

Rebekahs hold installation

At the regular meeting of Verdun Rebekah Lodge held Tuesday evening, Nov. 6th, the officers for 1945-46 were installed by Sister Mrs. Catherine Patterson, of Toronto District No. 29 and her installation staff. The new officers are as follows:

IN.P.G.—Sister Myrtle Dron.
Noble Grand—Sister Lillian Ritchie
Vice Grand—Sister Edna McChibon.
Rec. Secretary—Sister Mabel Forgrave.
Fin. Secretary—Sister Edna Cleave.
Treasurer—Sister Olive Reid.
Wardens—Sister Aileen Bradley.
R.S.N.G.—Sister Vivian Arnold.
L.S.N.G.—Sister Olive Kennedy.
R.S.V.G.—Sister Pearl Booth.
L.S.V.G.—Sister Dora Petch.
Chaplain—Sister Edna Spence.
Pianist—Sister Pearl Lillioo.
Inside Guardian—Sister Betty Anderson.
Outside Guardian—Sister Doris Presswood.

After the installation ceremony,

Sis. Patterson presented Sis. Dron with her East Grand Jewel and Sis. Ritchie presented Sis. Patterson with a small gift from the Lodge with a vote of thanks for herself and staff for the very creditable manner in which the officers were installed. Sis. Patterson in a few well-chosen words thanked the Lodge for the gift, also the kind remarks.

Another pleasant event of the evening was the presentation by Sis. Patterson of Twenty-five Year Membership Certificates to the following members of Verdun Rebekah Lodge: Sis. Lyla Armstrong; Sis. Olive Logan; Sis. Florence Batley; Sis. Bella Whicler; Sis. Alice Clark; Sis. Mabel Forgrave; Sis. Nellie Goldham; Sis. Margaret Murray; Sis. Jessie Leavitt; Sis. Edna Cleave; Sis. Gertrude Mitchell.

After several short speeches from other visitors present which included several from Toronto and Milton Lodge was closed and all proceeded downstairs to the Banquet Hall where a delicious supper was served to about 125 guests and members. The tables looked very pretty decorated in the Lodge colours of pink and green, and thus another enjoyable evening in the work of Verdun Rebekah Lodge was brought to a close.

A few moments silence were observed in memory of our gallant dead. Mrs. S. Gishby read the Scripture lesson and Mrs. Smethurst led in prayer. During the social hour at the close a collection of notes from those present were written for Miss Olive Marshall, a former member who is ill at her home in Toronto.

ASHGROVE

The November W.M.S. Auxiliary meeting was held on Tuesday afternoon, Nov. 6th, at the home of Mrs. Frank Ruddell with a fair attendance of ladies. Mrs. Thos. Giffen, the president, presiding, meeting opened in the usual way with Hymn and Prayer. After a short business discussion, Mrs. A. J. Ruddell had charge of the devotional and Miss Betty Ruddell sang so pleasingly "Thank God for All These." Mrs. C. B. Dick then so splendidly introduced our new study book on Africa, which should be very interesting at the meetings. Meeting closed by singing the hymn "In Christ there is no East nor West" and prayer. A social half hour over the teacups closed this delightful afternoon.

Congratulations to Mr. and Mrs. Joseph Drake on the birth of a son. Miss Mary Parker and Mrs. Parker of Toronto visited over the week end with Mr. and Mrs. Frank Ruddell. The Young People held their Christian Fellowship meeting under the supervision of Miss Jessie Wingfield in the church basement Sunday evening. Edward Bailey read the scripture and Marion Currie led in prayer. A splendid paper on the life of Winston Churchill was given by Mrs. Leslie Giffen. Plans were made for the annual banquet to be held at a later date. Meeting closed with hymn and prayer.

LIMEHOUSE

The W.I. ladies and the men of the village are busy in preparation for the opening of the Memorial Hall on Friday night.

Twenty-three ladies attended the W.M.S. Thank-offering meeting at Mrs. H. Norton's last week, where Mrs. W. M. Hall past president of the Toronto Presbyterian, was guest speaker. She brought greetings from the Ontario Provincial Board, congratulations to the Mission Band and its leader, Mrs. Gishby, and thanks to the help from Limehouse society during her time of office.

The speaker then went on to explain why we are interested in foreign missions, and stressed the great need for workers. She outlined different phases of the work of the Society in our own country as well. The president thanked her for her thought-provoking message.
 Mrs. A. W. Norton sang two pleasing solos during the afternoon. A

HOT BATTLE FRONT DUTY AGREES WITH ASBESTOS
 Many Canadians don't realize that the Dominion's deposits of asbestos are the largest known in the world. During the war asbestos has seen active service on battlefronts from El Alemain to Attu and in brake linings, clutch facings, packings, cloth, insulation, millboard, siding, shingles, roofing, tiles and pipes.
 Asbestos' use can be traced back through the years. The citizens of Rome in ancient times used asbestos as a cremation cloth for their dead. In the reign of Peter the Great, a factory was established in Russia for the manufacture of asbestos articles. Chrysotile, the finest asbestos known, was discovered in the Province of Quebec about 1862 and the mineral was first produced commercially in Canada in 1878 from the serpentine formations of the Thetford area in the Eastern Townships of Quebec. Last year production mounted to almost 400,000 tons, according to recently released preliminary totals.
