Waiting For a NEW Beatty WASHER

Waiting! You waited for the war to end in Europe and for loved ones to return. Now you are waiting for the manufacturers to make so many things you need. Thousands of women in every city, town and township of Canada are waiting for a new Beatty Washer. They won't have much longer to wait.

It's on its way!

New Beatty Washers in postwar styles are now coming off the production line. They work so smoothly, so quietly, wash so quickly and thoroughly, look so smart! They are such a relief from the tub and board or a noisy old mechanical.

Your Beatty Washer is on its way. Come down to our store and speak for it now, before somebody else gets in ahead of you. First come, first served is the only fair rule.

IT'S A DIZZY PACE BUT WE LOVE IT—

this chasing all over Toronto and points north, south, east and west to pick up the one or two really good Gifts that we know our customers will appreciate. In many cases we make a special trip just to get ONE article that ONE customer has shown an interest in. With Christmas coming people value that kind of service.
