She designed them for quite different usage to what Man now puts them. He has—seven out of ten have defective vision. They also perhaps suffer from headaches, nervousness, indigestion.

Through correct vision you may avoid much discomfort. An examination of your eyes would reveal their condition.

## Gala Evening as Lorne Scots Band Entertains Servicemen

### 34 BANDSMEN IN UNIFORM — A RECORD TO BE PROUD OF

History was in the making on Tuesday evening, October 23, when the present members of the Lorne Scots Regimental Band entertained former Bandmen home from the services at a gala social evening in the Legion Hall, Georgetown.

While it was not possible to have all the 34 bandmen who wore the King's Uniform on hand for the occasion—as some are not yet home—a goodly number were present. Also present were men from the 48th Highlanders Band, and the Queen's Own Rifles Band, Toronto, who have assisted the Lorne Scots through the war years, both at camp and on parade.

As a starter for the grand evening, the bandmen massed 50 strong at the band room and paraded, through the town to the Armouries and back to the Legion Hall. Those who were fortunate enough to hear them, looked forward to the day when Georgetown would have an even better band, (if that be possible) than they have today with the added support of the returned men.

At the hall the tables were laden with delicious refreshments—a man's treat—Virginia ham and Spanish onion sandwiches, with cheese, crackers and coffee. It would have been interesting to record some of the round-the-table talk as this fine organization of bandmen reminisced and greeted the fellows they had not seen for a number of years. However, this part of the get-together must be left as treasured moments in the hearts of the members of the Lorne Scots Band and their visitors.

Following the supper, all joined in a hearty sing-song, followed by a film showing a number of Toronto Bands in a Victory Loan parade. With Chas. Landsborough, secretary of the Band as pianist, Harry Hale did a vocal number, and Eds. McAnesple entertained on the flute.

President of the Band, Stan Fay, of Milton, was master-of-ceremonies for the evening, and after welcoming the returning servicemen and visitors, called on a number for a few remarks.

Mayor Harold Cleave was the first to speak, and he assured the Band of the support of the townspeople, and of how proud Georgetown was of their

band. Sgt.-Major Dobbey, bandmaster of the Lorne Scots, and also bandmaster of the 48th, welcomed home the servicemen and said he hoped they would again rally to the service of the band. He thanked those from outside of Georgetown—Shelburne, Milton, Brampton, Acton, Toronto—for their faithfulness and help during the war years. Frank Stevens, of Toronto, voiced his appreciation at being able to help Georgetown band, for as he put "he had lived in a small town once, and knew what was required in the country." WO.1 Harold Peake, bandmaster of the Army Service Corps Band, and a member of the Toronto Police Force, said he was always delighted to come to Georgetown to help the band, and all they need to do was to call on him. He had great praise for Bandmaster Dobbey, whom he said he had known all his life. Al Jobson, of Shelburne said "he missed a few beats in Col. Bogey," but that he hoped to get into shape again and back in the band. Cr. G. McGilvray also spoke a word of welcome to the returned bandmen, and forecast Georgetown Band tops again at the exhibitions in the post-war years. Past President Arthur Herbert spoke of the sensational side of band music and of the fellowship between bandmen. He thought they should have more social events. George Long thanked those responsible for entertaining the servicemen, and said that they hoped to be able to get back into shape shortly and be with the band.

The evening broke up with the singing of "For they are jolly good fellows" and God Save the King. Among the servicemen present were: Norman Herbert, George Long, Fred Armstrong, Albert Simson, Al Jobson, Win. Wheeler, Norman Marchmont, Ab

Reeve and Jack Outbert. Visiting bandmen included Harold Peake, Sid Holson, Thos. Blackwell, Frank Stevens, Roy Dobbey, Wm. Kidd, W. McAnesple, Gordon Kidd, of the 48th; J. Rutherford and R. Perkins, Q.O.R.; Grant Bell, Shelburne; Ray Arbic, John Agar, Acton; and Harold Outbert, Brampton.

### GIRLS' BAND PRAISED BY LINDSAY PAPER

Appearing in the Fenelon Falls news in the Lindsay Watchman-Warder recently, we reprint the following complimentary article about the Georgetown Girls' Pipe Band:

"A great many citizens were given a pleasant surprise at 6 p.m. on Saturday when the Georgetown Girl Kilby Band put on a very fine demonstration of marching and playing on the main street, while on their way home after attending the Bobcaygeon World's Small Town County Fair. We understand Mr. Albert Weik, a former resident of Georgetown now manager of the Bank of Montreal here, suggested to members of the band while in Bobcaygeon, they come here and give us a "splash" and what a splash it was. D. J. MacMillan, Eldon Township, beloved Scotsman, told us it was the best he ever heard or saw in his life and, D. J. knows his Gaelic. It was our special pleasure to meet several members of the band and they told us they were requested to come here before leaving Georgetown. It was an excellent gesture and greatly appreciated by everyone who heard and saw this excellent band."

### CARD OF THANKS

I wish to thank the various organizations for their kindness in sending me parcels and cigarettes while serving overseas.—Sgt. Norman Marchmont, ROAF.

### The TELEPHONE HAS SERVED THE FARMER WELL

For more than half a century, the telephone has served the farmer well . . . in business . . . in emergencies . . . in more pleasant living.

There was the farmer, for example, who wrote that his telephone enabled him to get better prices for his crops.

"It gets me to market in a few seconds," he said, "and at the best time."

