SPORTS

(Continued from Inside Page)

you to you, Tom, and also Roland, for the beautiful gift.

Next year we hope to have a really organized hardball club, and a regular schedule to play in. A good feeling of sportsmanship has arisen between the two hardball clubs, the Pirates and the Glen. Quite a number of games were played this year between these two teams, with the Pirates winning the greater number of games, about 65% of them I imagine.

With the sport setup that is being organized in Georgetown now, we will soon be seeing sport at its best—in a town which has always been noted for sportsmanship and fair play.

Through correct vision you may avoid each discomfort. An examination of our eyes would reveal their condition.
