Elora Lose to Georgetown 6-2

Put up Good Game on Soft Ice

CROWD OF OVER 500 WITNESS SAME — ELORA FANS WELL REPRESENTED

Georgetown Intermediates battled Elora Rocks on soft ice here last Friday night to win their second encounter this year 6-2; the same score by which they had defeated Acton the week previous. Although the score would indicate a rather lop-sided game, this was far from being the case. Elora led a team of veterans who played a hard-checking, defensive game during the entire stretch. Their combination was nice to watch, even on poor ice and they missed many real chances to score.

The local squad was bolstered somewhat by the addition of Nash on right wing, strengthening the line of Kemshead, Beaumont and Nash. The slow ice was a detriment to our fast skaters in not being able to carry the puck. Evans played his usual good game, while Brown in the Elora nets stopped some almost impossible shots. Our stars for this affair go to Dolly Beaumont, who played a hard game and was the only player who could get in-around the net. To Quinn, the Elora defenseman, who played well defensively and made many fine rushes and plays for his teammates, the other star will have to be divided evenly between the two goalies, they turned in outstanding efforts for their teams.

Georgetown took the lead in the first period when they scored three times on close-in shifts by Beaumont, (2) and Richardson. They continued their scoring into the second frame and Q. Ferri was credited with a goal which saw the puck deflected in off an Elora player. Elora then scored but the whistle had gone to call play. Ridley however came back to add the visitors' first counter and Rombough

made it 4-2 before the end of the period after Nelson had maneuvered the puck through the home squad, Nelson received a nasty cut on the head and had to leave the game, when he ran into Ward's stick.

The third period found the players tired and on edge and as the result five penalties were meted out by the referee. While Steffler was off Ward added another on a long shot, to be followed by K. Richardson's second goal on a blue line shot. This ended the scoring and the game ended 6-4 for the homeesters.

Elora—Goal, Brown; defense, Ronbough, F. Rumells; centre, H. Rumnells; wings, Ridley, Nelson; Alternates, Quinn, Steffler, Hergott, Wilson, sub-goalie, Walsler.
Georgetown — Goal, Evans; defense, Shropshire, Chriss; centre, Kemshead; wings, Beaumont, Nash; alternates, Q. Ferri, N. Ferri, Ward, W. Richardson, K. Richardson, Tyler, Patterson.
Referee D. Houston, Toronto.

Intermediates Trim Orangeville 7-3

In Monday Night's Game

Hurst, New Centre Man Plays Outstanding Hockey—Aird Game for Home Team without a Loss.

Playing before a crowd of nearly 1200 spectators on Monday night at the Arena here, Georgetown's Intermediates kept up their winnings by trouncing the highly-rated Orangeville team 7-3. The affair was marked by dazzling speed, tricky stick-handling and an all-out effort on the part of both teams to give their best. While the Red and Whites emerged victorious the visitors certainly put up strong opposition to make it the best game of the season.

We still have two teams in the league to see on Georgetown ice—Fergus and Milton—and we doubt if they can offer any stronger opposition than those Orangeville "kicks." In fact the Fergus News-Record comments that Georgetown's the big team to watch in this district.

Stars for the game go to Hurst, the tricky centre for the Red and Whites; Beaumont for his all-round efforts which resulted in two goals and two assists; and MacDonald in the Orangeville net for his marvellous work in staving off the avalanche of pucks thrown at him by the Georgetown team as well as he did. R. Gillespie was no doubt in the starry class too, and receives honourable mention.

The teams:
Orangeville — Goal, MacDonald; defense, Morrison, G. Jeffers; centre, R. Gillespie; wings, Hoare, W. Gillespie; alternates, Curry, G. Gillespie, Muir, A. Jeffers, Patterson, Teeter.
Georgetown — Goal, Evans, defense, Shropshire and Chriss; centre, Hurst; wings, Beaumont, Nash; alternates, N. Ferri, Q. Ferri, Patterson, Ward, Tyler.
Referee—"Pat" Paterson, Toronto.

BLACK HAWKS AND BRUINS WIN LEAGUE.

Due to the stretch of mild weather, the first games in the Midget N.H.L. hockey series, sponsored by Georgetown Recreational Council, were postponed and the series got underway yesterday at the Arena. BLACK HAWKS 6 — CANADIENS 1

This was a wide-open game which the fair-sized crowd enjoyed immensely. Though the Black Hawks did come out on top, the Norval team played well and fought hard. Although he wasn't called upon a great deal, Billy Hewitt made a great game of it with his excellent play in the Black Hawks net. Emery Thompson took advantage of every opportunity and banged in three goals for the winners. Bob Leslie was good for Canadiens, making some great solo rushes. Emery Thompson opened the scoring with a long shot on passes from Bill Arnold and Ralph Peck. The next time "Em" scored again unassisted. On a mix-up in front of the Canadian net, Arnold took a pass from Golden and poked it in. Thompson tallied again assisted by Arnold to make it 4-0. "Dunc" Robinson appeared on the score sheet when he went most the length of the ice to beat Hewitt on a hard drive. On two brilliant plays in succession, Keith Scott made it 6-1. The second Scott goal was assisted by Ron Denham.

BOSTON BRUINS 2 — MAPLE LEAFS 1

A hard checking, closely fought second game was seen when Bruins defeated Leafs 2-1. "Pee-Wee" Huffman worked about hardest for Boston and Walters looked good in the Bruins net. Bullivant and Dillon stood out for Maple Leafs.
Huffman drilled a clean shot by Dillon to open things up. Brydon made it 2-0 when he scored for the bears on a brilliant lone effort. Near

the last of the game Bullivant took a pass from Terry Bludd to make Leafs only score.

Play got a little rough mid-way through the game and Referee Chuck Tyler chased off Len Tennant of Bruins for a two minute rest in the "box."

One of the high-lights of the game was to see little George Webster, who you can barely see behind the stick play like a professional.
"The something to remember these days is a midget hockey game and believe me, you'll like it."
