for winter sport, by attending the father and son get-together in the Oddfellows' Hall on Friday night. Guests to be present: Bob Goldham and some of his teammates on the Leafs; Len Self, Norval sports promoter; Gord Alcott, director of athletics for Copper Cliff district. Let's form a strong executive and put juvenile hockey and basketball to the fore in Georgetown this winter.

Speaking of Bob Goldham, congratulations are due him for again making a place on the Leaf team to start the season. Nice goin' Bob.

Here's a tip for you sport fans who read Life magazine. Negotiations are under way to have the whole sport set-up in the Copper Cliff district pictured and stored in Life. Sports Director Alcott is busy working on this now. Here's hoping he succeeds—it will be great publicity for Canada.

The time is at hand to organize for O.H.A. hockey this winter. The Ontario Hockey Association annual meeting will be held next month, and we

There will not be another Loan for 12 months. Last time, Victory Bonds were purchasable on weekly payments spread over 6 months. This time, buy twice as many spread over 12 months. Double your purchases—same weekly payments. So easy! So thrifty! So sign!

should be organized and ready to send delegates to this convention. With the boys returning from overseas, it looks as though we may have a couple of good entries this winter. Let's have a general meeting within the next few weeks.

SOCIAL AND PERSONAL

Mr. and Mrs. Jack Duncan of Simcoe were week end visitors with his mother, Mrs. E. Duncan.

Mrs. V. Gollop, of Kitchener, spent a few days last week with Mrs. J. M. Moore and the Misses Claridge.

Mr. E. V. MacCormack was called to Saul: tSe. Marie on Monday due to the serious illness of his father.

Mrs. Agnus McDonald, of Dolly Varden, had as her guests at a dinner in her home Wednesday last week a few ladies of the community.

Mr. and Mrs. Gordon Alcott of Copper Cliff are visiting at the home of his parents, Mr. and Mrs. George Alcott.

GIVE THEM THE TOOLS OF PEACE

BY BUYING MORE VICTORY BONDS

Give our returned men at least an even chance to re-establish themselves in civilian life. We gave them the tools of war and they finished the job... now give them the tools of peace.

Your money, loaned to the government in VICTORY BONDS, will be YOUR savings to buy for you the improved homes, stoves, refrigerators, cars, etc., that you have been wishing for these many years.

BUY DOUBLE THIS TIME—the same rate of savings as in previous Victory Loans, will pay for twice as many bonds as before.

We hope to soon hear of the recovery of Mr. George Alcott who is in Christie Street Hospital, Toronto, undergoing treatment.

Dr. and Mrs. J. H. Bateman and Marilyn, of Montreal, are visiting in town this week with Mr. and Mrs. George Dobson.

Mrs. Gordon Martin spent the week end in Ottawa where her husband is stationed with the RCAF at Rockcliffe.

The girls of the local Bell Telephone staff held a turkey dinner and presentation at the home of Miss Isobel Thompson, as a farewell to Mrs. Lex Scrag, a fellow-member, who has left to live in Toronto. Mrs. Scrag was given a beautiful plate glass mirror and regrets were expressed at her departure. She has been working in the telephone office for the past four years during her husband's absence overseas. Ten operators were present at the dinner, and a pleasant evening was spent playing "Rumoli."
