DEATH CLAIMS WELL-KNOWN HORNBY RESIDENT, MRS. HERBERT ROBINSON

A ten-day illness was fatal to Mrs. Herbert Robinson of Hornby, who passed away on Sunday, February 10th. Born Bertha Armstrong, 74 years ago, she was a daughter of the late Joseph and Eliza Armstrong of Wexford. Mrs. Robinson leaves a family of two daughters and four sons — Mrs. William Crozier of Wexford; Mrs. Roy Cunningham, Port Credit; William at home; Albert, Acton; Frank, Hamilton; and Nelson of Norval. She was predeceased by her husband in 1912. Another son, Clifford, met a tragic death last October when he was gored by a bull on the farm.

Mrs. Robinson also leaves two sisters, Mrs. Catherine Crozier and Mrs. Eliza Martin, both of Wexford. Funeral services were held this afternoon from the home at 2:30, with service in St. Stephen's Church of England at 3 p.m. Rev. H. Leigh-Pink and Ven. W. O. O. Thompson officiated at the service. Pall-bearers were Clebert McDowell, Archie King, Jack Wilson, Wellington Wilson, Charles Austin and Harry Robertson. Interment was in St. Stephen's Cemetery.

BIRTHDAY

Prior to her marriage last Saturday, Mrs. Ken Richardson (Marion Ostrander) was tendered several showers by her friends. Misses Kay Lyons and Millye Davidson were hostesses at a miscellaneous shower at the former's home, and at the home of Mrs. Earl Scott, Mrs. Richard Packer was joint hostess for a china shower. Mrs. William Anderson and Miss Audrey Merritt also gave a personal shower at Mrs. Anderson's home. The United Church Choir, of which the bride is a member, presented her with a glass sandwich plate following one of the Thursday night rehearsals for the Easter cantata.

WARDEN WILL OFFICIATE AT GLEN BRIDGE OPENING SATURDAY

With final work almost completed on the new bridge in Glen Williams, an official opening ceremony will be held this Saturday, February 16th, at 3 p.m. Warden C. V. Hillmer will cut the ribbon, and it is expected that several members of County and Township Councils will be present for the event.

The bridge, which was started last spring, was built by the Reg. A. Elyth Construction Company of Toronto, at a cost of approximately \$21,000. The design which originally called for a reinforced concrete structure, was changed due to labour and material shortage. Originally intended to be completed in early fall, a three month hold-up occurred when steel deliveries could not be made.

ITEMS HELD OVER

Space requirements this week necessitated leaving over a considerable quantity of copy including our regular columns from rural communities, and an account of the Knox Church banquet last night.
