**LEAFS AND OWLS CLENCH FINAL GAMES**

(by Don Brill)

Before a crowd of over eight hundred enthusiastic fans the boys of Georgetown and surrounding district proved that the hockey which they have to display is some of the most spirited sport witnessed.

The Juvenile Championship was awarded to the Owls who, in a game which was a thrill-packed one from this time the opening whistle, blew through the game which was played into two additional periods of overtime. The entire fixture was a battle between the goal-tenders who share two of the top mentions in the game: Hugh Wiley was positively sensational in goal for the Owls. He stopped at times up to four and five consecutive rebound shots during the periods when the Norval Pirates were pressing.

Clay Burns played excellently, scoring the only marker of the contest from a scramble in front of the Norval goal.

**SUMMARY**

**First Period**  
No score.  
No penalties.

**Second Period**  
No score.  
Penalties: N, Fendley, 2 Gibbs.

**Third Period**  
No score.  
Penalties: Long.

**Overtime**  
1. Owls: Burns.

The midjet followers had their share of thrills when the Leafs, upheld by the spectacular goaltending of Dillon edged the Glen boys' Red Wing team 1-0. Jim Hamilton scored the only goal from a long blueline shot which went through a mass of legs. Bill Bullivant and George Louth of the Leafs made excellent play on the line with Hamilton.

Don Sobenk and J. Ingles played well for the defeated. The Red Wings were very good sports about this defeat, although it was a great let-down as they were undefeated throughout the entire schedule.

**SUMMARY**

**First Period**  
No score.  
No penalties.

**Second Period**  
1 Leafs: Hamilton (Louth)  
Penalty: Grace.

**Third Period**  
No scores.  
No penalties.

The referees throughout this evening were Gaye Stewart, leading N.H.L. goal-getter, Gus Bodnar, popular Leaf forward and Georgetown's own Bob Goldham.

In between the games the entire ten teams, midjet and juvenile were paraded on the ice and had their pictures taken.

Running through the regular schedule we note that the Red Wings were the league's leading scorers with the Black Hawks as runners up. The Red

**MILTON JUNIORS STAGE DEBATE**

MARJORIE MCCREADY — JUNIOR INSTITUTE PRESIDENT

The first meeting of the newly organized Milton Junior Farmer Group was held at the home of Margaret and Bob Ford, near Omagh, on Tuesday evening of last week. Notwithstanding unfavorable weather conditions, between 40 and 50 young people were in attendance.

At the boys' meeting with Cameron Wilson in charge, a short talk on Calf Club work was given by Wm. Brain. The guest speaker, Mr. H. C. Morris of Milton gave an interesting and informative address on "Banking Services," which created considerable discussion.

The young ladies with Miss Lulu Row of Women's Institute Branch, Toronto, and Mrs. Lloyd Crawford, Halton District W.I. President, in charge, decided to organize a Junior Institute. The election of officers resulted as follows:—

President, Marjorie McCready.  
Vice-President, Norma Lawson.  
Secretary-Treasurer, Margaret Ford.  
District Director, Margaret McCready.

Pianist — Lyla Cairns.

At the joint meeting, four of the young men, namely, R. W. Ford, Cedric Harrop, Wm. Lawson, and Jack Marchment, debated the subject "Resolved that in each Township, all Public Schools should be placed under a single board of trustees." All four men gave an excellent presentation and were congratulated by Agric. Representative J. E. Whitlock who on behalf of the judges awarded the decision to the negative, who were represented by Cedric Harrop and Jack Marchment.

**JAMES EVANS SPEAKS ON THE BAHAMAS**

In spite of the stormy night, a record attendance of the Fifty-Fifty Club met at the home of Mr. and Mrs. H. Wrigglesworth on Wednesday, February 20. The convenors being our hosts and Mr. and Mrs. Frank Whitman.

The theme of the meeting was centered around the scripture "And I will make you to become fishers of men." Mr. James Evans spoke briefly on "Life in the Bahamas" including a few good fish stories. Contests and a most hearty sing-song were followed by a delicious lunch served by the convenors.

Wings also have the least scored against record.

The Rangers shine as the league's least penalized team receiving a total of only three penalties all year.

On behalf of all the fortunate boys who have had hockey all season we would like to thank heartily the Georgetown Recreational Council for making such a flawless job of managing the ten teams.

**BUYS RICHLY BREED HEED SIRE**

S. R. A. Dolson & Sons of Greenlodge Farms, Norval, have purchased from Harold Bingham, Georgetown, a richly bred young herd sire to head their newly established vaccinated Holstein herd. The sire of this calf is Glenafon Rag Apple Monogram who topped the 1944 National Holstein Sale at \$1200.00. The latter's dam is Jasmine PaGet Meg Poeh, the Canadian Champion for yearly milk production on three-times-a-day milking with 31,791 pounds of milk containing 1,167 pounds butter fat. She has been graded Very Good in Selective Registration.

The dam of the new Greenlodge bull has a five lactation lifetime production of 3,617 pounds of fat from 96,898 pounds of milk. Her 1942 record was 3rd highest in its class in Canada for fat and 4th highest for milk. Competent judges claim this 4-month old calf is an outstanding individual and should have a great future in the show ring.

**"MAPLE SUGAR BUSH"**

Based upon a picture painted for Carling's by H. W. McCree, O. S. A., and one of a series of subjects on the conservation of Canada's natural assets. \* A full color reproduction, size 9" x 14", without advertising, and suitable for framing, will be sent to each member of The Carling Conservation Club upon request to Dept. (E13), The Carling Breweries Limited, Waterloo, Ontario.

**"A Six Million Dollar Sugar Bowl!"**

Unfailingly each spring the sap courses upward through countless maple trees—and with taps, kettles and firewood, the sweet yield is garnered and refined and brought to market, where it brings a \$6,000,000 yearly income to Canadian farmers.

This six million dollar sugar bowl refills itself with maple products each year because the men who operate it understand the powerful significance of the word "Conservation". Do you realize how vital that word is when applied to the vast forest resources which provide a large part of Canada's wealth?

If these forests are to remain the basis of our third largest industry, they must be protected from fires, insect depredations and unwise cutting.

They can only be protected by an awareness on the part of every Canadian of the needs and methods of conservation.

By joining The Carling Conservation Club you can learn the part you can and should play in the protection of Canada's vast natural heritage. \*Membership is free and will bring you interesting and authoritative information on conservation as it becomes available. Address your letter to Dept. (E13), The Carling Breweries Limited, Waterloo, Ontario.
