There Are Three kinds of Lies - -

Lies, blankety-blank lies, and statistics! And yet statistics PROVE that if all the energy that all the people in Georgetown expend in shaking salt on their boiled potatoes were laid end to end it would make 100 lbs. of potatoes taste terrible!

DOESN'T THAT CONVINCE YOU that you should drop in and see our new-style, no-shake salt and pepper shakers — no — cellars, we mean. Well, anyway, drop in.

We deal in GOOD GIFTS.
