**IN MEMORIAM**

**CRAIG** — In loving memory of my dear husband and father of Joan, Samuel Craig, who was killed December 2nd, 1944, at Dumbarton, Ontario.

No one knows how much we miss you, No one knows the bitter pain, We have suffered since we lost you, Life has never been the same; In our hearts your memory lingers, Sweetly tender, fond and true, There is not a day, dear Sam, That I do not think of you.

Sadly missed by Wife and Daughter.

**DAVIDSON** — In loving memory of our mother, Mary Jane Davidson, who died December 1st, 1942.

A little token true and tender, Just to show we still remember, Memories of us all together, Will linger in our hearts forever, mother dear.

Sadly missed by Laura, Norma, Charlene, Robert, Norman Clayton, Bill and Patricia.

**HUGHES** — In loving memory of the late Mrs. Thomas Hughes, who died December 1st 1942.

Gone from us, but leaving memories, Death can never take away; Memories that will always linger, While upon this earth we stay.

Ever remembered by Daughter and Son, Mrs. C. F. Smith, Toronto, and Herbert Hughes, Georgetown.

**RAY HARLOW MARRIED IN ENGLAND**

Word has just been received by his parents, Mr. and Mrs. Herb Harlow of the marriage of their son, Pte. Ray Harlow in England. He was married on November 24th to the former Jean Granahaw of Kistead, Surrey.

**ENGAGEMENT**

Mr. and Mrs. Alex. McOalg wish to announce the engagement of their youngest daughter, Evaline Edith to Clarence Edward Snow, eldest son of Mr. and Mrs. John W. Snow. The marriage will take place in December.

**BREAK THE FAST**

"Don't be a Dagwood! Don't lie in bed until the last minute and then cannonball out of your front door with nothing but a cup of coffee and a crumb of toast inside of you. Quit kidding yourself that's all the breakfast you need—in account of the heat. You're not in the funnies and you need a morning meal that will stay with you until the noon whistle blows. That's Safety common sense, because accidents, it seems, show a decided up-spike between 11 a.m. and noon, and Safety men say they don't have to go much farther back than a man's breakfast to find good and sufficient reason for this trend. The first meal of the day must be good. If it's inadequate, or skipped altogether, the worker is pooped out before lunch time... his fatigue results in carelessness... carelessness, in accidents! Which just goes to show, insist let's get-out-accidents boys, that the boiled egg or the bowl of whole-wheat cereal you didn't eat before coming to work may be the very thing that topples you off the staging and twists your leg... or back... a few hours later.

"They don't stop at breakfast, either. They've a couple of well-tested theories about what's inside your lunch pail, too! Out down on starches, they say. Slice your bread thinner and stuff the corners of the pail with chunks of lettuce, fresh fruit, or raw carrots instead of sugared buns. You'll be surprised what a difference it will make to your afternoon's work, especially in hot weather, and help cut out craving for a heavy mid-day feed. Try it out now that you are back from vacation. You'll keep that holiday pep and oomph twice as long."
