

IF
you plan a
CHRISTMAS
TELEPHONE GREETING
...now is a good time

CHRISTMAS is only a few days away. Long Distance calling will be heavier than ever this year. On long calls—especially to Western Canada, the Maritimes and remote United States centres—there are sure to be delays at Christmas time.

So if you plan to exchange greetings by Long Distance, why not do so now?

We will do our best whenever you call, but your chances for avoiding delays are better if you telephone some time this week.

WHOSE MEASUREMENTS

DOES YOUR CORSET FIT?

Did you buy your corset by size or measurements? Aren't they the same? No! Two women of the same size seldom have the same proportions. That's why your measurements are taken.

Charis measures and prescribes your garment from as many as 77 models in a size! No wonder—Charis creates every curve, makes you look slimmer, trimmer, makes you feel more vibrantly alive.

IT MUST GIVE THE RIGHT SUPPORT, OR CORSETS WON'T LET YOU WEAR IT!

MRS. V. HEWITT
Georgetown, Ontario

LOUTH — WILSON WEDDING

A quiet wedding took place on Saturday afternoon, December 15th, at the Baptist Parsonage, Rev. J. E. Ostrom officiating, when Helena Idella, only daughter of Mrs. and the late Mr. Arthur Wilson, became the bride of Jack Carl, youngest son of Mr. and Mrs. Walter Louth of Georgetown.

The bride was attired in a street length pale yellow wool dress and wearing a corsage of red roses. She was attended by Miss Nettie Krutko, wearing a street length navy blue wool dress, with corsage of tea roses. The groomsmen were William Louth of Glen Williams, cousin of the groom. Following the ceremony a reception was held at the home of the bride's mother, who was wearing a brown wool crepe dress. Later the young couple left on a short honeymoon and on their return they will reside in Georgetown.

WARDEN HESLOP HOST ON TUESDAY AT WARDEEN'S DINNER

Mr. George J. Rainey of Hamilton, Guest Speaker — Presentation To Warden Heslop

A goodly crowd of representatives of the County assembled at the Milton Inn on Tuesday Dec. 11th, on the occasion of the Warden's dinner which Warden C. H. Heslop tendered the gathering.

Mr. J. E. Whitelock, chairman of the evening pointed out that the program for the evening had been curtailed by the usual number of toasts and Mr. George J. Rainey of Hamilton would be the guest speaker instead of Capt. Rawson, who was ill. Mr. Whitelock stated that Warden Heslop was a man of original ideas and felt the elimination of toasts a good thing. He also stated the warden was a man of action.

Warden C. H. Heslop stated that it gave him a lot of pleasure to welcome all the guests at the banquet. He thanked all county officials for assisting him in the performance of his duty as Warden in 1945.

He stated the County had purchased a 4-wheeled drive truck and a maintenance for use on the county roads for snow removal and general work and said that the Glen bridge rebuilding will be completed in the near future. A number of curves will be straightened out to make driving safer. He wished one and all the very best Christmas possible and a Happy New Year.

Master Joe Nova of Milton gave a number of selections on the piano accordion and Mr. Alec Forrest, of Hamilton, rendered a number of vocal selections.

Chairman Whitelock introduced the guest speaker, Mr. George J. Rainey, who was substituting for Capt. Rawson. Mr. Rainey is district manager of the Mutual Life of Canada for Hamilton and a former secretary to the League of Nations.

Mr. Rainey said he was pleased to see ladies present at the gathering. He took for his subject the Cause and Cure of War. He said he had not given up hope for the League of Nations. It was like a business. One that mushroomed up over night and had no staying powers when the pinch came and the League had grown from the start till in two years there were 2,000 secretaries working for it. Even the Big Three could not agree in peace as it had in war. Also the atomic bomb would not scare people into avoiding war. He gave three reasons for war:

1. The lust for power, jealousy, hatred and trade.
2. Extreme nationalism. Monarchy and dictatorship always start a war.
3. Human nature. You may blame any cause you like but it all comes back to human nature. From earliest times it was always the survival of the fittest. Men even find games that imitate war as the biggest drawing cards. He felt it would be a sorry day when collective security was dropped. We band together for collective security in policing and fire protection but why not against war. Even the Big Three

are creeping back to nationalism, not internationalism.

Religion will not end war but the nation that bans religion is committing national suicide. The youth of to-day is being given the greatest opportunity for religious education yet available. He did not altogether agree with the religious education teaching in the schools but felt a step was being made in the right direction and felt they should teach the fundamentals of God. There is no royal road to the end of war. We must teach boys and girls the fundamentals of brotherly love. The hope of the world is in education. Let us breed and educate a generation of men who are honest and honorable, then you will get a government that is honest and fair as the government is only what the people make it. This is the only way to end war in the opinion of the speaker.

Mr. W. J. Robertson, on behalf of the County Council made a presentation of an occasional chair to Warden C. H. Heslop to show the esteem in which he is held by the County Council and appreciation of his service and leadership.

GEORGE DAY RECUPERATING FROM ACCIDENT INJURIES

Struck by a car driven by Mrs. Frank Brown of Limehouse, while he was walking along the highway opposite Norval Presbyterian Church, Mr. George Day of that village is in Peel Memorial Hospital, Brampton, recuperating from a severe head concussion.

"FISHING THROUGH THE ICE"

Based upon a picture painted for Carling's by H. W. McCrea, O.S.A.

This is one of a series of illustrations on the subject of the Conservation of Canada's natural assets.

A full color reproduction, size 9" x 14", without advertising and suitable for framing, will be sent to each member of The Carling Conservation Club upon request to Dept. (B13), The Carling Breweries Limited, Waterloo, Ont.

"They Bite In Winter, Too!"

When Canadians drop an expectant line through the ice, they are practicing an art which the Indian learned from the Eskimo... and they are also enjoying a prolific Canadian asset... the abundance of fish which has been the keystone of our \$149,000,000 tourist industry.

Yet this great asset can be endangered by over-fishing, by pollution of the streams through forest fires, and most of all by non-observance of conservation laws.

As a Canadian citizen, a share in this great store of natural wealth belongs to you... and it is both your privilege and your responsibility to help protect this rich heritage. Carling's believe you can best help by knowing what should or can be done.

Therefore, Carling's have formed The Carling Conservation Club so that current, authentic conservation news may be made widely available. *Join this club today simply by writing to Dept. (B13), The Carling Breweries Limited, Waterloo, Ontario. You will continue to receive factual information on the subject of conservation as it becomes available without cost to you.