Today, the number of rural telephones is at an all-time high. When materials and man-power are again available, it will be much higher. Telephone service for farms will be even better than ever before.

## DISCHARGED PERSONNEL MAY RETURN TO OLD JOBS

The Reinstatement in Civil Employment Act, passed by Parliament in 1942, sets forth conditions under which employers MUST REINSTATE their former employees in their employment after discharge.

This Act and its Regulations are administered by the Dominion Minister of Labour, through the National Employment Service. Reinstatement Officers are available in the National Employment Offices to answer inquiries, and assist in adjusting cases.

Employees—either men or women— are to be reinstated if:

- they worked for their employer 3 months immediately prior to enlistment, and were not replacing another employee who has since been reinstated;
- they left their employment to join the Armed Services, the Merchant Marine, or the Fire Fighters Corps;
- they apply to their employer for reinstatement, verbally or in writing, within 3 months following discharge in Canada or 4 months if discharged Overseas.

Provision may be made for extension of time if the employee's health prevents him or her from returning within the specified three months. In this event, the employer must be advised within the 3 or 4 months, as the case may be.

The following points in the legislation are also important:

- Discharged men and women upon reinstatement are to be given conditions not less favourable than would have been enjoyed had they continued in employment instead of joining the Forces.
- The period of time spent with the Armed Services is to count for seniority rights, pension rights, vacations with pay, and certain other benefits.
- Discharged personnel who cannot perform their former duties are to be reinstated in the most suitable employment available, at which they are capable of working.
- If an employer dismisses a reinstated employee within 6 months, he must be able to prove in court that he had reasonable cause for so doing.

ALL EX-SERVICE MEN AND WOMEN ARE URGED TO USE THE FACILITIES OF THE NATIONAL EMPLOYMENT SERVICE WHEN LOOKING FOR WORK.

## THE WARTIME PRICES AND TRADE BOARD FARMERS' BULLETIN

### FARM MACHINERY OFF RATION LIST

All rationing controls have been removed from sales of farm machinery, and restrictions on the production or importation of such machinery have been lifted.

Price controls remain. Generally, maximum price for farm implements is the price at which such items sold during the basic period, August 15—September 11, 1941. Quoted prices do not include cost of delivery to the purchaser.

Under Consumers' Credit Order No. 225, section 10, terms of sale for farm machinery are: 1/3 of quoted price paid in cash; the balance of the credit price to be paid within two years of the date of the contract in stated amounts at specified dates. Any allowance for a trade-in is to be deducted from the unpaid balance.

Despite the lifting of production restrictions, it is expected that the shortage of components such as malleable castings and sheet steel will limit the maximum output of farm implements during the year July 1, 1945, to June 30, 1946, to a 24% increase (on tonnage basis) over the output in the preceding 12 months.

### Farmers' Poultry Prices

Farmers selling all types of poultry, except turkeys, direct to consumers are permitted a 25% markup over the wholesale ceiling prices established for the zone in which they are located. Turkey producers are allowed a 20% markup over the wholesale level.

### Potato Storage Allowance (Order A-1560 now in effect)

A storage allowance of 5c per 75-lb. bag of potatoes and 7c per 100-lb. bag is allowed on November 1. Another 5c per 75-lb. bag and 6c per 100-lb. bag may be added on December 1, and another 5c per 75-lb. bag and 7c per 100-lb. bag on January 1, 1946. There will be no storage adjustment for February but monthly increases will be resumed on March 1.

### FARMERS' RATION COUPONS

Coupons covering farmer sales or farm household consumption of meat and butter, and sales of preserves must be forwarded to Local Ration Boards in primary producers' envelopes (RB-61). Reports for November should reach the Local Ration Boards not later than December 10. Following are the valid coupon dates for November:

	MEAT	BUTTER	SUGAR	PRESERVES
November 1 . . . . .	M 9	128	..	..
" 8 . . . . .	M 10	..	..	..
" 15 . . . . .	M 11	129	66, 67	P 20, 21
" 22 . . . . .	M 12	130	..	..
" 29 . . . . .	M 13	131	..	..

Farmers are required to send in "M" coupons to the Local Ration Board for meat they consume, and meat they sell to farmer neighbours at the rate of 4 lbs. per coupon. Farmers who slaughter meat need not turn in at the end of the month more than half the valid meat coupons in the ration books of their household. Farmers who purchase meat from other farmers must surrender to the selling farmer one meat coupon for every 4 lbs. of meat purchased, even if this means surrendering coupons not yet valid.

### FARM SLAUGHTERERS

Farmers who slaughter for their own household consumption or for the consumption of their farmer neighbours, are not required to hold a slaughter permit. Any excess of farm slaughtered meat over the farmer's or his neighbour's needs may be sold only to the holder of a regular slaughter permit in quantities not less than a quarter of Beef or a side of Pork. Sheep, lamb or calves slaughtered by the farmer for his own or his neighbour's use may not be sold into the meat trade.

Licensed slaughterer's quotas for cattle have been temporarily suspended and until further notice a licensed slaughterer may slaughter all the cattle needed for his requirements.

**Rationing** is your assurance of a fair share. It is a protection against waste . . . shortages . . . inflation. That is why farmers are asked to continue to collect and turn in coupons to their Local Ration Boards—once a month—in the RB-61 envelope.

For further information apply to the nearest office of the Wartime Prices and Trade Board.
